## **One Day In Russia Nineteen Seventeen:**

*One Day in Russia, Nineteen-Seventeen* Philip Bolsover,1975-06      **Nineteen-seventeen** Volin,1954      Merchants and Markets in Revolutionary Russia, 1917-30 Arup Banerji,1997-02-12 This book explores the history of private internal trade in the USSR during the NEP of the 1920s Private traders operated in a politically hostile but economically promising environment Their contribution to post war reconstruction was a crucial one An exhaustive portrayal of the markets and dimensions of private trade is contrasted with the felt anxieties of Bolsheviks concerning traders destabilising intentions and abilities Retrospectively many of these apprehensions were misplaced      **Revolutionary Russia, 1917** Christopher J. Ward,John M. Thompson,2025-04-25 The Russian Revolution of 1917 was a defining moment in world history setting the stage for political upheaval and ideological conflict that shaped the modern world From the fall of the Romanovs to the rise of Bolshevik rule the revolution s effects extended far beyond Russia s borders influencing movements and governments worldwide This concise and thought provoking book provides a clear narrative of the revolution while critically examining its causes and complexities Through insightful analysis Christopher Ward and John Thompson encourage readers to explore the key events and lasting consequences of 1917 making it an essential resource for understanding one of history s most pivotal moments      *Strikes and Revolution in Russia, 1917* Diane P. Koenker,William G. Rosenberg,2014-07-14 More than seventy years since the Bolsheviks came to power there is still no comprehensive study of workers activism in history s first successful workers revolution Strikes and Revolution in Russia 1917 is the first effort in any language to explore this issue in both quantitative and qualitative terms and to relate strikes to the broader processes of Russia s revolutionary transformation Diane Koenker and William Rosenberg not only provide a new basis for understanding essential elements of Russia s social and political history in this critical period but also make a strong contribution to the literature on European labor movements Using statistical techniques but without letting methodology dominate their discussion the authors examine such major problems as the mobilization of labor and management factory relations perceptions the formation of social identities and the relationship between labor protest and politics in 1917 They challenge common assumptions by showing that much strike activity in 1917 can be understood as routine but they are also able to demonstrate how the character of strikes began to change and why Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *The Russian Revolution, 1917-1921* Ronald I. Kowalski,1997 The collapse of the Soviet Union in 1991 has provided fresh perspectives from which to view the Revolution out of which it grew The Russian Revolution 1917 1921 by Ronald Kowalski reviews the ever changing

### **Origins of People-to-People Diplomacy, U.S. and Russia,**

**1917-1957** David W. McFadden,2022-05-02 Although there have been many studies of U S Soviet diplomacy in the twentieth century most explorations of people to people diplomacy begin in the 1980s and to not take into account the early contacts in the revolutionary period and 1920s This study explores in greater depth the religious figures radical activists entrepreneurs engineers social workers and others in both the U S and the Soviet Union who reached across the barriers of ideology and culture and history to forge tentative but real human connections in an attempt to further better understanding between the two countries All of these efforts prefigured the much more heralded citizen diplomacy efforts of the 1980s which helped end the Cold War

**Russia in the Age of Modernisation and Revolution 1881 - 1917** H. Rogger,2014-07-30 Hans Rogger s study of Russia under the last two Tsars takes as its starting point what the Russians themselves saw as the central issue confronting their nation the relationship between state and society and its effects on politics economics and class in these critical years

**Woodrow Wilson** Christopher Cox,2024-11-05 An assiduously researched The Wall Street Journal powerful dispassionate new biography The Christian Science Monitor of Woodrow Wilson focused on his role in the long national struggle for racial equality and women s voting rights More than a century after his death Woodrow Wilson s influence on American politics remains strong while his contradictions loom larger than ever With panoramic sweep Woodrow Wilson The Light Withdrawn examines his life and times focusing especially on the 28th president s opposition to the movements for racial equality and women s voting rights The Wilson who emerges is a man superbly unsuited to the moment when as he ascended to the presidency in 1912 the struggle for women s voting rights in America reached the tipping point The first southern Democrat to occupy the White House since the Civil War era brought with him to Washington like minded men who quickly set to work segregating the federal government Wilson s own sympathy for Jim Crow and states rights animated his

decades long hostility to the Susan B Anthony Amendment which promised universal suffrage backed by federal enforcement Women demonstrating for voting rights found themselves demonized in government propaganda beaten and starved while illegally imprisoned and even confined to the insane asylum When in the twilight of his second term two thirds of Congress stood on the threshold of passing the Anthony Amendment Wilson abruptly switched his position But in sympathy with like minded southern Democrats he endorsed a plan to rewrite the Anthony Amendment to protect Jim Crow restrictions on the voting rights of Black women The heroes responsible for the eventual success of the unadulterated Anthony Amendment are brought to life by Christopher Cox an author steeped in the ways of Washington and political power This is a Pulitzer Prize worthy history The Washington Examiner that puts you at the center of one of the greatest advances in the history of American democracy    **Monthly Bulletin** Carnegie Free Library (Allegheny, Pa.),1918    **Quarterly Bulletin of the Providence Public Library** Providence Public Library (R.I.),1918
