Real Estates Confronts Reality:

Real Estate Confronts Reality Tom Dooley, 1998 Consolidation Consumerism Each in its turn has rocked the real estate industry in the 1990s What will come next and how will it affect your business Real Estate Confronts Reality asks these questions and more What is the future for the National Association of Realtors Will the mortgage banking industry seize control of the real estate transaction What will be the ultimate impact of HFS s emergence in the real estate industry Will consumers continue to use real estate professionals or will FSBOs be the wave of the future To find out the answers to these questions read Real Estate Confronts Reality *Confronting Reality* Larry Bossidy, Ram Charan, 2004-10-19 Confronting Reality will change the way you think about and run your business It is the first book that shows how to connect the big picture of the new era of business with the nitty gritty of what to do about it Through a completely new way to understand and use the business model as the primary tool for confronting reality a breakthrough that will become the management innovation of this decade you ll know sooner rather than later whether your fundamental business premise is under assault where your best opportunities lie what you should change and what you should leave alone and how to realistically plan the future of your business The fundamentals of how a business makes money are being rapidly and permanently altered by sweeping structural changes With their extraordinary depth and breadth of experience Larry Bossidy and Ram Charan are the ideal guides for everyone entrepreneur mid level manager or CEO about what is to be done so you can get things right in this challenging radically changed world They start by showing you how to understand the most fundamental element of any business whether you can realistically make the money you hope to in the game you re playing Bossidy and Charan show how to use the business model to develop a robust reality based process for thinking about the specifics of your business in a holistic way They show how to tie together the financial targets you must meet the external realities you face and internal activities such as strategy development operating tactics and selection and development of people Through the lens of the business model as well as the skillful use of initiatives and development of people with the right leadership characteristics you ll see how Robert Nardelli at Home Depot Jim McNerney at 3M Dick Harrington at the Thomson Corporation Michael Wisbrun at KLM Joseph Tucci at EMC and John Chambers at Cisco confronted reality Whether they faced crisis or opportunity all made the right kinds of changes through a combination of business savvy the art of understanding the fundamentals driving a business and business model thinking T3 Risk Guide Stefan J.
