

SOCIAL CHANGE

Social change is defined by sociologists as alterations in the basic structures of society or a social group.

APPROACHES

Structural-functionalism

Social change should serve the best interests of society, with the goal of maintaining equilibrium and balance within the social system.

Conflict Theory

Social change happens suddenly when conflict boils over, upending the status flow.

EXAMPLE

The Industrial Revolution

The Industrial Revolution was a period of significant social and economic change marked by the widespread development of new technologies, transportation and communication systems, and the growth of factories and mass production. Urbanization, labor rights, and women's rights took center stage.

Evolutionary Theory in Social Science M.

Schmid,Franz M. Wuketits,2012-12-06 In retrospect the 19th century undoubtedly seems to be the century of evolutionism The discovery of time and therewith the experience of variability was made by many sciences not only historians worked on the elaboration and interpretation of this discovery but also physicists geographers biologists and economists demographers archaeologists and even philosophers The successful empirical foundation of evolutive processes by Darwin and his disciples suggested Herbert Spencer's vigorously pursued efforts in searching for an extensive catalogue of prime and deduced evolutionary principles that would allow to integrate the most different disciplines of natural and social sciences as well as the efforts of philosophers of ethics and epistemologists Soon it became evident however that the claim for integration anticipated by far the actual results of these different disciplines Darwin's theory suffered from the fact that in the beginning a hereditary factor which could have his theory could not be detected while the findings of genetics supported in the social sciences got lost in consequence of the completely ahistorical or biologicistic speculations of some representatives of the evolutionary research programme and common socialdarwinistic misinterpretations
