Redpath Vol 1 The History Of A Sugar House:

Redpath Richard Feltoe,1991-08-15 Redpath today a household name for sugar in Canada has its roots in the story of an enterprising Scots immigrant initially a stone mason and later a building contractor during the boom days of Montreal's growth from a small provincial centre to a major North American city In 1854 the ever energetic John Redpath by then a self made millionaire in his late fifties launched a new career as an industrialist With his son Peter and the gifted George Alexander Drummond as manager he established Canada's first successful sugar refinery The Redpath story encompasses the influence of sugar as an economic force the emergence of the elegant social life of cosmopolitan Montreal and a hind sight view of the complexities of the love hate relationship between government and business This the first of two volumes moves through Canada's period of extensive industrialization to the turn of the century the impact of World War I and concludes in the post war years Throughout this period the familiar Redpath trademark a reproduction of John Redpath's signature is a reminder of the heritage inherent in Canada's business and social history **A Gentleman of Substance**

Richard Feltoe,2006-04-12 John Redpath arrived in Canada penniless in 1816 From skilled stonemason he became a wealthy entrepreneur in Montreal the founder of Redpath Sugar Canadian Books in Print. International Books in Print ,1997 *A History of Photography in Canada, Volume 1* Martha Langford,2025-09-22 From early reports of the invention to its wide application during World War I the idea of photography created anticipation and participation in the modern world The first volume of *A History of Photography in Canada* captures this phenomenon by looking at hundreds of photographs generated in and about Canada in the making and by listening to the chords they struck in the collective imagination Emphasizing technological readiness and cultural eagerness for the medium Martha Langford

shows how photography served ideals of progress and improvement as Canada's settler society looked to master the world by seizing its visible traces. The imposition of these programs on Indigenous Peoples and indentured labourers is confronted throughout this volume which offers both narratives and counternarratives of subjectification. Reproducing images of people, places, events and objects from the unceded territories of the First Nations, Inuit and Métis from British North America and from the Dominion of Canada and the Dominion of Newfoundland, Langford asks where and when photographs were taken, why and by whom. How did the making and preservation of a photograph alter the circumstances in which it was produced and how did this affect individual and collective consciousness? Alongside accomplished portraits, landscapes, still lifes and their vernacular counterparts, the book draws glimmers of photographic experience from treatises and doggerel, official reports and personal diaries, newspapers, magazines, letters and travelogues. *Anticipation to Participation* chronicles eight decades of reinvention and repurposing from a wondrous discovery to the wide adoption of a basic tool for knowledge gathering, artmaking and journaling. Langford's sweeping narrative rewrites the history of photography from the bottom up, vividly expanding the definition of photographic experience. Canadian Books in Print, 2003 **The Publisher**, 1905

Bibliography of Agriculture with Subject Index, 1993 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1905 **Le canal de Lachine** Yvon Desloges, Alain Gelly, 2002. Sans le canal de Lachine, Montréal ne serait pas devenue aussi rapidement la métropole commerciale et industrielle qu'elle est devenue. Interface entre l'Atlantique et les Grands Lacs, le canal verra voguer au fil de l'eau une flotte de navires en tous genres. De même, par sa seule présence, l'eau du canal suscitera l'implantation de l'industrie manufacturière le long de ses berges, les uns voulant s'approvisionner en énergie hydraulique, les autres tirant le maximum de cette ressource mésestimée. Avec une telle activité de basse campagne, les berges du canal se métamorphosent en frange urbaine. Le canal n'est plus seulement un lieu où l'on travaille, mais devient aussi un milieu de vie. Pour rendre compte de l'importance et de la particularité de ce canal, un album photo comme celui-ci ne cherche pas seulement offrir le splendide. Les photographies servent surtout d'appuis formidables au propos des auteurs. Car ce livre ne se veut pas seulement un beau livre, mais aussi un document où des points essentiels de l'histoire du canal, de sa construction, la navigation en passant par les usines et les hommes, sont mis en scène. Bref, où la mise en perspective historique prime sur la seule esthétique des photos. **The Life of Sir William Osler, Volume 1** Harvey Cushing, 2013-05. William Osler (1849-1919) is widely regarded as one of the most influential physicians of the late 19th and early 20th century and a key figure in the history of medicine. Besides his research activities and his dedicated scientific work, Osler's greatest contribution to the medical world has been the system of residency which he developed at the Johns Hopkins Hospital in Baltimore, thus introducing a new and deeply humanistic approach to the strictly scientific realm of traditional medicine. Harvey Cushing (1869-1939), a former student and close friend of Osler's and a pioneer of neurosurgery, has himself become an icon of modern medicine. He was one of the first physicians to use X-rays for diagnosing brain tumours, and he

developed revolutionary methods of blood pressure measurement He also discovered Cushing s syndrome the first autoimmune disease identified in a human being This monumental biography earned him the Pulitzer Prize in 1926 **The History of the Black Watch (Royal Highland Regiment) of Canada: Volume 1, 1759-1939** Roman Johann Jarymowycz,2023-05-15 In three volumes spanning centuries Lieutenant Colonel Roman Jarymowycz recounts the story of the Black Watch Royal Highland Regiment of Canada the oldest Highland regiment in the country He traces its history from the roots when soldiers settlers and militia volunteers rallied to defend the southern borders of their adopted country against invasion from the United States Drawing on diaries letters classified documents and the regimental archive Jarymowycz weaves the strands of a complex story into an epic narrative of a resolute collective of officers and men Since its birth in 1862 as the 5th Battalion Volunteer Militia Rifles of Canada thousands of citizens have served in the unit In addition to securing Canada s borders Black Watch soldiers have fought in the South African War both world wars and the Korean War They have bolstered NATO operations and United Nations peacekeeping missions and they provided aid to the civil power during the 1997 Quebec and Eastern Ontario ice storm disaster and the COVID 19 pandemic The Montreal based battalion continues to serve Canada in its traditional role as a reserve infantry unit and to this day Black Watch soldiers frequently deploy on dangerous missions abroad In volume 1 readers will learn of the Black Watch s origins its first foreign enterprise the South African War and a detailed account of the Great War where the regiment evolved from the 5th Royal Highlanders to become the Canadian Black Watch as they were known throughout the empire The Montreal regiment trained four battalions for overseas duty three of which participated in the greatest battles of the First World War an unprecedented accomplishment This volume not only offers a critical analysis of campaigns key actions and tactical evolution but also includes an intimate and compelling account of the sacrifices that forged this extraordinary regiment This monumental history of Canada s oldest Highland regiment is at once a record of Scottish heritage a portrait of Montreal rising as an industrial giant and an examination of the emergence of a military culture from the Western Front Environment, Space, Place, Volume 7, Issue 1 (Spring 2015) C.
