financial and infamously indulged his enthusiasm for the high life He also seduced and married his doctor's wife had a child with her daughter and then sustained a ménage à trois with both wife and stepdaughter under the same roof for 12 years When this family eventually imploded he attempted to inspire jealousy in his former lovers by having a child with his stepson's ex-wife Containing exclusive contributions from Anquetil's family friends teammates and rivals Sex Lies and Handlebar Tape untangles myth from reality and confirms that fact is definitely stranger than fiction
