Risen Indeed:

Risen Indeed Bill White, 1993 *Risen Indeed* is the contention of Bill White who having pastored in Streatham Guilford and St Leonards on Sea was chaplain of the Garden Tomb Jerusalem in the 1970s and 1980s In these chapters from sixty years experience in business and ministry he provides powerful compelling arguments for the literal bodily resurrection of Jesus He calls in all available witnesses and evidence and views the resurrection against a backdrop of all the happenings in the vital six week period that separated Palm Sunday from Pentecost Jerusalem in Turmoil Anger in the Sanctuary The Perils of Priesthood Gethsemane Pontius Pilate The Marks of the Lord Jesus The Gospel in Seven Words Joseph of Arimathea The Case of the Committed Councillor Nicodemus The Case of the Curious Cleric Encounter With The Gardener Chosen Witnesses Failure The Way Back This is the Victory The Beloved Disciple Secret Session Ascension Pentecost Then and Now **The Church Seasons Historically and Poetically Illustrated** Alexander Henley Grant, 1869 *Just in Time! Easter Services, Sermons, and Prayers* Rev. Kenneth H. Carter JR., 2010-09-01 Based on the Revised Common Lectionary and broadly ecumenical this addition to the Just In Time series provides creative liturgies sermon helps and prayers for Easter Vigil Easter Sunday and the 40 days of Easter The Sabbath Hymn Book, 1858 Leading in Prayer Hughes Oliphant Old, 1995-12-18 This comprehensive guide to ordering improving and doing prayer in Christian corporate worship is for pastors worship leaders teachers and anyone interested in a deeper understanding of the use of public prayer Old discusses the historical and theological background of prayer instructs readers in the various kinds of prayer as they are used in worship and examines the ordering of prayer in congregational worship Includes sample prayers and sample church services The Missionary Minstrel ... Second Edition, Considerably Enlarged, 1836 Resurgit Frank Foxcraft, 1879 **Easter Chimes**, 1881 A Sense of Presence Stephen H. Smith, 2016-09-15 Divided into five parts *A Sense of Presence* explores the central thesis that the resurrection of Jesus could be explained as a psychological event involving one hallucination possibly occurring to Peter and a hysterical reaction by colleagues which convinced them that Jesus had appeared to them too This approach is justified by showing that claims made by often impressionable people to have witnessed supernatural events in more recent times such as visions of the Virgin Mary or weeping statues have usually attracted a similar hysterical reaction involving large numbers Some of these reactions take hold sufficiently strongly to facilitate the development of new sects or movements which persist even when their credibility is challenged The remaining four parts set this thesis in context Part 1 shows that resurrection was already a widely accepted concept in the socio cultural world in which Jesus was born Part 2 deals with the New Testament accounts of the resurrection showing that they are often contradictory Part 4 presents and discusses the philosophical problems involved in a psycho physical person rising from the dead while Part 5 looks at the historical and theological issues associated with such an event The argument presented is not intended to be dogmatic but simply seeks to show that naturalistic alternative explanations to the one generally accepted by believers should be given far

more attention than they usually receive A Sense of Presence invites readers to challenge the status quo and will appeal to those wishing to challenge generally accepted Christian views **One Focus (Faith, Hope and Love)** Jeffrey E.
