Latané,2016-02-11 The first scholarly treatment of the life of William Maginn 1794-1842 David Latan's meticulously researched biography follows Maginn's life from his early days in Ireland through his career in Paris and London as political journalist and writer and finally to his sad decline and incarceration in debtor's prison A founding editor of the daily Standard 1827 Maginn was a prodigal author and editor He was an early and influential contributor to Blackwood's Edinburgh Magazine and a writer from the Tory side for The Age New Times English Gentleman Representative John Bull and many other papers In 1830 he launched Fraser's Magazine for Town and Country the early venue for such Victorians as Thackeray and Carlyle and he was intimately involved with the poet L E L In 1837 he wrote the prologue for the first issue of Bentley's Miscellany edited by Dickens Through painstaking archival research into Maginn's surviving letters and manuscripts as well as those of his associates Latan restores Maginn to his proper place in the history of nineteenth century print culture His book is essential reading for nineteenth century scholars historians of the book and periodical and anyone interested in questions of authorship in the

The answers lie here in Four Summoner's Tales as these acclaimed writers accept the challenge and rise to the occasion in four brilliantly chilling ways It's all in the execution SUFFER THE CHILDREN BY KELLEY ARMSTRONG 1 New York Times bestselling author A preacher and his adopted daughter must solve the mystery of the newcomers to their isolated 19th century village men who are preying on residents overwhelming grief with promises to bring the stricken back to life PIPERS BY CHRISTOPHER GOLDEN New York Times bestselling author Twenty three people have already lost their lives to the ruthless cartel terrorizing their small Texas border town But one man has a plan for revenge if the town's survivors will let him use their loved ones to raise an army of the undead A BAD SEASON FOR NECROMANCY BY DAVID LISS National bestselling author In merry old England a rascally con man stumbles upon a book for raising the dead But instead of using it to make money by reviving relatives for the rich he'll do just the opposite Because some family skeletons need to stay buried ALIVE DAY BY JONATHAN MABERRY New York Times bestselling author In war torn Afghanistan a U.S. military operative and his team face off against an ancient horror during a harrowing off the books search and rescue mission

Great Americans on Stage WYN,2019-01-09 Playwright WYN's Great Americans on Stage shines a light on key figures in our country's early years its decades of ascent from revolution disorder and division to unbreakable union and rising economic and political power Two of the plays in WYN's collection center on men known to all Alexander Hamilton and Abraham Lincoln The third asks theatergoers to remember the once famous Light Horse Harry a hero of the American Revolution and the only man in the ranks to win the Congressional Medal of Honor As enlightening as they are entertaining the plays collected in Great Americans on Stage will delight theater lovers and inspire directors Dishonored Americans Timothy Compeau,2023-11-29 With the final words of the Declaration of Independence the signatories famously pledged to one another their lives their fortunes and their sacred Honor But what about those who made the opposite choice By looking through the analytical lens of honor culture Dishonored Americans offers an innovative assessment of the experience of Americans who made the fateful decision to remain loyal to the British Crown during and after the Revolution Loyalists as Timothy Compeau explains suffered a political death at the hands of American Patriots A term drawn from eighteenth century sources political death encompassed the legal punishments and ritualized dishonors Patriots used to defeat Loyalist public figures and discredit their counter revolutionary vision for America By highlighting this dynamic Compeau makes a significant intervention in the long standing debate over the social and cultural factors that motivated colonial Americans to choose sides in the conflict narrating in compelling detail the severe consequences for once respected gentlemen who were stripped of their rights privileges and power in Revolutionary America

STAND AND FACE THE MORNING Helen S. Owens,2009-05-21 Stand and Face the Morning tells a robust romantic story of the Musick and Lewis families of Colonial Virginia who followed the migration down the Great Wagon Road into the backcountry of the Carolinas The narrative follows them through the trials of hewing homesteads from the wilderness wrestling with the choices of allegiance at the onset of the

Revolutionary War and struggling for survival as they are caught up in the bitter civil war which engulfs their homeland The central figures are the patriarch Abram Musick and his wife Sarah whose abiding love undergirds the family Tormented eldest son Lewis carries within himself the wrongs and hurts he encounters He joins brothers cousins and neighbors in the Patriot cause in his unholy quest for vengeance Strong women characters walk beside their men and through artistry and grace produce families worthy of a new nation Sarah s daughters Terrell and Sally neighbor Saro Tweddy whose husband travels with Daniel Boone into Kentucky and Annie McKinney whose eyes look ever toward the western lands In the end the families remain strong and loyal to one another We are bound by ties of blood and by a love which will ne er die Together as family we sh ll face with hope whate er the morrow brings Reviews Adventure and romance joy and loss fill these pages as Owens lively story carries us along the rough trails of these wilderness roads Sit and enjoy Jim Minick author of Finding a Clear Path Burning Heaven and Her Secret Song The American Revolution tears apart a frontier community in this gripping historical novel When Abram and Sarah Musick lead their clan seven children with assorted servants nephews and inlaws in tow to White Oak Mountain on the western margins of North Carolina they think they ve found paradise In this region of virgin timber and rich bottomland nature showers its bounty on them even when it almost kills them Well I daresay the good thing is we sh ll have a haunch of bear with our huckleberry dumplings tomorrow sic Alas the escalating quarrel between Britain and the colonies disrupts their bliss in their corner of the South the revolution becomes a savage civil war pitting Patriots against Tories Indians against whites coastal planters and merchants against backwoods farmers and neighbor against neighbor Abram wants to sit out the storm but his sons led by the brooding impetuous Lewis rally to the Patriot cause Life doesn t stop just because there s a war on farmers have to fit in stints of militia service around the cycle of planting and harvesting but it grows increasingly desperate as Patriot settlers face raids by loyalist irregulars and their Cherokee allies After his sweetheart is murdered by Tory marauders Lewis leads his guerrilla band on a brutal campaign of vengeance as Sarah agonizes over the hardening of her son s heart The author s limpid prose steeped in the pious musical language of the era brings this absorbing narrative to life with well observed period detail that encompasses everything from log cabin building techniques to Sarah s herbal medicine Slippery elm bark and fried onions it seems are great for gunshot wounds Owens brings readers the grit and trauma of the battlefield but also the quieter rhythms of farming and trading cooking and childcare and hoping anxiously for loved ones to return from peril The result is an indelible portrait of a family struggling to hold together as the world turns upside down A richly textured tale that registers epic events on the most intimate scale Kirkus Discoveries Nielsen Business Media 770 Broadway New York NY 10003 *There's More to New Jersey Than the Sopranos* Marc Mappen,2009 An American tourist in Europe stopped at a restaurant in Gdansk Poland and struck up a conversation with a local Where do you come from he asked New Jersey she said He smiled and replied Ah Sopranos Even fans of that popular show one that held viewers captive may be a bit disheartened to discover that the first thing that pops

into minds around the world about New Jersey is a dysfunctional crime family just an exit or two off the infamous N J Turnpike But there s no need to live in fear that the only culture and history that the state is known for is well let s say a bit of bada bing Actually the echo of the Big Bang the cosmic event that marked the birth of our universe some 13 7 billion years ago was first identified by scientists from Bell Labs in Murray Hill New Jersey In this lively romp through history from the primitive past to the present day Marc Mappen s message resonates There s More to New Jersey than the Sopranos Real tales wise tales tall tales abound throughout the pages of Mappen s collection filled with zest humor scandal and occasionally tragedy Annie Oakley Ulysses S Grant Benedict Arnold Ezra Pound Shoeless Joe Jackson These luminaries and many others share a common bond with the state that witnessed prehistoric elephants roaming its pastures the explosion on the USS Princeton a Martian invasion famous firsts like the phonograph electric light and movies and well step aside Tony Soprano mobster Al Capone strolling along the Atlantic City boardwalk Providing a lens into American history through lively prose and more than twenty five illustrations There s More to New Jersey than the Sopranos is as much fun as a trip to the Jersey Shore and definitely more rewarding than a night home watching television simply stated this book is one you can t refuse to read
