Ready To Help:

Resilient Susan Ledet PT ND,2016-01-08 This book is completely inspired by the Lord to aid others in their healing journeys I was very reluctant to share such personal information but the Holy Spirit made it clear this book was not just for my personal need but for the needs of so many looking for healing This book contains personal journal entries of my healing story and answers to healing that may not be found anywhere else We often look for healing through doctors diagnostic tests or other typical resources made available when we are desperate for answers which can be what we need but not in every situation Gods timing is perfect and you must be reading this for a reason so I pray this will be a guide to the answers you are searching for God is good and He is our greatest physician He promises to never forsake or abandon us and He does have an answer for you I hope you will find it here **Celebrating Me and My World** Debora C.
