to transforming your life from just an ordinary ride to a truly extraordinary adventure Soul Sister Sereena Nightshade, 2014-04-22 Soul Sister is a softer version of The Killing Fields created by popular fan base demand Soul Sister thus contains many of the poems from The Killing Fields as well as some additional never before shared poetry from the time frame of the years this writer was mercilessly stalked and an objectified being caught within the tug of war between the predator The One from Afar the primary adult human co victim the local police force in their ineffectiveness made shockingly worse once a callous clueless seemingly chauvinistic spiteful and sometimes emotionally irrational detective was placed on the case and the many helpless oftentimes cages tame animal victims the predator went after in endless compulsive repetitions through the years spanning from October 1999 to the summer of 2004 This was the world of this writers nightmarish drafted status losing the right to be a mere human with human feelings wants and needs It was also the backdrop for the Black Market style beauty contest and dating winner gets the fantastical prize game put forth by The One From Afar in the middle of The Killing Fields of the stalkers design from 1999 to mid 2003 In mid 2003 The One From Afar married his true deceiver and vanished from the picture blatantly leaving Sereena Nightshade to die That final phase in the full range tug of war indicated clearly that Nightshade was left to whatever fate may occur including one of being further hunted stalked kidnapped and at some point tortured repeatedly raped and murdered since she held no value to the only person who seemed fictitiously to care about her at the time This was the reality of The Killing Fields One stalker terrorizing running endless surveillance tampering with torturing murdering animals when he didnt mess up likely on purpose leaving them to suffer until his primary human victim had to clean up after his mistakes One fool allegedly looking for love or reportedly in love with Nightshade One primary adult human co victim who was hapless and hopeless One police detective who didnt give a darn And all of the many innocent defenseless victims caught in the middle of this whirl in the stalkers predatory realm This scenario or many components of it are not entirely rare for stalking victims as the presence of a stalker isolates the victim and narrows her world until there is almost nothing left no contacts no friends no support system while she must become a soldier despite the inhumane senseless of it all it so continues *Creating Eartheaven in Your Life* *Profound Transformation of Your Soul* David H. Fastiggi, 2014-05-17 Creating Eartheaven in Your Life is unique and it is innate in all human beings Humanitys quest for a wholesome peaceful life goes unabated Our search for our better self that identifies with the reality of the world we live in all too often filled with grief and stress is juxtaposed with faith and hope for change or a miracle Do we just have faith expecting God will deliver humanity from the ills we have caused Should we just buckle down and be practical seeking solution with our rational self What kind of God do we actually know or are we seeking a relationship with an image of God taught to us What is the divine matrix and does a personal God speak to us Science stands for one view of creation and faith stands for another Is there a joining point of the two Has our species Homo sapiens stalled out in evolutionary development Is the world becoming a village of cooperation and mutual peace seeking Can we

Jamieson LLD,2020-01-08 There are hot spots sink holes and hell holes all over the earth They move around a bit Baghdad in Iraq has been often a hot spot Kabul in Afghanistan is another Then there s the sink hole of Tehran in Iran together with the recently war torn Damascus in Syria Don t blame the places nor even the folks New York in the USA London in the UK and Brussels in the EU are no different for being sometimes politically sinking hot spots or terrorist targeted hell holes In terms of prophetic history a welter of the world s biggest cities are everyday battlegrounds from which governmental academics compartmentalise their own specialist solutions Most of these solutions whether military or civic fall so far short of the cosmic solution as to escalate the existing state of world disorder Sure enough without a barebones history of hell there s no point to fixing up hell holes Without the briefest history of heaven it s also pointless to shore up sink holes And as for the world s hot spots you have to look as deep into the souls of the good guys as you do into the souls of the bad guys But you can t just walk off from compartmentalising a problem and expect it to sort itself out For a workable solution you ve got to bring back all the component parts together again that you first took apart and make them work together That s exactly why this Soul Catcher s Calling stops at nothing short of dealing with all things both under the sun and beyond the sun Soul catching is a military operation at first under

command and then undertaken entirely by personal commitment All such tours of duty overseas will be carefully monitored and guided by the most experienced of guardian angels However perilous the front line travel none who seriously commit themselves to this soul catching operation shall get left behind
