Wildest Dreams Sarah Duff,2025-09-12 Our world is a turbulent and uncertain place and many of us are seeking answers but reading all the self help books and going on the many retreats in an attempt to find inner peace doesn t always give us what we are seeking If this sounds like something you have been struggling with then know you are not alone My journey has had its ups downs and a whole lot in between and sometimes all we truly need is someone to explain their experiences to help us navigate our own path I won t pretend I am morally perfect I am a sinner in a broken world Where I have been exposed to darkness I have used my own inner light to battle it and I now find myself in a place where I want to help you make sense of this world gone mad giving you inspiration on how to flourish during this thing called life I am a butterfly woman I have changed and grown and become something so beautiful that I m not sure the old me would recognise anymore I will continue to lead my simple and peaceful life knowing that I am enough dropping into my intuitive intelligent heart and spreading my wings to fly Delve in and accompany me on this ride cosmic womb man
