**Time Management in the Life of a Scholar (UUM Press)** Kabiru Isa Dandago, 2015-01-01. Time management is a subject that concerns everybody. Male and female, rich and poor, young and old, leaders and followers, educated and uneducated, etc. It is a challenge that has to be faced squarely by everyone who is interested in accomplishing his/her tasks within the limited time available, and this time is equally endowed. This book is specifically focused on scholars as role models for effective time management. These scholars could be at the primary school level, secondary school level, tertiary educational institutions, universities, polytechnics, colleges of education, etc., research institutes, centers, etc. It is a challenge for them to lead other time users on effective management and utilisation of time, and also to go deep into research on various aspects of time management so as to establish acceptable principles, models, and theories on the subject matter. Although the book has the scholar in mind, other users of time in the various sectors of any economy would find this book very interesting and very useful. Good time management is the key factor to achieve so much more within the 24-hour period endowed equally to mankind. Over the 24 years of his working life in the University, the author has come to realise that most scholars in the educational system and those in other levels of the educational sector are not according time management the attention it deserves. The required attentions are i) in respect of its effective management to achieve desired results, and ii) in respect of promoting it as a subject of study at various levels. This book is an attempt to address these two issues.

*The Getting Things Done Workbook* David Allen, Brandon Hall, 2019-09-03. An accessible, practical, step-by-step how-to guide that supplements *Getting Things Done* by providing the details, the how-to's, and the practices to apply GTD more fully and easily in daily life. The incredible popularity of *Getting Things Done* revealed people's need to take control of their own productivity with a system that reduces the stress of staying on top of it all. Around the world, hundreds of certified trainers and coaches are engaged full-time in teaching the process, supported by a grassroots

movement of Meetup groups LinkedIn groups Facebook groups podcasts blogs and dozens of apps based on it While Getting Things Done remains the definitive way to gain perspective over work and create the mental space for creativity and mindfulness The Getting Things Done Workbook enhances the original by providing an accessible guide to the GTD methodology in workbook form The workbook divides the process into small manageable segments to allow for easier learning and doing Each chapter identifies a challenge the reader may be facing such as being overwhelmed by too many to do lists a messy desk or email overload and explains the GTD concept to address The lessons can be learned and implemented in almost any order and whichever is adopted will provide immediate benefits This handy instructional manual will give both seasoned GTD users and newcomers alike clear action steps to take to reach a place of sustained efficiency
