**One Dark Halloween Night** Ken King, 2023-09-28

For many Halloween is a time of celebration. The wearing of costume and masks pretending to be someone or something else they aren't the other days of the year. But for the residents of Tranquility, Florida, it will take on more sinister connotations. One wicked spirit long thought dead means to return and bring the denizens of the Hell with him. The residents of the idyllic small town have no idea what is coming to call. But they are about to.

**Over and Back: A Daring Band of American Pilots Flying North to South Into Mexico!** Wild Bill Callahan, 2013-03-23

A fast-paced riveting and vividly told story of unknown and true aviation adventure in the spirit of the legendary Air America. An abundance of actual photos accompany the 328 pages of text. Throughout the author entertains with gut-busting laughs and anecdotes of some truly extraordinary aviating the likes of which will never be seen again. Summer 1984. A lone desperate pilot arrives in the blistering heat of the south Texas border city of McAllen. Searching for a flying job, he finds old aircraft flying south in the dead of night, their cabins overloaded with electronic contraband. They were headed for clandestine airstrips deep into Mexico's interior. With pockets full of hope and not much else, the pilot's fragile lives hung literally on both engines running. Read about the incredible adventures, the hair-raising escapes, the long prison terms and death that await them south of the border. Read about the inherent danger in flying the dark, sinister Sierras and landing at blacked-out improvised airstrips. Dealing with corrupt and ruthless Mexican authorities, pilots found their well-being hung by a tenuous thread. Everyone north and south had a price. For more than a few, that price was death. While not exactly a fountain of information, Chuck did manage to leave me with an uplifting reflection as I ambled away from his esteemed presence. I think he had sensed my apprehension. Offhandedly, he said that no one had been killed since early June. My pace slowed a bit as that uncertain benediction hit home like a June bug smackin' a Harley driver's eyeball. Whap! I took a quick look at my Seiko watch, a long-lived holdover from another asylum of anxiety called Vietnam. The day date showed Jun 21. Maybe he meant last June. I thought I turned to ask but changed my mind. With a somewhat dampened spirit, I returned to my metal abode for more contemplation. Keeping my options open grew more appealing for now.

*It Happened One Spooky Night in October* Sherry Moss Walraven, 2022-10-29

The eight crazy cousins needed to decide where they were going on vacation this year. After finally making up their mind, it was decided to go to Olive's house. Since they would be there on Halloween, they thought some fun activities might be just what they needed. A couple of the ladies have been experiencing some problems, so it was unanimous with the others to do some fun activities to boost their spirits. They did have fun, but everything comes with a price. The cousins went to a large house that was rumored to be haunted. Instead of seeing ghosts, the house was inhabited with boys who had medical problems. Everything was a bed of roses until one of the cousins were taken away by the boys who had weapons.
