Readings In Comparative Criminology:

Readings in Comparative Criminology Louise I. Shelley, 1981 Truly global in perspective and unique in the field of criminology this collection of essays from the scholars of many lands draws upon the talents of diverse disciplines as it seeks to form a basis for our understanding of crime in terms of the political social and economic forces that shape human behavior. Comparative criminology is the historical and cross cultural study of crime and criminal justice according to Louise I. Shelley. It analyzes the dynamics of criminality and the social response to criminality among different regions and cultures within one country and across countries and historical periods. It studies crime as a social phenomenon determined by the legal norms and customs of each society. Essays included in the first section of this anthology are: American Women and Crime, Rita J. Simon; Affluence and Adolescent Crime, Jackson Toby; Youth Crime in Post Industrial Societies, Paul C. Friday and Jerald Hage; A Comparative Study of Youth Culture and Delinquency in Upper Middle Class Canadian and Swiss Boys, Edmund W. Vaz and J. Casparis; and Homicide in 110 Nations, The Development of the Comparative Crime Data File, Dane Archer and Rosemary Gartner. Essays in the second part of the book are: Contemporary Crime in Historical Perspective, A Comparative Study of London, Stockholm and Sydney, T. R. Gurr; The Modernization of Crime in Germany and France, 1830-1913, Howard Zehr; Urbanization and Crime, The Soviet Case, in Cross Cultural Perspective, Louise I. Shelley; A Cross Cultural Study of Correlates of Crime, Margaret K. Bacon; Irvin L. Child and Herbert Barry III; The Case of August Sangret Wolf, Middendorf; Subcultures in Correctional Institutions in Poland and the United States, Maria Los and Palmer Anderson; and Crime and Delinquency Research in Selected European Countries, Eugene Doleshal.

Comparative Delinquency Clayton A. Hartjen, Sesha Kethineni, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991. The criticism centers on three aspects of the play: the love friendship debate.

Violence and Crime in Cross-national Perspective Dane Archer, Rosemary Gartner, 1987-01-01 This prize winning reference work provides data on crime in 110 nations and 44 major cities making it possible for the first time to examine the patterns and causes of violent crime on a cross national basis. In this important book Archer and Gartner take a major step toward providing and utilizing international data on crime and violence. They have assembled the best cross cultural database on criminal violence that has ever been compiled. Michael L. Radelet, Contemporary Sociology. The authors' data and superior analyses make their conclusions more compelling than earlier studies with like or contrary results. Furthermore the data set seems rich enough to yield similarly enlightening findings for other researchers. Roy L. Austin, Annals of the American Academy of Political and Social Science. Some highly significant data including whether large cities have higher homicide rates than smaller cities, the deterrent effect of the death penalty on homicide rates, the etiology of urban violence. Choice. An amazing analysis of a most wonderful series of data. Rarely has social

science been blessed by the richness of material over so much time and over so much space as are represented by this volume Marvin E Wolfgang University of Pennsylvania

Cross-National Longitudinal Research on Human Development and Criminal Behavior E. Weitekamp, Hans-Jürgen Kerner, 2012-12-06 Background In July of 1992 approximately sixty scholars and researchers met for a week at the Fritz Erler Akademie in Freudenberg Germany to participate in a workshop entitled Cross National Longitudinal Research on Human Development and Criminal Behavior The participants represented 15 nations and 45 universities and research centers Although longitudinal research in criminology has a long history this workshop represented the first one in the field of criminology in which it was attempted to get together the main scholars in this field from around the world The largest group of the workshop represented American scholars 19 a reflection of the fact that longitudinal research in criminology is predominantly conducted in North America This volume is the result of the workshop process and in particular of the invitations to participants to prepare pre or conference papers The chapters in this volume were selected from a larger set of pre or conference papers As workshop conveners and volume editors it falls to us to set some of the context for this enterprise Longitudinal research in criminology became a major approach after the publication of the landmark study by Wolfgang Figlio and Sellin *Delinquency in a Birth Cohort* in 1972 Around the same time when Wolfgang Figlio and Sellin started their Philadelphia cohort study were longitudinal studies although different in scope and aim launched by Shannon in the USA West in England Janson in Sweden and Goppinger in Germany

Comparing Prison Systems Nigel South, Robert

P. Weiss,2014-01-02 This book provides in depth original and critical analyses by leading scholars of the penal systems of 16 nations around the world focusing on changes in social structure culture and punishment since 1975 Contributors provide an international and comparative context in which to understand the impact of recent profound economic social and political changes on penal theory and practice Crime Control Digest ,1981 *Unraveling the Crime-Development Nexus* Jarrett Blaustein,Tom Chodor,Nathan W. Pino,2022-06-21 Unraveling the Crime Development Nexus interrogates the claim that crime represents a significant threat to economic development Combining historical analysis with a unique empirical perspective based on interviews with high level international crime policy insiders it accounts for how and why the crime development nexus has been invoked by international actors including the United Nations to advance and secure variations of a global capitalist development agenda since the 19th Century Drawing on perspectives anchored in critical criminology International Relations and development studies Unraveling the Crime Development Nexus reveals that the international crime policy agenda today remains overwhelmingly responsive to those who benefit from the further expansion of neoliberal globalisation while simultaneously marginalising subordinate actors throughout the developing world The book concludes by considering how international organisations civil society actors and major donors might support a more equitable and sustainable model of global crime governance that addresses the structural causes of crime and uneven development at a global level *Interpersonal Violent Behaviors* R. Barry Ruback,1995 This expanded book version of a special issue of the journal *Violence and Victims* analyzes the social and cultural factors that influence violent behaviors The editors and contributors discuss the latest findings and gaps in current research and theory in order to gain valid theoretical bases to investigate and control violent behaviors Topics include cross cultural studies of interpersonal violence gender variations in violence across societies a cross national analysis of violence by and against women and regional differences in homicide rates in the United States Researchers academics and other professionals in sociology criminology and psychology as well as students in these fields will find this book a welcome addition to their collection **International Journal of Comparative and Applied Criminal Justice** ,1992 **The Criminal Justice Periodical Index** ,1990 Handbook of Transnational Crime and Justice Philip Reichel,Jay Albanese,2013-04-29 Transnational crime and justice will characterize the 21st century in same way that traditional street crimes dominated the 20th century In the Handbook of Transnational Crime and Justice Philip Reichel and Jay Albanese bring together top scholars from around the world to offer perspectives on the laws crimes and criminal justice responses to transnational crime This concise reader friendly handbook is organized logically around four major themes the problem of transnational crime analysis of specific transnational crimes approaches to its control and regional geographical analyses Each comprehensive chapter is designed to be explored as a stand alone topic making this handbook an important textbook and reference tool for students and practitioners alike **Reflections on Methodology** Max Travers,2025-03-28 Reflections on Methodology offers a new and engaging means of teaching Honours students or

those starting a PhD in Sociology about methodological issues Instead of the usual survey approach it shows the importance of debates about methodology the value of an ethnographic approach and the challenges of applied research through a series of case studies The text offers insightful short essays on methodological issues such as critical theory interpretivism and mixed methods alongside Travers reflections on significant ethnographic projects in areas like court reform comparative criminology and immigration control The book combines methodological discussions with autobiographical elements making complex research topics accessible and grounded in real world applications The central theme and argument are that the thoughtful sociologist should seek to move from the outside to the inside of institutions and social groups and the transformative effect on understanding is illustrated through a number of ethnographic projects This is also an end of career book it employs an autobiographical narrative approach in describing how Max Travers intellectual interests developed the importance of methodological debate and the challenges of doing applied research There are also chapters that review developments in teaching and research in universities over the last thirty years This book offers resources that give variety and encourage Honours students to think critically about research Each 5 000 words chapter is self contained with an abstract provocative guide to further reading exercise and questions

Youth, Globalization, and the Law Sudhir Alladi Venkatesh, Ronald Kassimir, 2006-12-13 This book addresses the impact of globalization on the lives of youth focusing on the role of legal institutions and discourses As practices and ideas travel the globe such as the promotion and transmission of zero tolerance and retributive justice programs the near ubiquitous acceptance of the UN Convention on the Rights of the Child and the transnational migration of street gangs the legal arena is being transformed The essays in this book offer case studies and in depth analyses spanning diverse settings including courts and prisons inner city streets international human rights initiatives newspaper offices local youth organizations and the United Nations Drawing on everyday social practices each chapter adds clarity to our current understanding of the ways in which ideas and practices in different parts of the world can affect youth in one particular locale
