The Austronesian Story in Western Zhou Bronze J.G. Cheock,2020-01-01 Austronesian Art and Genius brought us on a journey of discovery Book 2 The Austronesian Dilemma explored the abundant jade artifacts left by our ancestors to find answers to the questions of our past In the 3rd book of the Austronesian series The Austronesian Story in Western Zhou Bronze we listen to the story told by ancient bronze vessels found on the Philippine islands and correlate them with similar artifacts of Classical China These bronze vessels made in the piece mold casting method were able to hold extremely fine detail including ancient texts that captured historical events giving us a precious opportunity to learn about the past as narrated by those who were actually there [Revista de arqueología americana](#) ,1998 **Queens of the Wild** Ronald Hutton,2022-05-31 A concise history of the goddess like figures who evade both Christian and pagan traditions from the medieval period to the present day In this riveting account renowned scholar Ronald Hutton explores the history of deity like figures in Christian Europe Drawing on anthropology archaeology literature and history Hutton shows how hags witches the

Fairy Queen and the Green Man all came to be and how they changed over the centuries Looking closely at four main figures Mother Earth the Fairy Queen the Mistress of the Night and the Old Woman of Gaelic tradition Hutton challenges decades of debate around the female figures who have long been thought versions of pre Christian goddesses He makes the compelling case that these goddess figures found in the European imagination did not descend from the pre Christian ancient world yet have nothing Christian about them It was in fact nineteenth century scholars who attempted to establish the narrative of pagan survival that persists today Perspectives on Prehistoric Trade and Exchange in California and the Great Basin

Richard E. Hughes, 2012-03-13 This volume investigates the circumstances and conditions under which trade exchange direct access and or mobility best account for material conveyance across varying distances at different times in the past

Fascism Federico Marcon, 2025-06-06 A wide ranging history of the term fascism what it has meant and what it means today The rise and popular support for authoritarianism around the world and within traditional democracies have spurred debates over the meaning of the term fascist and when and whether it is appropriate to use it The landmark study *Fascism The History of a Word* takes this debate further by tackling its most fundamental questions How did the terms fascism and fascist come to be in the first place How and in what circumstances have they been used How can they be understood today And what are the advantages or disadvantages of using fascism to make sense of interwar authoritarianism as well as contemporary politics Exploring the writings and deeds of political leaders activists artists authors and philosophers Federico Marcon traces the history of the term s use and usefulness in relation to Mussolini s political regime antifascist resistance and the quest of postwar historians to develop a definition of a fascist minimum This investigation of the semiotics of fascism also aims to inquire about people s voluntary renunciation of the modern emancipatory ideals of freedom equality and solidarity

Encyclopedia of Prehistory Peter N.
