

oh yeah, i guess that's why i still miss you.

Why do I still miss you?

All you did was argue with me,
with my decisions,
with who I was.

All you did was disappoint on me,
make me look like a fool.

Why do I still miss you?

You left over a year ago,
and now I miss you when I'm alone.

You left me wondering why I wasn't enough,
I sat for weeks in my bed,
cried until my body went dry,
broke things with my own two hands
and blamed it all on the despair.

So WHY do I still miss you?

Maybe it's because you were
the only person who saw through me,
the only person that could
make me feel better when I was down.

You made me trust you
and you gave me hope.

You were the first person that made me fall hard.

You were my best friend.

Oh, yeah,
I guess that's why I still miss you.

Communication Images in Derek Walcott's Poetry Sadia Gill, 2017-03 This book investigates the potential purpose of recurrent communication images in the poetry of Derek Walcott The recipient of the Nobel Prize for literature in 1992 Walcott is one of the most important postcolonial poets of the 20th century His poetry delves into the dynamics of Caribbean marginalization and seeks to safeguard the paradigms characteristic of his island home Several major studies have examined themes in his poetry but the images of communication in his poetics have not been explored This book examines Walcott's poetry expressions that the poet brings into play in order to demonstrate the relevance of the Caribbean in the contemporary world firstly through a study of communication imagery and secondly through an examination of the conclusions he reaches through these means The quantitative chart demonstrates that Walcott is especially reliant upon images of communication from the 1980s Extensive textual analysis indicates that the place and contextual meaning of communication imagery for example page mirrors the historical plight of the Caribbean region likewise line expresses an identity deficit Finally this book validates that Walcott's extensive use of communication imagery in his poetry contributes to a fluid notion of self that embraces multiculturalism while maintaining the imaginary intact

Della Cruscan Poetry, Women and the Fashionable Newspaper Claire Knowles, 2023-09-15 This book explores Della Cruscan poetry in the late eighteenth century literary scene A sociable ornate and deeply theatrical type of poetry Della Cruscanism was associated with writers like Robert Merry Mary Robinson and Hannah Cowley While Merry is the poet most commonly associated with the Della Cruscan school this book argues that Della Cruscanism was a movement dominated by female poets and that this was one of the key reasons for the later disavowal and downgrading of its poetic accomplishments It offers a close examination of these women writers and their role in shaping the poetic culture of the fashionable newspaper In doing so this study offers the first account of the feminization of the fashionable newspaper and of popular literary culture in the final years of the eighteenth century

Words of Her Own Maroona Murmu, 2019-11-05 Words of Her Own situates the experiences and articulations of emergent women writers in nineteenth century Bengal through an

exploration of works authored by them Based on a spectrum of genres such as autobiographies novels and travelogues this book examines the sociocultural incentives that enabled the dawn of middle class Hindu and Brahmo women authors at that time Murmu explores the intersections of class caste gender language and religion in these works Reading these texts within a specific milieu Murmu sets out to rectify the essentialist conception of women s writings being a monolithic body of works that displays a firmly gendered form and content by offering rich insights into the complex world of subjectivities of women in colonial Bengal In attempting to do so this book opens up the possibility of reconfiguring mainstream history by questioning the scholarly conceptualization of patriarchy being omnipotent enough to shape the intricacies of gender relations resulting in the flattening of self fashioning by women writers The book contends that there were women authors who flouted the norms of literary aesthetics and tastes set by male literati thereby creating a literary tradition of their own in Bangla and becoming agents of history at the turn of the century
