Readings On Communicating With Strangers:

Readings on Communicating with Strangers William B. Gudykunst, Young Yun Kim, 1992 A supplement to the core text *Communicating with Strangers* also published by McGraw Hill in 1992 this reader can be used in sociology anthropology and business courses that stress intercultural considerations Mirroring the organization and thrust of the core text the reader is built around the tenet that we each apply certain preconceptions to people who we meet for the first time that is to strangers often drawing from cultural stereotypes when meeting someone from a background different from our own *Experiential Activities for Intercultural Learning* H. Ned Seelye, 1995-12-01 The need for new approaches methods and techniques in cross cultural training and intercultural education are virtually insatiable especially for experiential activities The emphasis in this book is on activities that foster the development of intercultural awareness and cross cultural sensitivity helping learners understand some of the principal dimensions of intercultural communication cross cultural human relations and cultural diversity The selections include simulations case studies role plays critical incidents and individual and group exercises A number address relatively complex workplace issues others focus on intercultural dynamics in educational contexts Some are printed here for the first time others are culled from less accessible sources They range from basic introductory activities to those that facilitate the exploration of intercultural issues in significant depth In an introductory essay Sheila Ramsey an experienced scholar and trainer examines the nature of intercultural training and lays out a conceptual framework for assessing its effectiveness The rest of the book is made up of activities organized around six facets of intercultural contact cultural differences for beginners understanding oneself as a cultural person the intercultural perspective working across cultures cross cultural foul ups and returning home Each section opens with an introduction followed by activities Each activity includes at a minimum objectives audience materials required setting time required and procedure for facilitation Many of the activities include handouts or illustrations This book will be especially valuable for trainers and educators who want to further ground their work in a solid theoretical base and at the same time augment their resources to expand their repertoire **Communication in Japan and the United States** William B.

Gudykunst, 1993-10-05 This book is the first to provide a summary of the state of knowledge about communication in Japan and the United States Included is an overview of the major approaches used in the study of communication in these two countries an overview of the major cultural factors influencing communication a description of the sociolinguistic differences between English and Japanese an examination of Japanese American communication as a function of the cultural values learned from the two cultures and a summary of research comparing interpersonal research in Japan and the United States as well as research on intercultural communication between Japanese and North Americans The book also examines communication in organizational contexts in Japan and the United States and describes differences in mass communication between the two cultures *Intercultural Competence in Organizations* Alex Matveev, 2016-11-18 This book addresses one

of the most critical issues facing global business leaders and the multicultural workforce how to work and relate effectively in the intercultural contexts The author presents business professionals practitioners and academics with the Collaborative Intercultural Competence Model Based on solid theoretical assumptions and real intercultural experiences this model is to help professionals work more effectively across and within cultures This book expands the traditional presentation of existing knowledge by providing a unified discussion of intercultural communication and its conceptual foundations The book offers readers with a contemporary insight into the intercultural competence phenomenon and highlights the basis for its experience based inquiry assessment and development A distinctive feature of Intercultural Competence in Organizations is its comprehensive coverage of the intercultural competence framework from both communication and organizational behavior perspectives This book does not cover traditional areas of international business international management global management strategy and policy and cross cultural comparative management but focuses on theoretical foundations of intercultural competence and intercultural competence research and practice The author describes the complex nature of intercultural competence in a straightforward format which helps professionals practitioners and students to envision a variety of intercultural situations in which they may behave competently Thus the conceptual acumen of this title is to understand the premises of intercultural competence embrace its theoretical assumptions see its practical applicability and advance individual intercultural competence Featuring examples and skill development exercises this book will be appealing to professionals practitioners students academics and policy makers in the field of international business management and communication Dr Matveev challenges his readers to develop their intercultural competence so as to make themselves more effective more humane and more socially skilled in a world that increasingly involves extensive contact across various groups of people from the Foreword by Richard W Brislin University of Hawaii Dr Matveev creates an awareness of intercultural competence by exposing the reader to the theoretical concepts and practical tools Business people and academics will use this book to recognize and leverage the benefits of cultural diversity Berthold Mukuahima Director of Human Capital Ohlthaver List Group Namibia Dr Matveev reveals how intercultural competence of professional multicultural teams helps in achieving corporate competitive advantage and longevity in a challenging globalized world This book is very useful for managers scholars and students who want to elevate the efficacy of intercultural relationship in their professional and personal lives Sre ko ebron Management Board Member Sava Reinsurance Company Slovenia
