Rediscover Your Baptism:

Rediscover Church Collin Hansen, Jonathan Leeman, 2021-07-28 A Christian without a church is a Christian in trouble Since a global pandemic abruptly closed places of worship many Christians have skipped church life even neglecting virtual services But this was a trend even before COVID 19 Polarizing issues including political and racial strife convinced some people to pull away from the church and one another Now it s time to recommit to gathering as brothers and sisters in Christ In Rediscover Church Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God s mission Through biblical references and personal stories they show readers God s true intention for corporate gathering to spiritually strengthen members as individuals and the body of Christ In an age of church shopping and livestreamed services rediscover why the future of the church relies on believers gathering regularly as the family of God Published in partnership with the Gospel Coalition and 9Marks

Rediscovering the Holy Spirit Michael Horton, 2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man s own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1 2 all the way to Revelation 22 17 The Spirit s work is as essential as the Father s and the Son s yet the Spirit s work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit s mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God s Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives
