## **Redating The Teacher Of Righteousness:**

Redating the Teacher of Righteousness Barbara Elizabeth Thiering, 1979 Reconstruction of the Qumran community in the light of the publication of the Dead Sea Scrolls      **Jesus Outside the New Testament** Robert Van Voorst, 2000-04-13 Presents evidence and information aside from the Christian scriptures on the life and teaching of Jesus Christ Features excerpts in Roman correspondence and the early Christian writings known as the New Testament Apocrypha      **The Dead Sea Scrolls and the Personages of Earliest Christianity** Arthur E. Palumbo, 2004 Who wrote the Dead Sea Scrolls Paleographical dating has tended to downplay the Scrolls importance and to distance them from the personages of earliest Christianity but a carefully worked out theory based on radiocarbon dating and other tests connects Scroll allusions to personages and events in the period from 37 BC to AD 71 and suggests a new view on how and why the Romans crucified Jesus Part I of this study is an attempt to deal more realistically with the evidence of the Dead Sea Scrolls very few scholars have ever examined the period from 37 BC to AD 71 as the possible setting for the scrolls Nevertheless everyone would admit the existence of scroll allusions that only have real relevance in this time period Part II takes up Jesus and the beginnings of Christianity      **Paul, Founder of Churches** James Constantine Hanges, 2012 Expanded from the author's dissertation University of Chicago 1999      *A Bibliography of the Finds in the Desert of Judah, 1970-95* Donald Parry, Florentino García Martínez, 2018-11-26 This volume contains a bibliography of the research on the Dead Sea Scrolls published during the last 25 years and as such it provides scholars with an indispensable tool for further research Although originally planned as a continuation of B Jongeling's *A Classified Bibliography of the Finds of the Desert of Judah* 1958 1969 the materials are presented in a different way in order to avoid unnecessary duplications of entries Each bibliographical entry is alphabetically listed in the first part of the book and is provided with an identification number which allows for multiple classifications The second part offers a sophisticated classification of the materials by themes topics and key words but also by manuscript numbers and titles of the compositions as well as by authors      **The Bible and the Dead Sea Scrolls: Scripture and the scrolls** James H. Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity      The Cave of John the Baptist Shimon Gibson, 2004-08-17 The first archaeological evidence of the historical reality of the Gospel story From a historical point of view the uniqueness of this cave is that it contains archaeological evidence that comes to us from the very time of the personalities and events described in the Gospels For here is the largest ritual bathing pool ever found in the Jerusalem area and found in the village where John the Baptist was born showing unmistakable signs of ritual use in the first century AD Also in the cave is the earliest ever Christian art depicting John the Baptist as well as the three crosses of the crucifixion By using

the forensic techniques available to the modern archaeologist Gibson and his international team have been able to draw information from the drawings pottery coins bones remains of ritual fire and pieces of cloth found in the cave and match these up with the contemporary literary sources This is a unique opportunity to build up a picture of the very first Christians how they lived and even what they believed As Gibson writes By fitting together the new archaeological facts with the historical information available and sometimes buried in scholarly literature I believe I am able to throw an amazing amount of light on the personality and mission of John the Baptist Who was he Where did he come from What were his beliefs and what was the baptism all about

**The Pesher Nahum Scroll from Qumran** Shani Berrin, 2018-11-01 The underlying premise of this study is the close relationship between Pesher Nahum 4Q169 and its biblical base text Historical and literary considerations as well as theological sociological halakhic textual and linguistic data are examined in terms of their exegetical functions This edition includes a transcription and translation of 4QpNah with textual notes The treatment of 4QpNah follows the natural division of the extant text into five thematic literary sections or pericopes each consisting of a series of lemma pesher units For each pericope proposed historical contextualizations are evaluated on the basis of exegetical criteria Equivalents are mapped for each unit such that individual elements of each lemma are aligned with corresponding elements from the biblical base text A focus upon lemma pesher correspondence provides the framework for systematic exegetical analysis of 4QpNah

**The Ancient Library of Qumran** Frank Moore Cross, 1995 Since the first publication of this book in 1959 it has become a classic It is a sober and objective account by a scholar who has taken a leading part in the editing and evaluation of the Qumran texts The book opens with an account of the history of the finds and each subsequent chapter deals with a single but major area of scroll research Each records an attempt to achieve in a given area a synthesis or at least a systematic interpretation of the facts now available Old and new published and unpublished data are drawn upon For this revised edition the history of the finds has been updated to the present and a final chapter has been added detailing some of the author's views of and reactions to recent discussions and publications not found in the earlier editions

**The Minor Prophets** Thomas Edward McComiskey, 2009 Combining three volumes in one this affordable edition brings noted evangelical scholars together to offer an authoritative evangelical treatment of the minor prophets

**The Jerusalem Tradition in the Late Second Temple Period** Heerak Christian Kim, 2007 The Late Second Temple Period c 200 BC to 70 AD was a period of intense social changes for the Jewish people During this period the Jewish people experienced a Syrian king defiling the Jerusalem Temple the Maccabean Revolt the celebration of Hanukkah the establishment of a competing Jewish temple in Egypt and the destruction of the Jerusalem Temple During this time Jews spread out all over the Diaspora The turmoil and the lack of visible cohesion have led many scholars to argue that there was no Jewish unity and no distinguishable Jewish identity in this time period This book argues against this trend in academia and posits that a strong Jerusalem tradition unified the Jewish people Book jacket

*Messiahs at the Turn of the Christian Era* Jacob Neusner, William Scott Green, Ernest S. Frerichs, 1987 In its approach to evidence not harmonizing but analyzing and differentiating this book marks a revolutionary shift in the study of ancient Judaism and Christianity

**The world of Qumran from within** Talmon, 2024-02-26 *Priests in Exile* Meron M. Piotrkowski, 2019-06-04 *Priests in Exile* is the first comprehensive scholarly opus in English to reconstruct the history of the mysterious Temple of Onias a Jewish temple built by a Jerusalemite high priest in his Egyptian exile that functioned in parallel with the Temple of Jerusalem Piotrkowski's book addresses a topic that is mysterious important and anomalous a Jewish community of mercenary priests in the Egyptian Diaspora in which the priestly sacrificial ritual was carried out daily over a period of more than two hundred years until the first century CE outlasting the Jerusalem Temple by about three years Although the book focuses on the very circumscribed topic of the parallel Temple it casts a wide net placing the story in the context of Jewish Diaspora life in ancient times Ancient topics and texts are brought to bear including papyri epigraphy archaeology as well as the modern literature Piotrkowski throws new light on a fascinating episode of ancient Jewish history that is usually left in the dark

*The Relationship Between John the Baptist and Jesus of Nazareth* Daniel S. Dapaah, 2005-02-17 What was Jesus relationship with John the Baptist Did Jesus baptize people like John Where did Christian baptism come from In this book Dr Dapaah looks at these and other important questions coming up with some intriguing answers His well written work offers thought provoking insights into the questions of the historical Jesus and I very warmly commend it David Wenham Dean and Lecturer Wycliffe Hall Oxford University

*The Madrid Qumran Congress (2 vols.)* Julio Trebolle Barrera, Luis Vegas Montaner, 2018-11-01 The material presented in these two volumes may be divided into two main sections The first section covers biblical texts and texts which fall between the categories biblical and non biblical It also includes articles on topics relating to the history of the Qumran community and to the study of the New Testament in the light of the Qumran discoveries The second section covers non biblical texts such as the Temple Scroll The two sections are synthesized in the article by Frank M Cross in which he reviews the advances made and the challenges for the future in the field of Qumran studies Several topics recur constantly in many of the articles such as the origins of the history of the Qumran community the problem of the distinction between what is biblical and non biblical in the Qumran manuscripts and the question of the authority of the texts in the Qumran community

BOOK JACKET *Secret Scrolls* Robert M. Price, 2010-12-27 *Secret Scrolls* is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to

be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls
