Campbell Dierking, 2007 The writing reading connection means more than having your students write under the influence of literature that they have read Noted author and educator Connie Campbell Dierking shows you how to develop a literacy connected classroom including using oral storytelling to scaffold primary reading and writing She supplies more than 50 mini lessons organized by their classroom function to help you explicitly teach foundational literacy skills during writer s workshop or whole class and small group reading instruction Dierking encourages you to make the most of the writing reading connection by thinking about some basic questions when you re crafting your literacy instruction How can I connect the conversations in reading and writing workshop What can I learn about the readers in my classroom through their writing What can my students learn about reading through writing How can I teach young writers to support their readers How can I teach readers how to use a writer s supports intentionally

Reading Together, Reading Apart Tamara

Bhalla, 2016-10-17 Often thought of as a solitary activity the practice of reading can in fact encode the complex politics of community formation Engagement with literary culture represents a particularly integral facet of identity formation and expresses of a sense of belonging within the South Asian diaspora in the United States Tamara Bhalla blends a case study with literary and textual analysis to illuminate this phenomenon Her fascinating investigation considers institutions from literary reviews to the marketplace to social media and other technologies as well as traditional forms of literary discussion like book clubs and academic criticism Throughout Bhalla questions how her subjects circumstances desires and shared race and class limit the values they ascribe to reading She also examines how ideology circulating around a body of literature or a self selected imagined community of readers shapes reading itself and influences South Asians powerful if contradictory relationship with ideals of cultural authenticity
