### **One Extra Month:**

*3 1-2 Days to Forever* B. Craig Moore, 2024-08-28 *3 1 2 Days to Forever* is the book that unlocks the secrets of the identity of Mystery Babylon which are hidden in the name and number 666 of the beast all the while proving the meaning of the rapture The sum total of which is written in a sealed timeline until now Daniel the prophet and John the apostle both saw it and understood it and now it is time for you to know it The Bible the whole Bible is a clock which proves our story This world s days as we know them come to their end It is time for you to drop your religion and believe what God has been saying all this time A story the same story written from the beginning Genesis to the end Revelation All having the same purpose A proving of whose image will still be standing when the smoke clears Remember this is not an allegory this is literal The sixth trump nuclear war comes soon the first of three great end time battles that will end mankind s reign as kings with dominion over this earth Know this the name and the number of the beast are here right now Be warned Noah was a preacher of righteousness who proclaimed the end was coming and no one believed him Read this book and believe what the Bible says because when Jesus the Bible says something it means something that makes sense something that affects the whole world When you understand who s who and who the witnesses are everything becomes clear *3 1 2 Days to Forever* proves the Bible s timeline and reveals the final reasons this piece of the master the Bible was given to mankind And that reason is so that we can all know when the Holy One of God will return Not the day and hour but a specific timeline to things past present and future We are the timekeepers

**Ancient Bible Feasts** Albert Bailey, 2015-10-15 *Ancient Bible Feasts* opens hidden Bible truths concerning Israel Christ and the church These seven feasts given in their order and

days of the year in Leviticus 23 are symbolic of the crucifixion and resurrection of Christ the descent of the Holy Spirit on the day of Pentecost the future rapture of the church and the great tribulation and second advent of Christ concluding with His thousand year millennial reign here on earth Other books written about these feasts deal with the same events but none has gone into detail or explained the meaning of the celebrations and sacrifices God commanded the Israelites to celebrate so many years ago Dr Bailey explains the meaning of certain numbers in the Scriptures and shows their importance in these feasts and how these numbers prove the accuracy of the fulfillment of these feasts He also proves from Scripture that Jesus Christ died at the time the Passover Lamb was killed in Egypt the meaning of the blood being put on the doors of the houses that the Israelites were in that Jesus resurrected at the same time the last Israelite came out of the Red Sea centuries earlier that the Holy Spirit came upon the disciples the exact time God came down on Mt Sinai some fourteen hundred years earlier He also explains the sacrifice at Mt Sinai that points to the fact that Jew and Gentile will become one in Christ This book is a treasure to all students of the Holy Scriptures

contradiction Just recently Rolf Krauss has described the contradiction as still unsolved The Brugsch phenomenon concerns the indisputable fact that the last or twelfth month of the Egyptian civil year can be named as if it were the first Two month names are involved The first is wp rnpt Its meaning opener of the year refers to a beginning The second month name is mswt r birth of Re in hieroglyphic Egyptian Mesore in Aramaic Greek and Coptic Both can otherwise also refer to New Year s Day the quintessential calendrical beginning
