The Asianization of Christianity Jonathan D. James,2024 The Asianization of Christianity is a catalyst to change the mission landscape of Asia by making the Gospel more accessible to Hindus Buddhists Muslims Animists and others It is hoped that a new generation of mission leaders will use these culturally specific principles to build bridges from the heart of God to the heart of Asian cultures

Cross-Cultural Missional Partnership Joshua Bowman,2023-03-28 Cross cultural partnerships in today s global environment are both challenging and necessary Misunderstanding and miscommunication often lead to conflict between culturally diverse groups Christians must understand and evaluate their own culture the culture of others and the text of Scripture itself while remaining faithful to Scripture and relevant to culture Unmediated tensions combined with relational isolation lead to a myriad of problems This study proposes cross cultural missional partnership as a relationship that mediates these tensions thereby encouraging mutual faithful engagement in the mission of God Cross cultural tensions may never disappear but within a healthy partnership partners can assist one another in understanding and responding faithfully to Scripture Partners help one another more faithfully interpret and apply Scripture leading to obedience to God s will and engagement in God s mission within unique and diverse contexts
