Without Relapse Justine Chinoperekweyi, 2017-09-12 Most people are living an unfortunate shoddy superficial life with no sense of direction no sense of purpose no hope for integrated living no meaningful relationships but merely dragging through life on autopilot mode and accumulating worldly experiences and artifacts What can one do to create an exceptional life An exceptional life is not something that happens by accident it has to be created In this transformative new book Justine Chinoperekweyi shows that the journey to exceptionality is a creative intelligent and self powered wheel There are certain key ingredients needed by any human being who is seeking perfection Exceptionality Without Relapse is about those who want to excel in all areas of life by enhancing perception and intelligence The book helps readers to think from different perspectives and bring about an integrated comprehension of life The book suggests pathways and principles through which people can transition from insufficiency to a point where they seek opportunities Hence in order to live a meaningful life one should be able to recognize his/her greatness This would help them become exceptional Supplement Sampler Ann Turnbull Staff, 2003-08
