McDonald, 1973 General study of Yugoslavia covers the historical setting geographical aspects the social structure and living conditions ethnic groups the political system and the economic structure culture and education agriculture industry trade foreign policy and defence etc Bibliography pp 553 to 630 glossary maps and statistical tables      Bibliography of Sources on the Region of Former Yugoslavia Volume III Rusko Matuli?, 1998      Yugoslav Facts and Views , 1974      **Yugoslav Workers' Selfmanagement** M.J. Broekmeyer, 2012-12-06 This book contains the Proceedings of a Conference held on 7 9 January 1970 in Amsterdam on the problems and perspectives of Yugoslav workers self management The Yugoslav writers were selected according to the criteria that they are competent in their field and that they have different viewpoints in their assessment of the system We hope that the threefold purpose of this book will be attained namely to provide a clearer insight for the Western reader into the Yugoslav system secondly to confront Yugoslav society with the questions asked and the criticism voiced here with regard to the practice of workers selfmanagement and lastly to pay a modest tribute to the 20th anniversary of Yugoslav workers self management To be sure the range of subjects treated in Amsterdam might seem to be rather wide but one should bear in mind that this was unavoidable in the first large scale confrontation of two different social systems outside Yugoslavia Although the language used in this book may not always correspond with the official standards we trust that the published texts will be easily readable for the benevolent reader      **The New Yugoslav Woman** Branka Bogdan, 2025-09-30 From 1945 to 1989 the Yugoslav state connected its claims of progressive politics and gender equality to its support of free healthcare sex education and contraception and laws that supported reproductive choice Yugoslav men and women internalized these messages proclaiming their homeland's superior care for its citizens in comparison to postwar Europe and the United States Even as Yugoslav women faced stigma and abuse for their usage of contraceptives and medical practitioners grappled with new regulations and technology alongside personal ideologies Yugoslavs celebrated their own reformation into new politically minded citizens who carefully navigated tradition and modernity as they reconstructed the nation The New Yugoslav Woman provides a social and cultural history of how Yugoslav communists used reproductive regulation to build a platform of socialism through self management and to position the country as a conduit between the global North and South Author Branka Bogdan traces reproduction as a central facet of socialist Yugoslavia's state formation through the nation's laws medical infrastructure technological growth and state run sex education programs Bringing this history to the present day with a discussion of more than two dozen interviews with Yugoslav patients and medical

professionals Bogdan reveals how these recollections show key continuities with the past rather than an abrupt break between the socialist and post socialist worlds Drawing Yugoslavian women s experiences into the geopolitical history of reproduction and the Cold War era state The New Yugoslav Woman reveals the centrality of reproduction contraception and abortion to socialist Yugoslavia s self conception as the developed leader of the developing world **The Real Guide** Martin Dunford,Jack Holland,1990 **Requiem for Yugoslavia** Borka Tomljenović,1996 The Mini Rough Guide to Belgrade (Travel Guide eBook) Rough Guides,2022-10-01 This pocket sized guide is a convenient quick reference companion to discovering what to do what to see and how to get around Belgrade It covers top attractions like Kalemegdan Fortress the Museum of Yugoslavia and the Royal Palaces at Dedinje as well as hidden gems including Cetinjska This will save you time and enhance your exploration of this fascinating city This Mini Rough Guide to Belgrade covers Old Town Knez Mihailova and Studentski Trg Belgrade s Montmartre Trg Republike Dorcol Skadarlija The wider city centre Vracar Savamala The southern outskirts Dedinje New Belgrade and Zemun Ada Ciganlija In this travel guide you will find RECOMMENDATIONS FOR EVERY TYPE OF TRAVELLER Experiences selected for every kind of trip to Belgrade from cultural explorations in Belgrade Old Town to family activities in child friendly places like the Kalemegdan Fortress complex and Belgrade Zoo or chilled out breaks in popular tourist areas like Belgrade s Montmartre TOP TEN ATTRACTIONS Covers the destination s top ten attractions not to miss including the Museum of Yugoslavia the Royal Compound Topcider Park and the Church of St Sava and a Perfect Day itinerary suggestions COMPACT FORMAT Compact concise and packed with essential information with a sharp design and colour coded sections this is the perfect on the move companion when you re exploring Belgrade HISTORICAL AND CULTURAL INSIGHTS Includes an insightful overview of landscape history and culture WHAT TO DO Detailed description of entertainment shopping nightlife festivals and events and children s activities PRACTICAL MAPS Handy colour maps on the inside cover flaps will help you find your way around Belgrade PRACTICAL TRAVEL INFORMATION Practical information on eating out including a handy glossary and detailed restaurant listings as well as a comprehensive A Z of travel tips on everything from getting around to health and tourist information STRIKING PICTURES Inspirational colour photography throughout **Yugoslav News Bulletin** ,1985 The Rough Guide to Europe on a Budget Rough Guides,2012-05-17 The Rough Guide to Europe on a Budget is the ultimate guide to exploring this fascinating continent on a shoestring with coverage of all the top sights the clearest mapping of any guide and handy hints on how to save money Discover the highlights of Europe from the vibrant capitals of London Paris and Rome to the great outdoors whether skiing in the Alps hiking in the Tatras or surfing on the Portuguese coast Read about Europe s great attractions from the Sistine Chapel in Rome to the Aya Sofia in Istanbul And with coverage of four new countries Montenegro Albania Macedonia and Bosnia Herzegovina The Rough Guide to Europe on a Budget is more comprehensive than ever before Find practical advice on travelling around Europe whether by InterRail Eurail or bus and what to see and do in each country With

as the dominant world power public discourses were imbued with a cultural pessimism and rising social anxiety Through this study Samuel Foster explores how this changing domestic climate shaped perceptions of other cultures and Britain's relationship to them focusing on those Balkan territories that formed the first Yugoslavia from 1918 to 1941 Yugoslavia in the British Imagination examines these connections and demonstrates how the popular image of the region's peasantry evolved from that of foreign Other to historical victim suffering at the hand of modernity's worst excesses and symbolizing Britain's perceived decline This coincided with an emerging moralistic sense of British identity that manifested during the First World War Consequently Yugoslavia was legitimized as the solution to peasant victimization and as Foster's nuanced analysis reveals enabling Britain's imagined and self-promoted revival as civilization's moral arbiter Drawing on a range of previously unexplored archival sources this compelling transnational analysis is an important contribution to the study of British social history and the nature of statehood in the modern Balkans **Quarterly Economic Review of Yugoslavia**, 1980

Economic Adjustment and Reform in Eastern Europe and the Soviet Union Franklyn D. Holzman, 1988 Economic reform structural adjustment macroeconomic stabilization and participation in the world economy are interconnected aspects of the same issue the long term economic viability of centrally planned economies in the rapidly changing economic environment of the modern world Any economic strategy that focuses on only one or two of these aspects at the expense of the others is likely to fail yet even strategies that build on all of these bases may well fail unless political leaders can muster exceptional skill garner international support and enjoy some good luck The contributions to this volume reflect the recent research on this issue by various specialists on the economies of the Soviet Union and Eastern Europe Each author emphasizes macroeconomic stabilization structural adjustment participation in the larger world economy or economic reform *The Holocaust: A Guide to Europe's Sites, Memorials and Museums* Rosie Whitehouse, 2024-10-04 New from Bradt is *The Holocaust Europe's Sites Museums and Memorials* a unique travel guidebook to European locations that tell the story of the greatest crime ever perpetrated the Nazi genocide of 6 million Jews and other persecuted groups In recent years countries once reluctant to delve into the dark corners of their past have begun to document the history of the Holocaust and its aftermath Europe has many new ground-breaking museums and memorials that tell us as much about the present as they do the past Chapters are dedicated to each country or region occupied by Nazi Germany plus nations like the UK and neutral Sweden which played a vital role both before and after the Holocaust Organised around city hubs in each country this Bradt guide helps visitors explore numerous destinations whether infamous well-known or comparatively unexpected This is much much more than a guide to notorious sites such as Auschwitz Birkenau Buchenwald or Dachau You can take a walking tour in Vienna to view the new wall of names Or visit the Memorial des Martyrs de la Deportation in Paris Anne Frank House in Amsterdam or the Jewish Museum in Ferrara And you can learn how babies were smuggled out of the Kovno ghetto in potato sacks in Lithuania or read about Bavaria's Kloster Indersdorf a remarkable children's home that cared for survivors Written

by a journalist and travel writer specialising in Jewish history Bradt's *The Holocaust Europe's Sites Museums and Memorials* provides the traveller with not only a list of must see sites in each country but also a comprehensive list of organisations that run tours commemorations and volunteer schemes Suggestions of where to eat and stay including Kosher restaurants and hotels ease the traveller's way as do descriptions of local Jewish organisations and tips on how to pace potentially difficult journeys into Europe's dark past Bradt's *The Holocaust Europe's Sites Museums and Memorials* is the first comprehensive travel guide to the genocide and the first to help the traveller understand the Holocaust by seeing the places where it unfurled

**Legitimacy in International Relations and the Rise and Fall of Yugoslavia** John Williams, 2016-07-27 This book develops a conceptual model of legitimacy as a value judgement in international relations in contrast to Weberian and legal approaches The model is based on the interaction of the states systemic value of order with a liberal ideal of the state and a free market liberal international economy Whilst formulated as a principally Western model the analysis of the rise and fall of Yugoslavia and the international response points towards a wider applicability as well as confirming the value of the concept as an analytical tool
