**Grammar First** Ray Barker, Christine Moorcroft, 2003 The Grammar First series examines modelled text to illustrate grammatical rules The texts encourage students to apply the grammar they learn and to consolidate it in their writing across all curriculum subjects Each text is accompanied by three categories of activity Read on Write on and Over to you

*Who Said English Grammar Was Boring?* Francis A. Andrew, 2017-10-20 The world of education is full of grammar books For most teachers and students of foreign languages grammar books are generally dry and dusty and only to be consulted on a reference basis However *Who Said English Grammar Was Boring* is not your conventional grammar book Its core dynamic is based upon a conversation between the author and an English language instructor colleague Apart from being an exposition of English grammar the book also incorporates advice on teaching methodology and practice exercises for students Apart from focusing on the four key areas of language learning reading writing listening and speaking the book introduces another concept in the form of a practicum which asks the students to take turns in giving a lesson to their classmates on what they have learned It is hoped that this

book will serve to take the monotony out of grammar learning      **El-Hi Textbooks & Serials in Print, 2000** ,2000
