E. Cummings* Edward Estlin Cummings,1969 Every Life Tells a Story

Henry T. Ford, **Media inter Media**, 2009-01-01 This interdisciplinary volume explores analyzes and celebrates intermedial processes It investigates the dynamic relations between media in contemporary artistic productions such as digitalized poetry and installations or musical scores by Walter Steffens and Hugh Davies in texts like Dieter Roth s diaries Ror Wolf s guidebooks Charles Baudelaire s art criticism or Lewis Carroll s Alice books and in inherently intermedial pieces like St phane Mallarm s Un Coup de D s and Augusto de Campos s poetry Through distinct and diverse methodological approaches to intermedial inquiry the contributors probe multiple forms of interaction between media adaptation appropriation transposition transfer recycling grafting recontextualization intertextualization transmedialization and transcreation In so doing they offer perspectives which refine our understanding of the term medium and demonstrate ways in which intermedial creations engage their audiences and stimulate creative responses Written in honor of Claus Cl ver a groundbreaking leader in intermediality studies the essays participate in and broaden the scope of current discourses in the international forum The range of their subjects and methodologies will interest literary scholars art historians musicologists scholars of new media as well as those working in intermediality studies word and image or word and music studies and anyone whose interests cross traditional disciplinary boundaries *Under the Bed, Creeping* Michael Howarth, 2014-05-16 From Puritan tracts and chapbooks to fairy tales and Victorian poems from zombies and werewolves to ghosts and vampires the gothic has become an important part of children s literature This book explores how Gothicism is crucial in helping children progress through different stages of growth and development It examines five famous texts Christina Rossetti s Goblin Market Carlo Collodi s Pinocchio Neil Gaiman s Coraline three versions of Little Red Riding Hood and J M Barrie s play and then novel Peter and Wendy incorporating renowned psychologist Erik Erikson s landmark theories on psychosocial stages of development By linking a particular stage to each of the aforementioned texts it becomes clearer how anxiety and terror are just as important as happiness and wonder in fostering maturity achieving a sense of independence and fulfilling one s self identity Gothic elements give shape to children s fears which is precisely how children are able to defeat them and through their interactions with the ghosts and goblins that inhabit fantasy worlds children come to better understand their own world as well as their own lives **Land and Power** Anita Shapira, 1999 This book traces the history of attitudes toward power and the use of armed force within the Zionist movement from an early period in which most leaders espoused an ideal of peaceful settlement in Palestine to the acceptance of force as a legitimate tool for achieving a sovereign Jewish state Reviews A rich and sophisticated work that nicely complements more conventional political historical studies of the Arab Israeli conflict Shapira sifts through a vast body of material ranging from essays poems and memoir literature to the unpublished minutes of political party and youth group meetings Shapira interprets these sources with sensitivity and insight and writes with power compassion and warmth A landmark book that is an outstanding contribution to the history of Zionist political thought and culture American Historical Review This is a superb book a well researched detailed and scholarly

account that provides new and valuable insights into the dilemma posed by the formation and elaboration of a more forceful Israeli military posture The Historian Shapira's powerful well written lucid intellectual history of a segment of the Zionist movement is fascinating and easy to read *Journal of Economic Literature* [Athenaeum and Literary Chronicle](#) ,1856
