The New York Times Parent's Guide to the Best Books for Children Eden Ross Lipson, 2000-11-14 The Classic Guide That Helps You Select the Books the Child You Know Will Love In this third fully revised and updated edition of The New York Times Parent's Guide to the Best Books for Children the children's book editor of The New York Times Book Review personally selects and recommends books for children of every age The most comprehensive

and authoritative book of its kind has been completely updated for the new millennium. It contains hundreds of new entries, many expanded descriptions and notations of additional companion and related titles, more than 1,700 in all. The best loved classics of the twentieth century are included as well as a thoughtful selection of outstanding titles from the last decade. Six sections are organized according to reading level: Wordless Picture Story, Early Reading, Middle Reading, and Young Adult. In addition to a summary of the book, each entry provides the essential bibliographic information you need to find a book in your local library or bookstore, including title, author, and/or illustrator, hardcover and/or paperback, publisher, and publication year, major awards, related titles. The unique and most popular feature of the guide is its system of special indexes, more than sixty in all. They make it easy for parents and grandparents, teachers and librarians, even children themselves to match the right book to the right child. Browse through the indexes and find titles for every interest and mood: picture books about cats, mice, or dinosaurs for babies; funny books to read aloud to toddlers; series about family life or school or fantasy adventures for a middle grade child; books on divorce or death and coming of age novels just right for someone starting junior high school. There are also indexes for books about minorities and religion, an age appropriate reading level index, and much more. Lavishly decorated with more than three hundred illustrations from representative titles, the guide also features extra wide margins for notes on which of your children liked which book, at what age, and why. Thus the guide becomes a family reading record as well as an invaluable resource you'll use again and again.

The Accidental Zillionaire Laura Rich, 2003-01-03

The first in depth look at one of the world's richest and most secretive businessmen. Though his wealth is certainly no secret, the world's fourth richest man remains an enigma. Paul Allen made his fortune as Bill Gates's partner in Microsoft, supplemented it with questionable though often profitable venture capital schemes, and has since invested his wealth in a widely divergent list of interests. He owns the NBA's Portland Trailblazers and the NFL's Seattle Seahawks. Among hundreds of smaller ventures, he is a primary stakeholder in the film production company DreamWorks SKG and formerly held a large piece of the widely despised Ticketmaster monopoly. Dubbed the Accidental Zillionaire by Wired magazine, Allen has often appeared to be a bumbler who succeeded primarily through luck and by coopting the visionary ideas of others. In *The Accidental Zillionaire*, Laura Rich, one of the foremost chroniclers of the Internet economy, unravels the secret Paul Allen: his inner motivations, his vision, and his personality. She tells Allen's story from his days as a fledgling computer geek in suburban Washington state to his role in founding the world's largest software company, to his battle with cancer, to his sycophantic flirtation with Hollywood and its brightest stars. Paul Allen is a man of various interests and passions, but few if any know him well. *The Accidental Zillionaire* for the first time reveals the inner workings of a towering figure in the worlds of technology, business, sports, and entertainment. Laura Rich, Los Angeles, CA, is a former writer for *The Industry Standard*, *Adweek*, and *Inside Media*. She currently covers the world of digital entertainment for *Entertainment Weekly*, *Fortune*, and *The Hollywood Reporter*. She penned *The Standard's* popular Rich List report and has reported on Paul Allen for years. [Book Lust](#) Nancy
