The Rebirth of the West Peter Duignan,Lewis H. Gann,1996 The years following World War II witnessed perhaps the greatest success story in Western history the economic and political recovery of European democracies that had been devastated by the cataclysmic war Peter Duignan and L H Gann convincingly demonstrate that the deep involvement of the United States was a key factor in this success The Rebirth of the West is a broad narrative analysis of every important aspect of Western society during this formative period political economic social cultural and scientific In addition to providing an interpretive synthesis of the vast literature on the subject the authors make an important and original contribution to both the historical record of this period and current debates over the future of Europe

Financial Modernization and Regulation Robert A. Eisenbeis,Frederick T. Furlong,Simon Kwan,2000-06-30 Financial systems around the world are undergoing a process of modernization due to many different forces Advances in information technology product and market innovations and recent regional financial crises have contributed to this movement As a result evolution in the financial sector is leading to larger more complex financial organizations that render inadequate the supervisory and regulatory structures currently in place While some changes in regulatory policies have already occurred the adaptation of supervisory oversight and regulation in the face of these new developments is expected to continue for many years to come This book collects papers originally presented in September 1998 at the Financial Modernization and Regulation Conference co sponsored by the Federal Reserve Banks of Atlanta and San Francisco Revised before publication the papers seek to identify the reasons for changes in the financial services sector and the implications these changes pose for financial supervision and regulation Taken together the papers offer valuable insights on 1 the forces behind financial modernization 2 the implications financial modernization poses for corporate structure market discipline and financial regulation 3 how to price deposit insurance accurately to reflect banks risk taking and 4 balancing private versus public interests and managing potentially conflicting public policy goals

Reports and Documents United States. Congress,

Cosmopolitan Outsiders Katherine Sorrels,2016-10-13 This book reconstructs the intellectual and social context of several influential proponents of European unity before and after the First World War Through the lives and works of the well known promoter of Pan Europe Richard Coudenhove Kalergi and his less well known predecessor Alfred Hermann Fried the book illuminates how transnational peace projects emerged from individuals who found themselves alienated from an

increasingly nationalizing political climate within the Austro Hungarian Monarchy and the new nation states of the interwar period The book s most important intervention concerns the Jewish origins of crucial plans for European unity It reveals that some of the most influential ideas on European culture and on the peaceful reorganization of an interconnected Europe emerged from Jewish milieus and as a result of Jewish predicaments *Course of the History of Modern Philosophy ...*
