Poets Laureate Of Kentucky:

The Poet Laureate of Aurora Avenue: Selected Poems Jeff Worley, 2022-11 A career spanning selection of verse from the award winning emeritus Kentucky State Poet Laureate Jeff Worley Robert Frost famously celebrated his appointment as Poet Laureate of Vermont with the question Breathes there a bard who isn't moved When he finds his verse is understood And not entirely disapproved By his country and his neighborhood As if in answer the title of emeritus Kentucky Poet Laureate Jeff Worley's new volume of poetry selected from his six previous full length collections makes reference to his Lexington Kentucky home of many decades where it is very clear that his verse indeed is celebrated by his neighborhood and well beyond That's because Worley is a people's poet whose verse is instantly accessible and relatable but while he often writes with a humorous touch really his poem about his wife Linda and him battling an opossum around their kitchen stark naked in the middle of the night is worth the price of admission make no mistake he is very serious about his craft and his light lines carry a great weight of feeling see his poems about his parents Often that feeling is for nature and animals indeed the true POET LAUREATE OF AURORA AVENUE is revealed to be a spider dozing in her web hoping for some small attention a captive audience of one Prepare to be made captive yourself because like this spider Worley weaves an entrancing web gossamer fine of well wrought words words enhanced here with lovely illustrations by Laura Lee Cundiff Jeff Worley is a poet's poet He is a veteran practitioner of what a functioning and fruitful poem should look taste and feel like His work seems motivated not by what he thinks editors want to publish but by what people want to read something that gives us a fresh angle of perception on the world as he sees it but one that is recognizable in our common experience His poems are couched in language that breathes vitality There is a generosity of spirit in these poems a trait it would behoove all of us to admire and imitate from the Introduction by Richard Taylor Kentucky Poet Laureate 1999 2000 On The Only Time There Is Though it is the delicate yet hard edged love poems that I love best in this wonderful debut there are pleasures here on every page Stephen Dunn winner of the 2001 Pulitzer Prize in Poetry Jeff Worley's deceptively simple narratives evoke an affirmative generosity of spirit This is an alluring and unforgettable first book Ron Wallace Jeff Worley is a poet of uncommon precision whose sense of detail reminds me of the perfect pitch of some musicians so that his poems seem to glow with an inner light with the aura of a thing looked at with such love and attention it becomes a projection of the speaker's most inner self Michael Van Walleghe Poetry

Woman who claims the right to a voice Along the way she meets allies and guides including Dickinson Woolf Mary Travers Grace Paley and the giver of dreams As sailors once navigated by the stars so Lyon navigates by these luminaries They are not distant though Their light is always near Alternately witty tender shocking and visionary Back to the Light reveals the reunion of body and spirit truth and story In the process it demonstrates the power of poetry to liberate and to heal

Buffalo Dance Frank X Walker, 2022-11-08 When Frank X Walker's compelling collection of personal poems was first released in 2004 it told the story of the infamous Lewis and Clark expedition from the point of view of York who was enslaved to Clark and became the first African American man to traverse the continent The fictionalized poems in Buffalo Dance form a narrative of York's inner journey before during and after the expedition a journey from slavery to freedom from the plantation to the great Northwest from servant to soul yearning to be free In this expanded edition Walker utilizes extensive historical research interviews transcribed oral histories from the Nez Perce Reservation art and empathy to breathe new life into an important but overlooked historical figure Featuring a new historical essay preface and sixteen additional poems this powerful work speaks to such themes as racism the power of literacy the inhumanity of slavery and the crimes against Native Americans while reawakening and reclaiming the lost voice of York

From the Mountain, From the Valley James Still, 2014-04-23 James Still first achieved national recognition in the 1930s as a poet Although he is better known today as a writer of fiction it is his poetry that many of his essential images such as the mighty river of earth first found expression Yet much of his poetry remains out of print or difficult to find From the Mountain From the Valley collects all of Still's poems including several never before published and corrects editorial mistakes that crept into previous collections The poems are presented in chronological order allowing the reader to trace the evolution of Still's voice Throughout his language is fresh and vigorous and his insight profound His respect for people and place never sounds sentimental or dated Ted Olson's introduction recounts Still's early literary career and explores the poetic origins of his acclaimed lyrical prose Still himself has contributed the illuminating autobiographical essay A Man Singing to Himself which will appeal to every lover of his work James Still the first poet laureate of Kentucky recipient of two Guggenheim Fellowships and many other awards and honors is the author of numerous works including his masterful novel River of Earth Ted Olson

Michael Williams *MAMA: a Poet's Heart in a Kentucky Girl* Ron Whitehead, Greta Whitehead, 2015-10-16

MAMA a poet's heart in a Kentucky girl is an outstanding new collection of poetry and interviews by famed Kentucky poet Ron Whitehead and his mother Greta Render Whitehead. Take a stroll through time and visit life in rural western Kentucky during the 1937 flood, World War II and the Korean War. This 224 page collection is filled with stories of faith, making do in hard times, surviving grief and loss, cutting tobacco and raising livestock on the farm, childhood adventures and most importantly, human strength and frailty. Ron and Greta Render Whitehead spin tales of joy, hope and love that warm hearts across the globe. Ron and Greta Whitehead have created a soulful, folksy and important masterpiece. The book brings us closer to Kentucky, closer to family, closer to humanity. Frank Messina, author, actor and the New York Mets Poet Laureate, a lovely homage not only to Ron Whitehead's beloved mother Greta Render Whitehead but to all their kin. The poems and stories in MAMA will make you laugh and weep and wonder. These are the tales of ordinary people told by a mother and son who see the world in a most extraordinary way. Bobbi Buchanan, poet, professor, publisher of NEW SOUTHERNER, Ron Whitehead continues his legacy. With humor, tears and an abundance of love, he has written a lasting tribute to a remarkable woman. MAMA. Nancy Bruner Wilson, poet, author, MAMA is a beautiful and entertaining collaboration between Mother and Son. It is not only their story but a true life story of a place and time in Kentucky. Michael Dean, Odin Pollock, legendary Icelandic musician, Ron Whitehead knows how to weave bridges between generations, art forms, countries and actions through the relentless energy of his words. This is by far the strongest bridge he has created for it is co-created with his Mama and his Mama is no ordinary woman. Birgitta Jonsdottir, Poetician, activist, a member of the Icelandic Parliament for the Pirate Party, Chairperson of the International Modern Media Institution, Ron Whitehead remains one of the great lyric poets of our time and his precious Kentucky roots which fill our hearts now fill the pages of this latest collection of new poetry. He brings us into his home where the voice of his mother joins him as a guide for us all to rejoice in the simple beauty that surrounds us all when we learn to pay attention. Any and every page of this memorable book warms the heart and brings some desperately needed Southern comfort to all who read it. David Amram, legendary composer and musician, Ron Whitehead is a poetic dynamo whose work is to be reckoned with on a global level. His latest book is about the woman who birthed him and set loose that wonderful, wild, gentle, explosive stick of dynamite, poet we've come to know and love. Yes, he's pure Kentucky. But stick him any place in the world and he fits in like the wind right before a much needed thunder storm. Lee Pennington, former Kentucky Poet Laureate, God used a golden wagon to bring the prophet Elijah to heaven. For a while it has seemed to me that he used the same wagon to send us Ron Whitehead but what do you know, here is a book that proves he came into this world from a Mother's womb. Ron Whitehead has written another masterpiece. Olafur Gunnarsson, Iceland's leading novelist.
