Say The Silence:

Since 1948 Nancy E. Berg, Naomi B. Sokoloff, 2020-10-01 2021 CHOICE Outstanding Academic Title Toward the end of the twentieth century an unprecedented surge of writing altered the Israeli literary scene in profound ways As fresh creative voices and multiple languages vied for recognition diversity replaced consensus Genres once accorded lower status such as the graphic novel and science fiction gained readership and positive critical notice These trends ushered in not only the discovery and recovery of literary works but also a major rethinking of literary history In Since 1948 scholars consider how recent voices have succeeded older ones and reverberated in concert with them how linguistic and geographical boundaries have blurred how genres have shifted and how canon and competition have shaped Israeli culture Charting surprising trajectories of a vibrant challenging and dynamic literature the contributors analyze texts composed in Hebrew Yiddish and Arabic by Jews and non Jews and by Israelis abroad as well as writers in Israel What emerges is a portrait of Israeli literature as neither minor nor regional but rather as transnational multilingual and worthy of international attention

Mask in the Mirror Nidhi Chawla, 2010-04 The process of weaving a fictional dream can be painful and also joyful path to self discovery realizes an ordinary man when he sits down to reveal his thoughts and bring to life characters whose lives would confront and impact his heart and mind As the people of the imaginary world open the Writer s eyes to his own soul he relishes his intimate sentiments and sees the color of his emotions Caught in an imaginary fabrication where at times he basks in the beauty of creation and at moments he suffers its loneliness There is transformation and simultaneous transition during these years of writing the beginning commences in the cold winter and rejuvenating spring comes in the end But the big question is will the Writer and his realm of fiction survive or both perish without the world ever reading his words and recognizing his worth Mask in the Mirror is a gripping story of self discovery introspection and a touching saga of how fictional life can change the real life of an ordinary man

Italo Calvino Tommasina Gabriele, 1994 She uncovers the apparent contradiction that while Calvino repeatedly advocated throughout his career of forty plus years a precise language this call for precision did not extend to erotic subject matter where Calvino sometimes felt that direct representation was virtually impossible Gabriele finds that in Calvino the challenge of erotic representation is linked to the complexity of the writer s role especially as articulated in Calvino s famous article Cibernetica e fantasmi

Abingdon New Testament Commentaries: Revelation Leonard L. Thompson, 2011-09-01 In this lucid exposition an acclaimed interpreter shows that the book of Revelation is to be read as a unified work of religious poetry aimed at extricating Christians from Roman society in which they were living quietly and peacefully Thompson considers connections between John s negative view of society and his social location as a wandering prophet compares his visionary experience with that of other prophets and seers especially in Judaism notes similarities between the depictions of Christ and Satan in Revelation and portraits of heroes and demons in other writings of the time and emphasizes that John s vision of heaven and the future were intended to infuse everyday Christian life with confidence in the goodness and ultimate triumph of God Thompson s commentary on Revelation is written in an engaging literary style and by presenting perceptive comparisons and contrasts with both Greco Roman and Jewish literature canonical and non canonical he highlights the distinctive features of this book He deals effectively with the rhetorical and even the epistemological dimensions while offering an illuminating and convincing proposal for the structure and thematic development of Revelation In short it is a most revealing and insightful analysis of this challenging early Christian writing as it shows how this book addresses perennial human questions about divine purpose and human destiny Howard Clark Kee **Impro** Keith
