Readings In Ecology And Feminist Theology:

Readings in Ecology and Feminist Theology Mary Heather MacKinnon, Moni McIntyre, 1995 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com **The Cambridge Companion to Feminist Theology** Susan Frank Parsons, 2002-07-04 Feminist theology is a significant movement within contemporary theology The aim of this Companion is to give an outline of feminist theology through an analysis of its overall shape and its major themes so that both its place in and its contributions to the present changing theological landscape may be discerned The two sections of the volume are designed to provide a comprehensive and critical introduction to feminist theology which is authoritative and up to date Written by some of the main figures in feminist theology as well as by younger scholars who are considering their inheritance it offers fresh insights into the nature of feminist theological work The book as a whole is intended to present a challenge for future scholarship since it critically engages with the assumptions of feminist theology and seeks to open ways for women after feminism to enter into the vocation of theology *Introducing Feminist Theology* Anne M. Clifford, 2001 Introducing Feminist Theology responds to the questions What is feminist theology and Why is it important by considering the perspectives of women from around the globe who have very diverse life experience and relationships to God Church and creation Clifford introduces the major forms of feminist theology radical reformist and reconstructionist and highlights some of their specific characteristics **Christianity and Ecological Theology** E. M. Conradie, 2006-10-01 There has been a proliferation of publications in the field of Christian ecological theology over the last three decades or so These include a number of recent edited volumes each covering a range of topics and consolidating many of the emerging insights in ecological theology The call for Christian churches to respond to the environmental crisis has been reiterated numerous times in this vast corpus of literature also in South Africa *Mother Earth, Postcolonial and Liberation Theologies* Sophia Chirongoma, Esther Mombo, 2021-08-19 Mother Earth Postcolonial and Liberation Theologies adds another contribution to the ongoing interrogation of an imminent universal crisis global warming Examining the environmental crisis from liberation postcolonial and theological lenses in Africa the continent whose people stand to bear the brunt of ecological catastrophe the contributors provide fresh perspectives that place this book at the forefront of new research being done across the African continent The volume serves as a compendium for the intersection of African spirituality cultural expression and the earth Reading with Earth Anne Elvey, 2022-08-25 Winner of the 2023 ANZATS Award for the Best Monograph by an Established Scholar Applying a re envisioned ecological feminist hermeneutics this book builds on two important responses to twentieth and twenty first century situations of ecological trauma especially the complex contexts of climate change and cross species relations first ecological feminism second ecological hermeneutics in the Earth Bible tradition By way of readings of selected biblical texts this book suggests that an ecological feminist aesthetic bringing present situation and biblical text into conversation through engagement with activism and literature principally

poetry is helpful in decolonizing ethics Such an approach is both informed by and speaks back to the new materialism in ecological criticism

Development and Justice Rajula Annie Watson, 2004 Restoring the health of the land is indispensable not only because it is the ground of our sustenance and survival but also land has in itself the inherent worth This book challenges humanity's indulgence and activities of development science and technology and insists for human responsibility and moral duties towards the land the sustaining mother earth which is abused ransacked of its wealth and ignored of its intrinsic value The study attempts to bring together perspectives and values that are important for preserving the rights of the land and proposes the contour of a land ethic

Redeeming the Time Stephen Bede Scharper, 1998-06-01 A thoughtful and interesting contribution to environmental theology literature Choice Richly informative and provocative Review for Religious Stephen Bede Scharper has added a significant new book to the growing collection of Christian ecotheological offerings an admirable job of summarizing the main strands of Christian environmental theologies and highlighting the most valuable contributions of each heartfelt There is much to celebrate in this book presents a comprehensible and accessible guide to the major varieties of what Scharper calls Christian ecological theology In this book he succeeds not just in coherently summarizing a number of the most important voices in ecotheology but also in giving us a blueprint for the changed consciousness necessary to motivate a conversion from our destructive earth damaging behavior to a more earth friendly way of living

Worldviews T&T Clark Handbook of Christian Theology and Climate Change Hilda P. Koster, Ernst M. Conradie, 2019-12-12 The T these essays are critically engaged by respondents situated in other geographic regions minority communities non Christian traditions or non theological disciplines Structured in seven main parts the handbook explores 1 the need for collaboration with disciplines outside of Christian theology to address climate change 2 the need to find common moral ground for such collaboration 3 the difficulties posed by collaborating with other Christian traditions from within 4 the questions that emerge from such collaboration for understanding the story of God's work and 5 God's identity and character 6 the implications of such collaboration for ecclesial praxis and 7 concluding reflections examining whether this volume does justice to issues of race gender class other animals religious diversity geographical divides and carbon mitigation This rich ecumenical cross cultural conversation provides a comprehensive and in depth engagement with the theological and moral challenges raised by anthropogenic climate change

Women and Christianity Cheryl A. Kirk-Duggan, Karen Jo Torjesen, 2009-12-22 This work explores the impact of Christian women as scholars and leaders representing the ethnic national racial and denominational diversity of Christianity today on all aspects of life Women and Christianity explores the experiences of women and how their daily lives interface with their spirituality and faith Beginning with a historical overview the book presents essays grouped under five broad headings women family and environment socioeconomics politics and authority body mind and spirit sex power and vulnerability and women world view and religious practice These essays focus on multiple aspects of women's experiences and contemporary Christian realities involving the

interrelatedness of faith thought and activism across many strata of global society They wrestle with the daily experiences and challenges women face integrating their lives as women of faith as they are advocates experience agency and work for mutuality It shows how in all these roles women must negotiate power injustice and the impact of sexism as they work within systemic oppression amid a patriarchal system nevertheless championing change and refusing to be severely compromised

Religion & Spirituality Stephen R. Honeygosky, 2006 I m spiritual but not religious This is a phrase that is heard more and more lately The purpose of this book and of the symposium out of which it grew is to repair the perceived dichotomy between religion and spirituality The ten contributors here believe and argue that there is more to religion than structure rules and rituals and there is more to spirituality than individualism and disconnection According to editor and contributor Stephen Honeygosky religion too often presumes spirituality and spirituality just as often dismisses religion Each camp takes to the high ground of disconnection and mutual exclusion he says but they should be meeting on the plain where real conversation and communion foster compatibility and mutual growth In fact religion and spirituality need each other alone each is incomplete The book explores how the split between religion and spirituality occurred over the past few centuries and verifies how the situation is clearly evident today especially with young adults Contributors include Richard Rohr OFM Demetrius Dumm OSB Camille DeBlasi Barbara Fiand SNDdeN Carl Arico Anthony Bosco Roberta Campbell OSB Vernon Holtz OSB Arthur Schwartz and Stephen Honeygosky Book jacket

Ecofamilism: Women, Religion, and Environmental Protection in Taiwan Wan-Li Ho, 2016 Ecofamilism proposes a new analytical framework moving beyond ecofeminism based on Western feminism and Christian theology to illuminate Taiwanese women s motivations and how they understand their role in the environmental movement Based on extensive interviews with women founders leaders and members of six non governmental often religious based organizations from 1990 2015 the work presents contemporary issues in Taiwan from the perspectives of social anthropology geography inter religious cooperation and global ethics Ecofamilism offers a new way of approaching life in contemporary Asia engaging more precisely with while authentically portraying the experiences of Taiwanese women whose gender roles are ancillary to motivations of family religion and society Its key concept of ecofamilism pairs the notions of ecology and family while drawing on Chinese religio cultural traditions of responsibility to the family to illuminate ecologically responsible positions toward society environment and all living beings

Feminist Thought Rosemarie Tong, Tina Fernandes Botts, 2024-07-19 A classic resource on feminist theory this updated sixth edition of Feminist Thought A More Comprehensive Introduction offers a clear comprehensive and incisive introduction to the major traditions of feminist theory This new edition explores in detail the wide spectrum of feminist thought from liberal feminism radical feminism Marxist and socialist feminisms women of color feminisms global postcolonial and transnational feminisms to psychoanalytic feminism care focused and maternal focused feminisms to ecofeminism existentialist poststructural and postmodern feminisms The book also includes an expanded discussion of third wave fourth

wave and fifth wave feminisms plus much new material on intersectionality LGBTQ issues gender identities sexual orientations and queer theory Learning tools like end of chapter discussion questions and an enhanced up to date bibliography make *Feminist Thought* an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates

Troubled Waters Gary Chamberlain, 2007-10-23 Water although it covers more than two thirds of the earth's surface clean potable water is in critically short supply As more and more people globally show greater interest in what their religious traditions say about our natural world *Troubled Waters Religion Ethics and the Global Water Crisis* examines the central role of water in various traditions and rituals arriving at creative new ways to approach the growing water crisis worldwide Chamberlain outlines many of the current water problems and lays out clear principles for action that engaged citizens from various traditions can undertake to meet the growing water challenges through conservation and water management policies The book describes many religious practices from around the world that help sustain and restore water by using new technologies and reviving old ones Offering creative suggestions for both personal practices and group action Chamberlain advocates conservation preservation and restoration of our troubled waters

The Preferential Option for the Poor beyond Theology Daniel G. Groody, Gustavo A. Gutiérrez, 2016-10-15 Since the 1973 publication of Gustavo Gutiérrez's groundbreaking work *A Theology of Liberation* liberation theology's central premise of the preferential option for the poor has become one of the most important yet controversial theological themes of the twentieth century As the situation for many of the world's poor worsens it becomes ever more important to ensure that the option for the poor remains not only a vibrant theological concept but also a practical framework for living out the gift and challenge of Christian faith *The Preferential Option for the Poor beyond Theology* draws on a diverse group of contributors to explore how disciplines as varied as law economics politics the environment science liberal arts film and education can help us understand putting a commitment to the option for the poor into practice The central focus of the book revolves around the question How can one live a Christian life in a world of destitution The contributors address the theological concept of the option for the poor as well as the ways it can shape our social economic political educational and environmental approaches to poverty Their creative examples serve as an inspiration to all those who are seeking to put their talents at the service of human need and the building of a more just and humane world

Explorations In Global Ethics Sumner B Twiss, 2018-03-08 Inspired by the 1993 Parliament of the World's Religions this volume for the first time brings the scholarly discipline of comparative religious ethics into constructive collaboration with the community of interreligious dialogue The contributors draw from both communities of discourse in addressing questions of method and theory and global moral issues such as human rights distributive justice politics of war international business the environment and genocide in a cross cultural context Inspired by the 1993 Parliament of the World's Religions this volume for the first time brings the scholarly discipline of comparative religious ethics into constructive collaboration with the

community of interreligious dialogue Its design is premised on two important insights First interreligious dialogue offers to comparative religious ethics a new more persuasive rationale agenda of issues and practical orientation Second comparative religious ethics offers to interreligious dialogue an arsenal of critical tools and methods which will enhance the sophistication of its practical work In this way both theory a dominant concern and strength of comparative religious ethics and praxis a dominant concern and strength of interreligious moral dialogue are joined together in mutual effort each contributing to the benefit of the other The volumes contributors share this vision of collaboration drawing explicitly from both communities of discourse in a manner that crosses disciplinary and professional boundaries to deal creatively and constructively with important methodological and global moral issue Although theory and practice cannot easily be separated in such a collaborative project for the purpose of clarity the volume is divided into two main parts The first specifically engages questions of method theory and the social role of the public intellectual the second on substantive moral themes and issues many of which were raised at the 1993 Parliament Taken together the volumes essays articulate and illustrate new ways of approaching contemporary moral concerns cross culturally yet with a rigor appropriate to our complex and pluralistic world

Celebrating Nature by Faith H. Paul Santmire, 2020-09-09 Sometimes it is helpful to take one step backward in order to take two steps forward In this insightful volume H Paul Santmire draws on his long standing and widely recognized engagement with ecological theology to propose that the traditions of the Protestant Reformation rightly read offer rich resources today for those who are struggling to move forward to respond theologically to the crisis of a planet in peril and thereby to celebrate nature by faith *Encountering Earth* Trevor George Hunsberger Bechtel, Matt Eaton, Tim Harvie, 2018-05-14 One day Matthew Eaton was walking through an impromptu animal shelter display at his local pet store when suddenly an eight month old kitten dug his claws into Eaton s flesh Eaton recognized that the eyes of this cat and the curve of his claw compelled a response analogous to those found in the writings of Buber Levinas and Derrida And not just Eaton but a whole community of theologians have found themselves in an encounter with particular places and animals that demands rich theological reflection Eaton enlisted fellow editors Harvie and Bechtel to collect the essays in this volume in which theologians listen to horses rats snakes cats dogs and the earth itself who become new theological voices demanding a response In this volume the voice of the more than human world is heard as making theology possible These essays suggest that what we say theologically represents not simply ideas of our own making subsequently superimposed onto the natural world through our own discovery but rather flow from an expressive Earth With additional contributions from Kimberly Carfore Lisa E Dahill Celia Deane Drummond Heather Eaton Nathan Kowalsky Abigail Lofte Jame Schaefer Cristina D Vanin Mark Wallace Grace Y Kao Chris Carter John Berkman Laura Hobgood **The Philosophy of Religion** Beverley Clack, Brian R. Clack, 2019-05-06 For over twenty years Beverley Clack and Brian R Clack s distinctive and thought provoking introduction to the philosophy of religion has been of enormous value to students and scholars providing an approach to the

subject that is bold and refreshingly alternative This revised and updated edition retains the accessibility which makes the book popular while furthering its distinctive argument regarding the human dimension of religion The central emphasis of the philosophy of religion the concept of God and the arguments for and against God s existence is reflected in thorough analyses while alternative approaches to traditional philosophical theism are explored The treatments of both the miraculous and immortality have been revised and expanded and the concluding chapter updates the investigation of how philosophy of religion might be conducted in an age defined by religious terrorism Clear systematic and highly critical the third edition of The Philosophy of Religion will continue to be essential reading for students and scholars of this fascinating and important subject

The Twentieth Century Gregory Baum, 1999-11-11 Many of the essays are well worth reading particularly for those with interests in recent historical theology church history and the sociology of religion Oliver D Crisp Themelios 26 1 Autumn 2001
