Rediscovering The Jesus Story:

Rediscovering Jesus David B. Capes, Rodney Reeves, E. Randolph Richards, 2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life **Rediscovering the Jesus Story** Joseph A.

Grassi, 1995 The power of this book lies in Joseph Grassi's insight that the gospels were written as dramatic narratives For centuries the main contact people had with the gospels was in hearing them proclaimed and performed The proclaimers and the listeners did not consider Jesus a dead person of the distant past but as present here and now to believers The actual person narrating the gospel was only a channel or instrument of Jesus actual words Jesus was speaking to them with all the dynamic power and effect that he had on his audiences years and centuries ago in Galilee The gospel audience heard his words not merely in terms of valuable information but also as empowerment and energy to accomplish the things they heard The stories of miracles healings and forgiveness were reminders that the same events were now happening again through Jesus presence in their midst Rediscovering the Jesus Story will help the reader rediscover the passion and vitality of the gospels Each particular story is accompanied by the necessary background a modern audience needs to discover the gospel anew This includes the background of the Hebrew scriptures along with guides to the meaning of each story within each gospel's dramatic and literary pattern At the end of each section the reader will find Pathways to Further Discovery and suggestions for keeping a personal journal Rediscovering the Jesus Story allows the reader to enter into the gospels in a deeper way than ever before BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Toney, 2021-08-31 Did you know that the Christmas story almost wasn't told But Matthew and Luke saved Christmas Have you wondered if Christmas is really a pagan holiday Did marketers invent Santa Claus And what does a Christmas tree have to do with anti slavery We'll learn which traditions come from the Bible and where other traditions derive Have you ever considered who Jesus was named after Or why Jesus's genealogy is traced to Joseph if he's not Jesus's biological father We'll answer questions like these surrounding Jesus's legacy Maybe you've asked what was the Bethlehem star Or have you heard that there wasn't an inn or innkeeper With these kinds of inquiries we'll look at the circumstances surrounding Jesus's birth Do we know if the magi were kings astrologers or magicians Or could you name the oldest person that met baby Jesus By interacting with these people who met Jesus on that first Christmas we'll join the cast of characters around the manger As we explore the stories and traditions of Christmas together we'll ruin some past misconceptions but in the process I promise that

Toney, 2021-08-31 Did you know that the Christmas story almost wasn't told But Matthew and Luke saved Christmas Have you wondered if Christmas is really a pagan holiday Did marketers invent Santa Claus And what does a Christmas tree have to do with anti slavery We'll learn which traditions come from the Bible and where other traditions derive Have you ever considered who Jesus was named after Or why Jesus's genealogy is traced to Joseph if he's not Jesus's biological father We'll answer questions like these surrounding Jesus's legacy Maybe you've asked what was the Bethlehem star Or have you heard that there wasn't an inn or innkeeper With these kinds of inquiries we'll look at the circumstances surrounding Jesus's birth Do we know if the magi were kings astrologers or magicians Or could you name the oldest person that met baby Jesus By interacting with these people who met Jesus on that first Christmas we'll join the cast of characters around the manger As we explore the stories and traditions of Christmas together we'll ruin some past misconceptions but in the process I promise that we'll rediscover Jesus Rediscovering the Magic of Christmas John Hayward, 2024-08-15 Each Christmas we tend to hear the same readings and let's be honest the same sermons This Advent join John Hayward on a daily journey to rediscover some of the magic of Christmas Originally written as letters from a father to his adult children this book warmly invites you to feast richly on some of the passages of scripture less commonly associated with our celebrations of the birth of Jesus Released from the burden of tradition and over familiarity glimpse afresh the authentic Christmas gift that is for every person for every nation and for every day Freeing Jesus Diana Butler Bass, 2021-03-30 The award winning author of Grateful goes beyond the culture wars to offer a refreshing take on the comprehensive multi faceted nature of Jesus keeping his

teachings relevant and alive in our daily lives How can you still be a Christian This is the most common question Diana Butler Bass is asked today It is a question that many believers ponder as they wrestle with disappointment and disillusionment in their church and its leadership But while many Christians have left their churches they cannot leave their faith behind In *Freeing Jesus* Bass challenges the idea that Jesus can only be understood in static one dimensional ways and asks us to instead consider a life where Jesus grows with us and helps us through life s challenges in several capacities as Friend Teacher Savior Lord Way and Presence *Freeing Jesus* is an invitation to leave the religious wars behind and rediscover Jesus in all his many manifestations to experience Jesus beyond the narrow confines we have built around him It renews our hope in faith and worship at a time when we need it most

Rediscovering Jesus Dr. Tony Foster,2022-01-25 *Rediscovering Jesus* is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity

I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world **The Historical Jesus: A Guide for the Perplexed** Helen K.

Bond,2012-03-29 The introduction to this new guide sets out the sources Graeco Roman Jewish and Christian noting the problems connected with them paying particular attention to the nature of the gospels and the Synoptic versus the Johannine tradition A substantial section will discuss scholarship on Jesus from the nineteenth century to the explosion of works in the present day introducing and explaining the three different quests for the historical Jesus Subsequent chapters will analyse key themes in historical Jesus research Jesus Galilean origins the scope of his ministry and models of holy men particularly that of prophet Jesus teaching and healing his trial and crucifixion the highly contentious question of his resurrection and finally an exploration of the links between the Jesus movement and the early church Throughout the often opposing positions of a variety of key scholars will be explained and discussed eg Sanders Crossan Dunn Wright Brown **Jesus and Judaism**

E. P. Sanders,1985 This work takes up two related questions with regard to Jesus his intention and his relationship to his contemporaries in Judaism These questions immediately lead to two others the reason for his death did his intention involve an opposition to Judaism which led to death and the motivating force behind the rise of Christianity did the split between the Christian movement and Judaism originate in opposition during Jesus lifetime **Paul Behaving Badly** E. Randolph

Richards,Brandon J. O'Brien,2016-11-01 Randolph Richards and Brandon O'Brien explore the complicated persona and teachings of the apostle Paul Unpacking his personal history and cultural context they show how Paul both offended Roman perspectives and scandalized Jewish sensibilities revealing a vision of Christian faith that was deeply disturbing to others in his day and remains so in ours **Rediscovering Your New Life: A Guide on How to Experience God's Greater**

Blessings E N Jinor,2018-07-19 A blessing is a favor or thing that is conducive to happiness or welfare Everybody at one point or another needs a blessing be it happiness provision a sense of purpose peace joy self fulfillment a sense of security health good relationships favor self esteem assurance in times of uncertainty spiritual growth anointing sweet fellowship with God the list is unending There are blessings and there are greater blessings It is God s will and good pleasure to give you His greater blessings however many Christians haven t been able to experience God at this level The author through this book gives an in depth yet easy to read teaching on how to receive and maintain the greater blessings of God Don t dwell at the level of the blessing go higher to the realm of the greater blessings With every chapter packed with deep truths of the word of God and more than 200 scriptural references you will be edified whether you are a novice or experienced with scriptures

The Philosophy of Christology Hue Woodson, 2022-01-31 Given the perpetual problem of the historical Jesus there remains an ongoing posing of the question to and a continuous seeking of the meaningfulness of Christology From the earliest reckoning with the relationship between Jesus of Nazareth and the Christ of faith what it means to do Christology today remains at the methodological center of the task and scope of every systematic theology Whether giving an account of Albert Schweitzer's bringing an end to the quest for the historical Jesus in 1906 or attending to Rudolf Bultmann's period of no quest culminating with his demythologization project in the 1940s how we still think of Christology as a matter of questions and concerns with meaning speaks to an unavoidable philosophizing of Christology In this way The Philosophy of Christology offers both a particular history of Christology in conjunction with a particular philosophy of Christology which assesses the theological contributions by a group of Bultmannians following Bultmann in the 1950s and 1960s up to what can be reimagined by repurposing Jacques Derrida's philosophical question into the meaning of love in 2002 **Rediscovering the Triune God** Stanley James Grenz, 2004 The last century has witnessed a revival and renewal of trinitarian theology led initially by Karl Barth The legendary puzzles of trinitarian theology have become especially vexing in an era of changed philosophical and cultural categories and a host of religious thinkers in the last century have tried to reformulate the main lines of thought about God's trinitarian life Theologian Stanley Grenz here tells this story of trinitarian theology reporting and analyzing the remarkable ferment in the discipline and discussing especially eleven theologians on such issues as God's inner life vs God's relationship to creation immanent and economic trinity social vs psychological analogies for the relationships within God the relationship between trinity and Christology the feminist critique of classical categories and how God's trinitarian life figures in evolution social justice and spirituality Grenz's Introduction places this ferment historically in the course of Christian thought from the patristic period to now while his Conclusion sets a future agenda for the doctrine and theology Sawdust on His Shirt Roger Speare, 2014-12-12 Religion was not Jesus' idea it was ours we humans just cannot resist building gazebos for God Spurred on by Daniel Dennett's atheistic thoughts about a spirituality stripped of the supernatural and the Bible story of a rescued prostitute Sawdust on His Shirt takes a fresh look at Jesus' gospel and his vision for a transformed world It turns out that Jesus is much more inclusive than has often been supposed The book challenges the Christian community to rediscover its true purpose and seize a unique opportunity in the early twenty-first century There is room in the kingdom of God for skeptical sympathizers as well as prophetic intercessors and for all those who sit somewhere between these extremities of spirituality People who feel that Jesus may have something important to say to the world but who know they will never be religious Christians who are seeking to live meaningfully in a secular society and spiritual warriors with a gnawing hunger for God and the fulfillment of his purposes should each find in this book something to inform entertain and challenge *Narrative Dynamics in Paul* Bruce W. Longenecker, 2002-01-01 Are Paul's letters undergirded and informed by key narratives and does a heightened awareness of those narratives help us to gain a richer and more

rounded understanding of Paul's theology. The last two decades of the twentieth century witnessed an increasing interest in the narrative features of Paul's thought. A variety of studies since that period have advanced story as an integral and generative ingredient in Paul's theological formulations. In this book a team of leading Pauline scholars assesses the strengths and weaknesses of a narrative approach, looking in detail at its application to particular Pauline texts. *Jesus and the Gospels (2nd Edition)* Craig Blomberg, 2020-05-21. A clear and comprehensive introduction to the study of Jesus and the Gospels. Craig Blomberg's award-winning *Jesus and the Gospels* prepares readers for an intensive study of Matthew, Mark, Luke, John, and the events they narrate. Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries. This updated edition incorporates new scholarship, debate, critical methods, and the ongoing quest for the historical Jesus, and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament.
