from a Broken Fire Escape Richard D. Jr. Kydd, Richard Kydd, Jr.,2007-11 In this collection of love poems Kydd has once again captured the essential duality of the human heart and of existence itself The poems range from a celebration of love at first sight and the physical ecstasy of two lovers entwined as one to the despair of having lost love for reasons beyond control or understanding As usual with Kydd's work there is a strong spiritual element with the soul seeking its ultimate fulfillment He presents the union between lovers the mingling of two souls into one as this fulfillment But when love is lost suffering is intense and Kydd also shows this unsparingly Kydd wouldn't be himself without a healthy streak of cynicism and reality In the poem ASK NOT he says simply Never ask Do you love me if you do they don't And although his final poem *The Breath of Love* is basically positive and romantic a few pages previous when describing his first kiss in *COW POKE* he can't resist saying No sweeter memory in mind and heart could I fathom to this day Yet in spite of the heightened passion of the moment a thought lingered in my mind ever afterward as sweet as her lips felt that wonderful day of my youth her breath smelled and tasted like sour milk **Love Stories... A True Love BYbriankery,2024-03-13 Poetry is more than the written word it is more than the language of love Poetry is not just the expression of emotions it is the language of elicited emotion It is not just a method by which we express our emotions or our devotion it is a language by which others receive it and experience it High brow people will tell you that a well written poem has met a criteria for grammar use of metaphor punctuation and even iambic pentameter I say to you that a well written poem is the one that stirs your emotions good or bad and a great one is one that stirs your soul if you have ever read something that has actually made you laugh or cry then that was well written I hope that what you find inside stirs in you because everything within I wrote because of her to stir her like all that she stirred in me

Days to Love Marcus Tempus, 2013-04 Marcus Tempus is a writer based in Chicago and he had written a book about
 Chocolate and how some women preferred it to Sex called Do not get between a Woman and her Chocolate In doing the
 research for the book he had met Anastasia and they had agreed to go on a Journey of Joy and maybe fall in love The book
 covers their travel experiences to Greece Paris London Ireland Marrakech and Malaysia The travel writing is believed to be
 accurate and the places mentioned real The fictional part of the book relates to the relationship that develops between

Marcus and Anastasia as they become closer during their travels A background theme is developed with Marcus who had recently fallen in love and it had changed his life The relationship had not developed as he would have liked so he had sought the help of some spiritual advisors and even consulted a Voodoo High Priestess in order to understand why he had fallen in love so strongly and why he remained emotionally lost in this world of unrequited love The advisors had told him that in a previous life several hundred years ago he had been a warrior named Malin and he had fallen in love with Alesia and that they were Soul Mates destined to meet again Most of the advisors had told him that when he had fallen in love this was Malin and Alesia trying to connect in another life The book explores the difficulty Marcus is experiencing in trying to reconcile all of these emotional and spiritual feelings with his no nonsense logical brain He is left with the main questions Is Anastasia the latest visitation of Alesia and is she the Soul Mate that he has been seeking all along That Carolina Rag Violinsky,1911
