# Real Aa Beyond The Myth Of 12step Recovery

**Marc Galanter, Lee Anne Kaskutas**

## **Real Aa Beyond The Myth Of 12step Recovery:**

*The Real AA* Ken Ragge, 1998 The Real AA is the result of Ken Ragge's journey through AA and its for-profit institutional variants. The book covers virtually all aspects of AA and the traditional treatment system, the disease theory of alcohol abuse, AA's origins and development, AA's ideology and indoctrination process, and AA's institutional forms. An invaluable resource to alcohol abusers, their friends, and their families.

*The Quest for the Inner Human* Steven H. Propp, 2013-12-03 Psychology means the study of the soul; it is the social science concerned with investigating who we are, why we have certain feelings, and why we do the things we do. Are we no more than a vast assembly of nerve cells and their associated molecules? Is biology our genetic inheritance, destiny, or does social upbringing play a crucial role? What are the roles played by Nature and by Nurture? Are we purely physical beings, or is there an aspect that can be called spiritual? This thought-provoking novel takes you on a journey of intellectual and emotional exploration, considering along the way questions that we've all asked ourselves, such as: Is it true that we only use 10% of our brains? Does playing classical music for infants increase their intelligence? Do crime rates go up during a full moon? Can hypnosis or post-hypnotic suggestions make us do something we wouldn't normally do? Does subliminal advertising influence us to buy products? Are our memories stored indelibly, almost like a tape recorder? What causes memory lapses as we age? Can repressed traumatic memories be recovered through hypnosis? Do some people have multiple personalities? How can I tell if someone has a neurosis or a psychosis? Do men have an inner feminine side, and women an inner masculine? Are there innate psychological differences between males and females? The four main characters in this book will guide you through a diverse and sometimes bewildering world of differing approaches to answering such questions, such as Freudian, Jungian, and Adlerian, Humanistic, Existential, and Transpersonal, as well as Cognitive, Emotive, and Behaviorist. Along the way, you will learn about the developmental stages proposed by psychologists such as Erikson, Kohlberg, Piaget, and Fowler, and even explore some of the questions currently being asked by both neuroscientists and philosophers of the mind. Start reading to begin your study of our innermost selves.

Why Early A.A. Succeeded Dick B, 2011-07-26 Early AAs studied the Bible, took their basic recovery ideas from the Bible, and stressed reading it. They called it the Good Book. The Good Book was read at the beginning of almost every pioneer meeting. It was read at the Quiet Times held each morning at the home of Dr. Bob and Anne Smith for AAs and their families. It was the subject of almost every book, article, and devotion they used in their own Quiet Times. Bill W. later wrote Rev. Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements. Well, and good. We know early AAs did study Jesus' Sermon on the Mount, Matthew 5 to 7, 1 Corinthians 13, the Book of James, Psalms 23 and 91, and many other verses and chapters cited in the Christian literature they circulated. But what precisely did they study and borrow? Where do you begin today if you wish to adopt their highly successful practice? Just which portions will bring the power, peace, joy, liberty, forgiveness, healing, and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator? How do you begin if you

are in AA or another 12 Step program and want to understand the program by using the Good Book in the way AA's founders and pioneers did. Author Dick B has spent 21 years researching the biblical roots and sources of early AA's program. He has published 42 titles on the subject. And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as AA Al Anon and the many other 12 Step groups. The four books including this very title are: 1 The Good Book and The Big Book AA's Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early AA 3 By the Power of God A Guide to Early AA Groups 4 Why Early AA Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers. We recommend you obtain and use all four as a set. This particular title has the much requested, much needed and highly useful guides for AAs and other self help people in today's recovery arena. The power and deliverance and love of the Creator are available today. They have simply been obscured by New Age language on spirituality, higher powers, any god and just plain idols that abound in today's room talk and literature. There are plenty of books on Bible study. There is none that addresses early AA's own endorsements of Bible study, its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself. This is a how to book. It doesn't tell you what to believe, how to believe or what to join. It does tell you how to read the Bible, understand early AA ideas and victories founded on the Bible and put the whole deliverance picture together for yourself. The set of four books will point up four different areas of need and the solutions. First, what is the evidence in AA of Bible ideas and language? The Good Book and The Big Book. Second, what is the meaning of real meditation and Quiet Time as they were practiced? Good Morning. Third, how did they and can you today accomplish coordinating recovery ideas with God's own ideas in groups? By the Power of God. Finally, in this title, just what can you look for and use in the Bible now? Why Early AA Succeeded. Treat yourself to the facts. You will no longer find them in Twelve Step Recovery or Therapy writings. Yet they were the heart of early AA's Program and successes.

### **Recovery Monographs**

**Volume II** William White, 2015-11-06. The addictions treatment field is reaching a tipping point that is revolutionizing the ways that behavioral health leaders think about people with alcohol and other drug problems and how services and systems are developed. Recovery Management: Recovery Oriented Systems of Care contains six monographs by renowned recovery advocate William L. White and colleagues. These monographs provide insight and analysis of the topics important to today's addiction counselors and recovery coaches: recovery oriented systems of care, recovery management, peer based recovery services and treating addiction as a chronic condition that requires ongoing management. *How to Change Your Drinking* Kenneth Anderson, 2010-06-22. For those who want to moderate control or eliminate alcohol drinking and for whom the standard 12 step approach of AA does not work. Supports goals of safer drinking, reduced drinking or quitting.

**Misunderstanding Addiction** Micheal M. Pop M. ED., 2010-07. If one tries to imagine the amounts of money that have been spent by federal and state governments coupled with what has been spent by private citizens in battling substance

abuse over the last thirty years it would amount to an almost unimaginable figure There have been many books written that offer criticism regarding the traditional twelve step treatment approaches to addiction The problem has been that most of these efforts have failed to offer a viable alternative to traditional treatment Those that have attempted to do so have merely suggested that singular treatment strategies such as Cognitive Behavioral Therapy Psychodynamic Therapy Gestalt Therapy etc should be implemented in conjunction with traditional treatment Misunderstanding Addiction outlines a more holistic treatment method that can be implemented in a variety of environmental contexts that do not require patients to be institutionalized for them to be effective Misunderstanding Addiction has the potential to radically alter the way that addictions are treated in this country At a time when healthcare is foremost in the thoughts of our nation's citizens Misunderstanding Addiction offers a timely and important look at how addiction treatment should be undertaken now and in the future to ensure an effective outcome for the patient **Alcoholics Anonymous** Charles Bufe,1997-12-01 This well researched painstakingly documented book provides detailed information on the right wing evangelical organization Oxford Group Movement that gave birth to AA the relation of AA and its program to the Oxford Group Movement AA's similarities to and differences from religious cults AA's remarkable ineffectiveness and the alternatives to AA The greatly expanded second edition includes a new chapter on AA's relationship to the treatment industry and AA's remarkable influence in the media

**Responding to the Oppression of Addiction, Fourth Edition** Rick Csiernik,William Rowe,Gabriela Novotna,2023-02-07 Responding to the Oppression of Addiction brings together the voices of over 40 academics and social work practitioners from across Canada to provide a diverse and multidimensional perspective to the study of addiction This thoroughly updated edition features eight new chapters and streamlines the content of the previous editions with chapters condensed and combined to create a more accessible text The fourth edition features new content on themes such as residential schools prevention initiatives special needs of different populations policy perspectives framed within an anti oppression standpoint cognitive behavioral therapy and the emerging topic of problem gambling Returning chapters have been updated with contributors providing more in depth examinations of trauma informed approaches The entire volume has a strengthened anti oppressive framework on both an overarching and by chapter level This celebrated and varied collection is an indispensable resource for upper level students graduate students and practitioners working in the fields of social work addictions studies and the helping professions **FEATURES** Thoroughly updated chapter by chapter content grounded in an anti oppressive framework with deeper exploration of trauma informed approaches Provides an authoritative analysis of the practices and policies that contribute to the construction of the meaning of addiction through a Canadian lens **Henrietta B. Seiberling** Dick B.,2006 Dick B is an active recovered member of the fellowship of Alcoholics Anonymous He is a writer historian Bible student Retired attorney and Recovered AA who has sponsored more than 100 men in their recovery The author has devoted 16 years of his life to researching the Biblical history and roots of Alcoholics Anonymous and has

published 26 titles 120 articles and over 20 audio talks on the subject He is the leading A A history scholar and historian

**Narratives of Addiction** Kevin McCarron,2022-01-03 Narratives of Addiction Savage Usury is the first book to argue in the face of more than a century s received wisdom that drug addiction and alcoholism are undoubtedly evidence of individual moral flaws However the sense of morality that underlies this book is completely severed from Christianity Instead it is influenced in particular by the writings of the nineteenth century German philosophers Arthur Schopenhauer and Frederick Nietzsche both of whom insisted that a genuine morality was actually incompatible with Christianity The sequence of chapters moves from addictions on the streets into rehab clinics and finally into the meetings of Alcoholics Anonymous and Narcotics Anonymous This is the first book to argue that the search for pleasure drives alcoholism and drug addiction and not the numbing of pain Throughout the book I reject the claims of the medical profession as embodied by the American Medical Association that drug addiction and alcoholism are diseases and further argue that they do not have the authority to tell hundreds of millions of Americans that addiction is not a moral failing I also query throughout the book the claims of neuroscience psychology and the social sciences that addictions to alcohol and drugs are attributable to causes that their specific disciplines are best suited to understand I argue that there is nothing complex about addiction it is a simple behavioural disorder The language routinely employed to discuss addiction is similarly not complex just confused and so it is also the rhetoric of addiction discourse especially its use of simile metaphor and euphemism that this book evaluates

*Overcoming Your Alcohol, Drug & Recovery Habits* James DeSena,2002-09-01 Recognizing that an addiction to 12 step programs can be just as dangerous as an addiction to alcohol or drugs this book provides techniques to counter the self defeating beliefs that lead to addiction It enables those who have gone through Alcoholics Anonymous Narcotics Anonymous and formal 12 step addiction treatments to overcome the self destructive beliefs and attitudes that these programs promote These include the idea that addicts and alcoholics are powerless the belief that addiction is an incurable disease the assertion that people who slip inevitably lose control and the notion that those who reject the 12 step approach are doomed Devoted to helping individuals indoctrinated in 12 step dogma recognize their destructiveness this book provides effective psychological techniques to vanquish negative thinking and help individuals regain control of their lives Research on Alcoholics

Anonymous and Spirituality in Addiction Recovery Marc Galanter, Lee Anne Kaskutas,2008-12-05 It was once taken for granted that peer assisted groups such as Alcoholics Anonymous had no real value in recovery from addiction More recently evidence based medicine is recognizing a spiritual component in healing especially when it comes to addiction The newest edition of Recent Developments in Alcoholism reflects this change by focusing on the 12 step model of recovery as well as mindfulness meditation and other spiritually oriented activity More than thirty contributors bring together historical background research findings and clinical wisdom to analyze the compatibility of professional treatment and nonprofessional support day to day concepts of relapse prevention the value of community building in recovery and much more Among the

topics covered 1 How and why 12 step groups work 2 The impact of the spiritual on mainstream treatment 3 The impact of AA on other nonprofessional recovery programs 4 AA outcomes for special populations 5 Facilitating involvement in 12 step programs 6 Methods for measuring religiousness and spirituality in alcohol research Whether one is referring clients to 12 step programs or seeking to better understand the process this is a unique resource for clinicians and social workers Developmental psychologists too will find Volume 18 Research on Alcoholics Anonymous and Spirituality in Addiction Recovery a worthy successor to the series

*Cured* Dick B.,2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored

**God and Alcoholism** Dick B.,2002 This book traces A A s real Bible based pioneer program It highlights the early view that relief from alcoholism and addictions can be obtained and a cure received by turning to God The author discloses his own recovery and deliverance within the rooms of A A and applauds the great and unique role of the society during the 20th Century

**Alternative Publishers of Books in North America** Byron Anderson,2006 This directory is a unique reference tool that gathers information on significant alternative presses 126 U S presses 19 Canadian and 18 international presses having either a North American address or distributor Thirty three presses are new to this edition

**Holy Waters** Ryan Lemasters,Stephen Covell,2024-07-10 This edited volume brings together scholars from across disciplines to examine the relationship between religion and alcohol It examines the historical social ritual economic political and cultural relationship between religion and alcohol across time periods and around the world Twelve chapters are tied together by two major themes first gender identity and its intersection with religion and alcohol second identity construction in religious communities demonstrating how alcohol can be used as a distinguishing factor for religious ethnic and national identity A key focus of the volume is how alcohol can bridge and divide the point at which the sacred and secular meet With its interdisciplinary approach and engaging style this book is an essential resource for undergraduate and graduate students in religion departments and appeals to scholars of material culture food and alcohol Additionally the book is of interest to professionals in the alcohol industry particularly those involved in microbrewing and winemaking who are interested in understanding the historical and cultural contexts of their craft

*12-step Horror Stories* Rebecca Fransway,2000 Since leaving Alcoholics Anonymous after 17 wasted years Fransway has devoted herself to exposing horrifying first person accounts of physical sexual and emotional abuse in 12 step programs

**AA Not the Only Way** Melanie Solomon,2008 A discussion of alternative resources for addiction treatment including a comprehensive directory of licensed professionals and treatment programs

**RESOLVE** Richard Bolstad,2002-03-21 The RESOLVE framework provides structure to NLP s brief therapy approach to personal change Wonderfully clear and easy to follow for all therapists wishing to help clients make fundamental life changes quickly and

effectively A must read for any professional trainer or psychotherapist L Michael Hall PhD Cognitive behavioural psychologist author and international trainer     **A History of Addiction & Recovery in the United States** Michael Lemanski,2001 The American 12 step addictions treatment system is a mess It s hideously expensive 10 billion a year and almost utterly ineffective Despite treating tens of millions of Americans it has done essentially nothing to lower the rate of alcohol and drug abuse in this country This book traces our current addictions treatment system from its beginnings to the present day and explains how and why it developed in the way that it did But A History of Addiction and Recovery in the United States goes beyond this and provides practical information on the effectiveness of a wide variety of treatment and self help approaches Because of the ineffectiveness of the dominant treatment approaches and self help groups individuals looking for assistance in dealing with addictions problems would be well advised to explore alternative treatment and recovery options This book will provide the reader with invaluable help in that exploration

## **Real Aa Beyond The Myth Of 12step Recovery Introduction**

Real Aa Beyond The Myth Of 12step Recovery Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Real Aa Beyond The Myth Of 12step Recovery Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Real Aa Beyond The Myth Of 12step Recovery : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Real Aa Beyond The Myth Of 12step Recovery : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Real Aa Beyond The Myth Of 12step Recovery Offers a diverse range of free eBooks across various genres. Real Aa Beyond The Myth Of 12step Recovery Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Real Aa Beyond The Myth Of 12step Recovery Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Real Aa Beyond The Myth Of 12step Recovery, especially related to Real Aa Beyond The Myth Of 12step Recovery, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Real Aa Beyond The Myth Of 12step Recovery, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Real Aa Beyond The Myth Of 12step Recovery books or magazines might include. Look for these in online stores or libraries. Remember that while Real Aa Beyond The Myth Of 12step Recovery, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Real Aa Beyond The Myth Of 12step Recovery eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Real Aa Beyond The Myth Of 12step Recovery full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Real Aa Beyond The Myth Of 12step Recovery eBooks, including some popular titles.

## **FAQs About Real Aa Beyond The Myth Of 12step Recovery Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Real Aa Beyond The Myth Of 12step Recovery is one of the best book in our library for free trial. We provide copy of Real Aa Beyond The Myth Of 12step Recovery in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Real Aa Beyond The Myth Of 12step Recovery. Where to download Real Aa Beyond The Myth Of 12step Recovery online for free? Are you looking for Real Aa Beyond The Myth Of 12step Recovery PDF? This is definitely going to save you time and cash in something you should think about.
