Actress keen to star in new movie

Pastor prepares for her 'memorable' role

STAR ON THE RISE: Pastor is chasing her dream career in show business and is excited for her next project.

COMMUNITY

TOP ACTRESS

NICOLE Pastor has been a waitress, maid, therapy patient and more - and she wouldn't have it any other way.

The Berlin actress loves being herself in characters and has more a young age. The 20-year-old will soon star in *Maria and Jose*, a coming-of-age drama from first-time director José Luis. She said she was thrilled to be involved with the project, and hoped it would be the job that would really help her launch her career.

"I'm hoping that this is the role that will really show people what I have to offer," Ms Pastor said.

"I play Nikki, a 19-year-old free spirit type of woman, who is a single mom and struggles with drug addiction problems."

ON SCREEN: A still of Nicole Pastor in her new web series *Therapy Life*, directed by Kacey Baker.

"It's a small but memorable role, something like Margot Robbie in *Once Upon a Time in Hollywood*."

"This is a very character-driven movie. It's about to go into production."

Ms Pastor's previous work has seen her perform background and extra roles in Australian productions like *Home and Away*, *Just King*

and *Love Child*, and she was also Jessica Martin's stand-in for the Carlton TV movie.

She's been acting for 10 years, and one of her highlights so far was a small role in the Aussie feature *She Not Suitable for Children*, starring Tina Turner's Ryan Reynolds and *Succession* actress Sarah Snook.

Ms Pastor was also cast

ed to have the opportunity to play a real-life musician (Samantha Bachman) in the international series *Dead to Weight*.

A number of her recent projects saw her star as a lead in the dark comedy web series *Therapy Life*, which deals with mental health issues.

Ms Pastor said she caught the acting bug from a young age, but didn't really recognise it for what it was at the time.

"I remember I would love to run around the backyard and pretend I was Anna Warner Powers," she said.

"Then, I'd watch *Lupin* and decide I was going to be a lawyer. It wasn't until later that I realised I could do all of those things and more if I was an actress."

Pastor is encouraging all creative locals to chase their dreams and refuse to back down.

Real Feature Writing

Mark Conrad

Real Feature Writing:

Real Feature Writing Abraham Aamidor, 1999-04-01 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company Real Feature Writing Abraham Aamidor, 2014-04-08 Real Feature Writing emphasizes story shape and structure by illustrating several distinct types of feature and non fiction stories all drawn from the real world Author Abraham Aamidor presents a collection of distinct non deadline story types profile trend focus advocacy and more providing an introduction to each story type a full text example a critical analysis of the example and clear directions for producing similar stories In this second edition Aamidor and his guest contributors all with real world journalistic experience demonstrate in clear honest language how to write features New for this edition are updated examples of feature writing integrated throughout the text a chapter on ethical journalism which takes a critical look at propaganda a chapter on international perspectives including coverage of issues in the Middle East chapters on research freelancing content editing copyediting and literary journalism This text is appropriate for upper level journalism students and will be a valuable resource for freelance writers and young working journalists needing guidance on writing features *Professional Feature Writing* Bruce Garrison, 2010 This text offers the basics of news media feature writing and guides motivated beginners down the right path toward success as professional feature writers It looks at newspaper magazine newsletter and online publications with emphasis on daily newspapers and consumer magazines Feature Writing for Journalists Sharon Wheeler, 2019-07-16 Feature Writing for Journalists considers both newspapers and magazines and helps the new or aspiring journalist to become a successful feature writer Using examples from a wide range of papers specialist and trade magazines and alternative publications Sharon Wheeler considers the different types of material that come under the term feature including human interest pieces restaurant reviews and advice columns With relevant case studies as well as interviews with practitioners Feature Writing for Journalists is exactly what you need to understand and create exciting and informative features Feature Writing N. MEERA RAGHAVENDRA RAO, 2012-09-12 If we ask the lay readers why they read newspapers the obvious answer would be to get news However what keeps the newspaper endearing and in a way enduring are the longer stories about people behind the news about the humorous everyday experiences we all have or the closer look at someone and the unexpected surprises we get in the process In short we call these features In this substantially revised book on Feature Writing the author with her vast experience discusses various aspects of Feature Writing She focuses on different types of features found in newspapers Humour and Satire Brights Human Interest Features Travel Features and News Features and illustrates each of these In addition she provides a detailed description of Profiles Interviews and Online Features with examples and gives a clear analysis of Feature Writing Techniques Intended as a text for students offering courses in Journalism this book would also be extremely useful for freelance writers and anyone who has a flair for writing What is New to THE SECOND Edition Includes two new chapters on Obituary and Tribute and Sports and new sections such

as Blogs and Professionalism in Journalism Provides more illustrations culled from recent newspapers Gives explanatory notes on some key words used in the book and a section on Vocabulary What the Reviewers Say In this delightful book on FW Feature Writing Meera Raghavendra Rao brings home to us that writing a story or a novel is one way of discovering sequence in experience of stumbling upon cause and effect in the happenings of a writer's own life In my view Meera Raghavendra Rao's book on FW is an exceptionally good and useful book not only for all students of Journalism but also for all writers interested in FW V Sundaram News Today The author has used instances from her career spanning more than two decades to illustrate various situations in this book Deccan Chronicle The book is a rather exhaustive guide on ways to tell a feature story Among the other pluses is the Indianness permeating the book most sample articles are home brewed The Hindu Metroplus Weekend

Creativity and Feature Writing Ellie Levenson, 2015-06-19 Creativity and Feature Writing explores how to generate ideas in feature writing Using clear explanations examples and exercises experienced feature writer and teacher Ellie Levenson highlights how feature writers editors and bloggers can generate ideas and how to turn these into published paid for articles A variety of approaches to idea generation are explored including getting feature ideas from objects your own life and the lives of others the news and non news articles including books leaflets the internet and any other printed matter press releases and from direct contact with charities and press officers new people new places and new experiences The book draws on a range of tips from practicing journalists and editors and displays case studies of example features to chart ideas from conception to publication

Feature Writing Susan Pape, Sue Featherstone, 2006-03-14 This book provides a practical and richly informative introduction to feature writing and the broader context in which features journalists operate As well as covering the key elements and distinctive features that constitute good feature writing the book also offers a rich resource of real life examples case studies and exercises The authors have drawn on their considerable shared experience to provide a solid and engaging grounding in the principles and practice of feature writing The textbook will explore the possibilities of feature writing including essential basics such as Why journalists become feature writers The difference between news stories and features What features need to contain How to write features The different types of features The text is intended for both those who are studying the media at degree level and those who are wishing to embark on a career in the print industry It will be invaluable for trainee feature writers

MediaWriting W. Richard Whitaker, Ronald D. Smith, Janet E.
