man was dislocated from Japan's past as well as its future he defines the role of art and the artist in light of the loneliness and individualism of the modern world True to his self-conscious style each essay includes individual biographical anecdotes inviting their allegorical reading as stories about the fate of Japan In *My Individualism* Soseki gives a rare account of his stay in London from the perspective of twelve years after his return allowing us to see the profound shift in his thinking about literature that occurred during this time In *The Philosophical Foundations of Literature* we find one of Soseki's principal attempts to provide a cross-cultural framework for the interpretation of literature Together the essays reveal Soseki's attempts to create a theory of literature that is characteristically Japanese

race contending that no analysis of imperialism or nationalism is possible without it *A Fictional Commons* Michael K. Bourdaghs, 2021-08-09 Modernity arrived in Japan as elsewhere through new forms of ownership In *A Fictional Commons* Michael K Bourdaghs explores how the literary and theoretical works of Natsume S seki 1867 1916 widely celebrated as Japan s greatest modern novelist exploited the contradictions and ambiguities that haunted this new system Many of his works feature narratives about inheritance thievery and the struggle to obtain or preserve material wealth while also imagining alternative ways of owning and sharing For S seki literature was a means for thinking through and beyond private property Bourdaghs puts S seki into dialogue with thinkers from his own era including William James and Mizuno Rentar author of Japan s first copyright law and discusses how his work anticipates such theorists as Karatani K jin and Franco Moretti As Bourdaghs shows S seki both appropriated and rejected concepts of ownership and subjectivity in ways that theorized literature as a critical response to the emergence of global capitalism **A Companion to European**

The Literature of Travel in the Japanese Rediscovery of China, 1862-1945, 1996-03 This study of the writings of Japanese travelers to China from 1862 to 1945 serves both as a window onto changing Japanese images of China and as a vivid account of Sino Japanese interactions over nearly a century The year 1862 saw the lifting of the Tokugawa shogunate s ban of over two centuries on overseas contacts and Japanese travelers were able to resume contact with China which had begun some fifteen hundred years before Through the centuries China had exerted a profound influence on the development of Japanese culture and what began as a wish to adopt the latest most developed political and cultural achievements of China assumed to be the most advanced country on earth later became an effort to understand the essence of Japan by defining its difference from China This book is based upon some five hundred accounts of travel in China by Japanese only a handful of which have previously been available in Western literature **Placing Empire** Kate McDonald, 2017-08-01 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more *Placing Empire* examines the spatial politics of Japanese imperialism through a study of

Japanese travel and tourism to Korea Manchuria and Taiwan between the late nineteenth century and the early 1950s In a departure from standard histories of Japan this book shows how debates over the role of colonized lands reshaped the social and spatial imaginary of the modern Japanese nation and how in turn this sociospatial imaginary affected the ways in which colonial difference was conceptualized and enacted The book thus illuminates how ideas of place became central to the production of new forms of colonial hierarchy as empires around the globe transitioned from an era of territorial acquisition to one of territorial maintenance [Reflections in a Glass Door](#) Marvin Marcus,2009-07-15 Much has been written about Natsume Soseki 1867 1916 one of Japan s most celebrated writers Known primarily for his novels he also published a large and diverse body of short personal writings shohin that have long lived in the shadow of his fictional works The essays which appeared in the Asahi shinbun between 1907 and 1915 comprise a fascinating autobiographical mosaic while capturing the spirit of the Meiji era and the birth of modern Japan In [Reflections in a Glass Door](#) Marvin Marcus introduces readers to a rich sampling of Soseki s shohin The writer revisits his Tokyo childhood recalling family friends and colleagues and musing wistfully on the transformation of his city and its old neighborhoods He painfully recounts his two years in London where he immersed himself in literary research even as he struggled with severe depression A chronic stomach ailment causes Soseki to reflect on his own mortality and what he saw as the spiritual afflictions of modern Japanese rampant egocentrism and materialism Throughout he adopts a number of narrative voices and poses the peevish husband the harried novelist the convalescent the seeker of wisdom Marcus identifies memory and melancholy as key themes in Soseki s personal writings and highlights their relevance in his fiction He balances Soseki s account of his Tokyo household with that of his wife Natsume Kyoko who left a straightforward record of life with her celebrated husband Soseki crafted a moving and convincing voice in his shohin which can now be pondered and enjoyed for their penetrating observation and honesty as well as the fresh perspective they offer on one of Japan s literary giants [Sanshiro](#) Natsume Soseki,2009-11-26 One of Soseki s most beloved works of fiction the novel depicts the 23 year old Sanshiro leaving the sleepy countryside for the first time in his life to experience the constantly moving real world of Tokyo its women and university In the subtle tension between our appreciation of Soseki s lively humour and our awareness of Sanshiro s doomed innocence the novel comes to life Sanshiro is also penetrating social and cultural commentary [Territorializing Manchuria](#) Qiong (Miya) Xie,2024-09-09 Xiao Hong Yom Sang sop Abe Kobo and Zhong Lihe these iconic literary figures from China Korea Japan and Taiwan all described Manchuria extensively in their literary works Now China s Northeast but a contested frontier in the first half of the twentieth century Manchuria has inspired writers from all over East Asia to claim it as their own employing novel themes and forms for engaging nation and empire in modern literature Many of these works have been canonized as quintessential examples of national or nationalist literature even though they also problematize the imagined boundedness and homogeneity of nation and national literature at its core Through the theoretical lens of literary territorialization Miya Xie reconceptualizes modern

Manchuria as a critical site for making and unmaking national literatures in East Asia Xie ventures into hitherto uncharted territory by comparing East Asian literatures in three different languages and analyzing their close connections in the transnational frontier By revealing how writers of different nationalities constantly enlisted transnational elements within a nation centered body of literature Territorializing Manchuria uncovers a history of literary co formation at the very site of division and may offer insights for future reconciliation in the region
