Reading The Gospels A Guide To Readers And Teachers:

Reading the Gospels--a Guide to Readers and Teachers J. Kingsley Dalpadado, 1976 Reading the Gospels Wisely Jonathan T. Pennington, 2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture. It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically. Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification. Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources. Rather, he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation. An Introduction to The Gospels Mitchell G. Reddish, 2011-09-01 An Introduction to the Gospels is designed to be a textbook for courses on the Gospels for use at the college and beginning seminary level. Reflecting the most recent scholarship and written in an accessible style, the volume covers all four of the Gospels, including a survey of the world of the Gospels. The book opens with a discussion of the origin, development, and interrelationships of the Four Gospels. After a chapter-length treatment of each canonical Gospel and the non-canonical Gospels, the work concludes with a discussion of the historical Jesus debate. In An Introduction to the Gospels, Mitchell G. Reddish provides a solid, convenient survey of the Gospels in an accessible textbook format, presenting up-to-date scholarship in a field that has been dominated by older texts, giving a balanced presentation of the content of the Gospels. **The Catholic Reader's Bible: The Gospels** Sophia Institute Press, 2020-07-16 The Catholic Reader's Bible is perfect for brief devotional moments as well as for long, delightful hours of extended reading. **DRS: An Intellectual Approach To Bible Study II** Dr. Shi-Brone (Jake) Jacobs, 2016-12-14 Dr. Jacobs' book provides a series of methods by which to objectively approach difficult Biblical topics. Additionally, it offers readers a perspective view held by many non-Christians so that appropriate apologetic stances can be developed. Religious Books, 1876-1982, 1983 Prepared by the R. R.
