Keep One Eye Open Mary Kubica, Heather Gudenkauf, Kaira Rouda, Graeme Cameron, 2018-08-13 Don't miss these four unforgettable psychological thrillers now together in one electrifying e book package from bestselling masters of suspense Mary Kubica and Heather Gudenkauf as well as Graeme Cameron and Kaira

Rouda The twists and turns will keep you guessing and keep you up reading late at night DON T YOU CRY In downtown Chicago Esther Vaughan disappears from her apartment without a trace A haunting letter addressed to My Dearest is found among her possessions leaving her roommate Quinn to question how well she really knew her friend Meanwhile in a small town an hour outside Chicago a mysterious woman appears in the quiet coffee shop where eighteen year old Alex works as a dishwasher He is immediately drawn to her but what starts as an innocent crush quickly spirals into something far more sinister As Quinn searches for answers about Esther and Alex is drawn further under the stranger s spell master of suspense Mary Kubica takes readers on a taut and twisted thrill ride that builds to a stunning conclusion and shows that no matter how fast and far we run the past always catches up with us THE WEIGHT OF SILENCE It happens quietly one hot August morning in Iowa two families awaken to find their little girls have gone missing in the night Seven year old Calli Clark suffers from selective mutism brought on by a tragedy when she was a toddler Petra Gregory is Calli s best friend and her voice But neither girl has been heard from since they vanished Now Calli and Petra s parents are tied by the question of what happened to their children And the answer is trapped in the silence of unspoken family secrets NORMAL He lives on your street in a nice house with a tidy garden He shops at your local supermarket He drives beside you on the highway waving to let you into the lane ahead of him He also has an elaborate cage in a secret basement under his garage The food he s carefully shopping for is to feed a young woman he s holding there against her will one in a string of many unaware of the fate that awaits her This is how it s been for a long time It s normal and it works Perfectly But this time it s different BEST DAY EVER Paul Strom is the perfect husband breadwinner protector provider That s why he s planned a romantic weekend for his wife Mia at their lake house just the two of them And he s promised today will be the best day ever But as Paul and Mia drive out of the city and toward the countryside a spike of tension begins to wedge itself between them and doubts start to arise How much do they trust each other And how perfect is their marriage or any marriage really Forcing us to ask ourselves just how well we know those who are closest to us Best Day Ever is a gripping tautly suspenseful tale of deception and betrayal dark enough to destroy a marriage or a life **Praying with One Eye Open** Mary Ella Engel,2019-07-15 In 1878 Elder Joseph Standing traveled into the Appalachian mountains of North Georgia seeking converts for the Church of Jesus Christ of Latter day Saints Sixteen months later he was dead murdered by a group of twelve men The church refused to bury the missionary in Georgia soil instead he was laid to rest in Salt Lake City beneath a monument that declared There is no law in Georgia for the Mormons Most accounts of this event have linked Standing s murder to the virulent nineteenth century anti Mormonism that also took the life of prophet Joseph Smith and to an enduring southern tradition of extralegal violence In these writings the stories of the men who took Standing s life are largely ignored and they are treated as significant only as vigilantes who escaped justice Historian Mary Ella Engel adopts a different approach arguing that the mob violence against Standing was a local event best understood at the local level Her examination of Standing s murder carefully

situates it in the disquiet created by missionaries successes in the North Georgia community As Georgia converts typically abandoned the state for Mormon colonies in the West a disquiet situated within a wider narrative of post Reconstruction Mormon outmigration to colonies in the West In this rich context the murder reveals the complex social relationships that linked North Georgians families kin neighbors and coreligionists and illuminates how mob violence attempted to resolve the psychological dissonance and gender anxieties created by Mormon missionaries In laying bare the bonds linking Georgia converts to the mob Engel reveals Standing s murder as more than simply mountain lawlessness or religious persecution Rather the murder responds to the challenges posed by the separation of converts from their loved ones especially the separation of women and their dependents from heads of households
