Redeeming The City Theology Politics And Urban Policy:

Redeeming the City Ronald D. Pasquariello, Alan F. Geyer, 1982

On Second Thought Donald W. Shriver, 2010-03-01

In this Don Shriver's fifteenth book the socially involved ethicist and former president of Union Theological Seminary reveals some of the challenging experiences and ideas that have informed his work. In a book both personal and honest, Shriver reflects on the nature and importance of books, music, education, war, friends, marriage, political conflict, and his tenure at Union. The essays as a whole represent exemplary theological work by showing how biblical images and themes provided Shriver with both a lens for interpreting his era and a perspective from which to anticipate the future. A dominant theme of his work has been the dynamics of forgiveness in human society and the meaning of forgiveness beyond personal life in the relations of groups and nations. A final essay, a letter to the great grandchildren he will never meet, articulates the positive and hopeful message of this wide-ranging collection. For readers already familiar with his local to global efforts spanning ecumenical, racial, economic, and political justice issues, the book offers new insights into how Shriver's life experiences have impacted his work. For those not yet familiar with that work, the collection offers an intimate introduction to Shriver's passions for theology, history, and social justice, particularly in the American South, Germany, Ireland, South Africa, and East Asia.

Christian Ethics in Conversation Isaac B. Sharp, Christian T. Iosso, 2020-10-05. Inspired by Donald W. Shriver Jr.'s leadership of Union Theological Seminary, New York City, *Christian Ethics in Conversation* brings together essays by members of a stellar faculty, including Gary Dorrien, Larry Rasmussen, Phyllis Trible, and Cornel West, and interdisciplinary colleagues such as Columbia University biologist Robert Pollack, Chancellor Emeritus of the Jewish Theological Seminary, Ismar Schorsch, and Pulitzer Prize-winning Yale historian David W. Blight. The challenges they describe of embracing diversity while facing financial pressure and encouraging social change speak to seminaries, churches, denominations, and faithful individuals facing similar challenges today. The chapters model the kinds of interdisciplinary, interfaith, and inter-institutional conversations foundational to Shriver's approach to Christian public ethics. Shriver and Union Seminary addressed racial justice directly, and colleagues describe lessons learned from an activist academic who was also a Southerner committed to reconciling and repairing the wounds of history. International conversation partners analyze the place of moral claims in successful social transformation, but those claims also had to be lived out in the seminary's institutional life. Gender justice, full inclusion, and liberation theologies became crucial to Union's identity, but not automatically. The changes required are described by a former dean, board member, worship leader, and several students. All the while, faculty and students of Union and its neighbors were engaged in ongoing debates about honest patriotism, friendship across division, and the dangers of uncritical nationalism, also captured by the book's contributors. With contributions from M. Craig Barnes, Serene Jones, Dean K. Thompson, Donald W. Shriver Jr., Gary Dorrien, Milton McCormick Gatch Jr., Larry Rasmussen, Cornel West, Janet R. Walton, James A. Forbes Jr., Phyllis Trible, Robert Pollack, Ismar Schorsch, Hays Rockwell, Thomas S. Johnson, Lionel Shriver, David Kwang-sun
