Refugees Asylum In Europe

A. Bloch, C. Levy

Refugees Asylum In Europe:

Queering Asylum in Europe Carmelo Danisi, Moira Dustin, Nuno Ferreira, Nina Held, 2021-08-31 This two volume open access book offers a theoretically and empirically grounded portrayal of the experiences of people claiming international protection in Europe on the basis of their sexual orientation or gender identity SOGI It shows how European asylum systems might and should treat asylum claims based on people's SOGI in a fairer more humane way Through a combined comparative interdisciplinary socio legal human rights feminist queer and intersectional approach this book examines not only the legal experiences of people claiming asylum on grounds of their SOGI but also their social experiences outside the asylum decision making framework The authors analyse how SOGI related claims are adjudicated in different European frameworks European Union Council of Europe Germany Italy and UK and offer detailed recommendations to adequately address the intersectional experiences of individuals seeking asylum This unique approach ensures that the book is of interest not only to researchers in migration and refugee studies law and wider academic communities but also to policy makers and practitioners in the field of SOGI asylum

Refugees Daniele Joly, Clive Nettleton, Hugh Poulton, 1992-12-10

Geographies of Asylum in Europe and the Role of European Localities Birgit Glorius, Jeroen Doomernik, 2019-10-03 This open access book describes how the numerous arrivals of asylum seekers since 2015 shaped reception and integration processes in Europe It addresses the structuration of asylum and reception systems and spaces and places of reception on European national regional and local level It also analyses perceptions and discourses on asylum and refugees their involvement and the consequences for policy development Furthermore it examines practices and policy developments in the field of refugee reception and integration The volume shows and explains a variety of refugee reception and integration strategies and practices as specific outcome of multilevel governance processes in Europe By addressing and contextualizing those multiple experiences of asylum seeker reception the book is a valuable contribution to the literature on migration and integration societal development and political culture in Europe

The State of the World's Refugees, 2000 Mark Cutts, Office of the United Nations High Commissioner for Refugees, 2000 Includes statistics

The Global Reach of European Refugee Law Hélène Lambert, Jane McAdam, Maryellen Fullerton, 2013-09-05 Examination of the worldwide emulation of key norms of European refugee protection through transnational processes and actors

Images of

Immigrants and Refugees in Western Europe Leen d'Haenens, Willem Joris, François Heinderyckx, 2019-05-14 Perception and representation of newcomers and immigrants The topic of migration has become particularly contentious in national and international debates Media have a discernable impact on overall societal attitudes towards this phenomenon Polls show time and again that immigration is one of the most important issues occupying people's minds This book examines the dynamic interplay between media representations of migrants and refugees on the one hand and the governmental and societal reactions to these on the other Largely focusing on Belgium and Sweden this collection of interdisciplinary research essays

attempts to unravel the determinants of people's preferences regarding migration policy expectations towards newcomers and economic humanitarian and cultural concerns about immigration's effect on the majority population's life. Whilst migrants and refugees remain voiceless and highly underrepresented in the legacy media, this volume allows their voices to be heard. Contributors: Leen d'Haenens KU Leuven, Willem Joris KU Leuven, Paul Puschmann KU Leuven, Radboud University Nijmegen, Ebba Sundin Halmstad University, David De Coninck KU Leuven, Rozane De Cock KU Leuven, Val riane Mistiaen Universit libre de Bruxelles, Lutgard Lams KU Leuven, Stefan Mertens KU Leuven, Olivier Standaert UC Louvain, Hanne Vandenberghe KU Leuven, Koen Matthijs KU Leuven, Kevin Smets Vrije Universiteit Brussel, Jacinthe Mazzocchi UC Louvain, Lorraine Gerstmans UC Louvain, Lien Mostmans Vrije Universiteit Brussel, and François Heinderyckx Universit libre de Bruxelles. Ebook available in Open Access. This publication is GPRC labeled Guaranteed Peer Reviewed Content. With thanks to the funding provided by Belspo Belgian Science Policy Office as part of the framework programme BRAIN by Belgian Research Action Through Interdisciplinary Networks contract nr BR 165 A4 IM2MEDIATE.

Reluctant Hosts: Europe and Its Refugees Danièle Joly, Robin Cohen, 2024-02-02. Now reissued with a new Preface by Robin Cohen and Danièle Joly. This book was originally published in 1989 at a time when the reality of a single European Community had begun to materialize the comfortable belief that many European countries offered havens for those fleeing persecution. This belief was undermined as governments sought to cope with xenophobic and racist sentiments by their indigenous populations. This book with contributions from social scientists, policy makers and representatives from many European countries discusses the response of European governments to the increasing demands by asylum seekers, refugees and exiles for admission, settlement and protection issues which remain as pertinent today as when the book was originally published.

Refugees, Citizenship and Social Policy in Europe A. Bloch, C. Levy, 1999-04-30. Recently, global and European migration in the post Cold War world have received much attention. This edited collection is a comprehensive up to date account of the social policies of European welfare states towards refugees and asylum seekers. It also examines the contested boundaries between refugees and asylum seekers and citizenship within European nation states and the European Union.

Refugee Crisis in Europe and Turkey United States. Congress. Commission on Security and Cooperation in Europe, 2017.

International Refugee Law H?ne Lambert, 2017-07-05. The essays selected and reproduced in this volume explore how international refugee law is dynamic and constantly evolving. From an instrument designed to protect mostly those civilians fleeing the worse excesses of World War II, the 1951 Refugee Convention has developed into a set of principles, customary rules and values that are now firmly embedded in the human rights framework and are applicable to a far broader range of refugees. In addition, international refugee law has been affected by international humanitarian law and international criminal law and vice versa. Thus, there is a reinforcing dynamic in the development of these complementary areas of law. At the same time, in recent decades, states have shown a renewed interest in managing migration, thereby raising issues of how to reconcile such

interests with refugee protection principles In addition the emergence of concepts of participation and responsibility to protect promise to have an impact on international refugee law

Integrative Social Work Practice with Refugees, Asylum Seekers, and Other Forcibly Displaced Persons Nancy J. Murakami, Mashura Akilova, 2022-11-25 This textbook provides theoretical and clinical knowledge needed by social workers and other practitioners involved in humanitarian emergency response Social workers are well positioned to serve coordinating and leadership roles in this interdisciplinary field due to their holistic training This book weaves together micro mezzo and macro levels of practice into integrated social work practice Its historical account of humanitarian emergencies coverage of social work frameworks and principles and review of existing best practices at the clinical community and policy levels ground the reader in a field of social work that requires consideration of historical frameworks alongside innovative responses to the complexity of humanitarian emergencies The contributors incorporate best practices as well as address gaps in awareness knowledge and skills that they have observed and studied worldwide Some of the topics explored include Social Work with Displaced Children Women LGBTQI Asylum Seekers Return and Reintegration of Displaced Populations and Reconstruction in Post conflict Societies Culture Trauma and Loss Integrative Social Work Practice with Refugees and Asylum Seekers Clinical Social Work Practice with Forcibly Displaced Persons Grounded in Human Rights and Social Justice Principles Integrative Social Work Practice with Refugees Asylum Seekers and Other Forcibly Displaced Persons is adoptable as a primary text for MSW and doctoral elective courses on global social work or international social work practice with persecuted and forcibly displaced people This textbook is targeted to clinical social work or policy courses as well and can be supplemental reading for required courses for migration and forced displacement majors It is also useful for social workers or interdisciplinary practitioners working around the globe with displaced populations

Detention of Asylum Seekers in Europe: Analysis and Perspectives Fabrice Liebaut, Jane Hughes, 2023-09-20 This volume presents a compilation of cross disciplinary essays written by representatives of non governmental and inter governmental organisations practising lawyers academics researchers and a psychiatrist which reflect the heightened concern among European refugee and human rights organisations about the increasing practice of detaining asylum seekers Topics explored include recent trends in western central and eastern Europe detention practice in the US Canada and Australia UNHCR s approach to detention of refugees and asylum seekers and the mental health implications of detention from a psycho medical viewpoint In addition the relevant European and UN legal instruments are analysed and examples are given from the case law The book is supplemented by detailed appendices setting out the texts of relevant international legal provisions together with a number of other reference documents including UNHCR s 1995 Guidelines on Detention and ECRE s 1996 and 1997 papers on detention and alternatives to detention In addition to providing both a description of current practice and a theoretical legal analysis of this type of administrative detention this volume is intended to serve as a practical tool and source of reference for individuals

and organisations engaged in defending the rights of asylum seekers today *Asylum detention under the European Convention on Human Rights* Juan Ruiz Ramos, 2024-11-21 The detention of migrants who have not committed a crime is one of the most disturbing contemporary practices from the point of view of human rights Costello 2015 Administrative detention of asylum seekers poses an additional problem it causes an independent deterioration of the mental health of people who are potentially already highly traumatised Filges et al 2015 The intention of this book is to systematise in a comprehensive manner the obligations that States owe to detained asylum seekers under the European Convention on Human Rights ECHR This objective is pursued through an analysis of the judgments of the European Court of Human Rights ECtHR regarding Article 5 right to liberty and related rights such as the right to a judicial review of the detention and Article 3 ECHR conditions of detention in cases in which the applicant was an asylum seeker This case law review is placed within the broader context of the human rights guarantees offered by the Refugee Convention and the International Covenant on Civil and Political Rights ICCPR The book also seeks to identify whether the tighter migration control policies pushed for by European Union Member States after 2015 impacted the Court's case law on asylum detention With this twofold approach it hopes to serve as a guide for strategic litigation before national courts and the ECtHR as well as to contribute to the academic debate on how the European Court could raise its standards of protection in migration related cases **The Human Rights of Migrants in European Law** Cathryn Costello, 2016 A critical discussion of EU and ECHR migration and refugee law this book analyses the law on asylum and immigration of third country nationals It focuses on how the EU norms interact with ECHR human rights case law on migration and the pitfalls of European human rights pluralism *The Right to Seek Refugee Status in the European Union* Sylvie Da Lomba, 2004 In 2001 the 1951 United Nations Convention relating to the Status of Refugees celebrated its 50th anniversary Whilst its fundamental contribution to refugee protection is undisputed the Convention has come under sustained criticism in recent years founded on its alleged inability to address the complexities and challenges of the world of today Yet the need for international protection worldwide persists regardless of changes in the international community and the Convention remains the cornerstone of refugee protection In that context it is critical that the asylum policy of the European Union fully realises the right to seek refugee status that may be inferred from the Convention provisions To that end the author examines and measures EU and EC instruments and proposals for legislation on asylum against standards set out in international refugee and human rights law The author argues that the influence of the European Union and its Member States must not be undermined and that any departure from international standards carries the risk of undermining the right to seek refugee status and refugee protection as a whole within and beyond the borders of the European Union The communitarisation of asylum operated by the Treaty of Amsterdam presents the European Union with the crucial challenge of remaining true to its humanitarian tradition and vision Book jacket

Refugees in Europe Joly, Lynette Kelly, Clive Nettleton, 1997 **Asylum Migration to the European Union** Anita

Böcker, Tetty Havinga, 1998 4 Plan of the study **Eastern European Refugees** United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration, Refugees, and International Law, 1990 **Haven or Hell?** D. Joly, 2016-07-14 This book brings together in a systematic manner three discrete areas of interest pertaining to refugees Asylum is explored through studies on the evolution of legal instruments in Europe the harmonisation process of European policies and the broader spectrum of factors underpinning decisions on asylum Reception and settlement of refugees are analysed through a comparative study of national programmes in France and Britain and in addition a survey of local authority policies A typology for refugees is developed and tested by a comparison between Chilean and Vietnamese associations in France and Britain **Asylum Determination in Europe** Nick Gill, Anthony Good, 2018-12-05 Drawing on new research material from ten European countries Asylum Determination in Europe Ethnographic Perspectives brings together a range of detailed accounts of the legal and bureaucratic processes by which asylum claims are decided The book includes a legal overview of European asylum determination procedures followed by sections on the diverse actors involved the means by which they communicate and the ways in which they make life and death decisions on a daily basis It offers a contextually rich account that moves beyond doctrinal law to uncover the gaps and variances between formal policy and legislation and law as actually practiced The contributors employ a variety of disciplinary perspectives sociological anthropological geographical and linguistic but are united in their use of an ethnographic methodological approach Through this lens the book captures the confusion improvisation inconsistency complexity and emotional turmoil inherent to the process of claiming asylum in Europe

Refugees Asylum In Europe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Refugees Asylum In Europe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Refugees Asylum In Europe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Refugees Asylum In Europe free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available

for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Refugees Asylum In Europe. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Refugees Asylum In Europe any PDF files. With these platforms, the world of PDF downloads is just a click away.
