awesome A Reader I really enjoyed Empowering Spirit Wisdom and I am glad that I found an author of books that are in alignment with my beliefs A Reader This is the first time for me reading one of Kevin Hunter s books I was curious what a Warrior of Light would have to say on Love Career and the Spirit World because I consider myself being a kind of warrioress within To me the language of the author is quite energetic and committed He and his Spirit team come straight to the point No glossing over no beating about the bush but clear information instead Which actually is very encouraging because our abilities and responsibilities as humans are also addressed directly I very much enjoyed the chapters on love and relationships because they speak from the heart This book provides a lot of interesting and important information Sometimes it feels like a sheer stream of insights that come along like waves I loved it A Reader *The Spiritual & Emotional Coach's Guide* David R.
