## **Sayings Of The Desert Fathers:**

**The Desert Fathers** Benedicta Ward, 2003-03-27 The Desert Fathers were the first Christian monks living in solitude in the deserts of Egypt Palestine and Syria In contrast to the formalised and official theology of the founding fathers of the church the Desert Fathers were ordinary Christians who chose to renounce the world and live lives of celibacy fasting vigil prayer and poverty in direct and simple response to the gospel Their sayings were first recorded in the 4th century and consist of spiritual advice anecdotes and parables The Desert Fathers teachings and lives have inspired poetry opera and art as well as providing spiritual nourishment and a template for monastic life

**The Sayings of the Desert Fathers**, 1975-02-01 Give me a word Father visitors to early desert monks asked The responses of these pioneer ascetics were remembered and in the fourth century written down in Coptic Syriac Greek and later Latin Their Sayings were collected in this case in the alphabetical order of the monks and nuns who uttered them and read by generations of Christians as life giving words that would help readers along the path to salvation

*Desert Wisdom*, 1982-01-01 SMRH2 has only a photocopy of the introduction written by Henri J M Nouwen

**Desert Wisdom** Yushi Nomura, 1984-03-01 Sketches accompany a collection of sayings and parables by the Christian hermits of fourth and fifth century Egypt

**The World of the Desert Fathers** The Desert Fathers, 2020-08-03 Fairacres Publications 95 These stories and sayings of the Desert Fathers in a translation by Columba Stewart give insights into a tradition where words have a resonance beyond their surface meaning They are intended to lead the reader further along the way of Christ Columba Stewart provides an introduction to each section to help us understand the world of the early monks

*The Anonymous Sayings of the Desert Fathers*, 2013-05-02 The Tales and Sayings of the Desert Fathers Apophthegmata Patrum are a key source of evidence for the practice and theory respectively of eremitic monasticism a significant phenomenon within the early history of Christianity The publication of this book finally ensures the availability of all three major collections which constitute the work edited and translated into English Richer in Tales than the Alphabetic collection to which this is an appendix both to be dated c AD 500 the Anonymous collection presented in this volume furnishes almost as much material for the study of the late antique world from which the monk sought to escape as it does for the monastic endeavour itself More material continued to be added well into the seventh century and so the spread and gradual evolution of monasticism are illustrated here over a period of about two and a half centuries

*THE WISDOM OF THE DESERT FATHERS SYSTEMATIC SAYINGS from the ANONYMOUS SERIES OF THE APOPTHHEGMATA PATRUM*, 2012-03-22 Fairacres Publications 48 Sister Benedicta notes in her Introduction that the virtues and obligations inherent in the gospel for all are presented in the literature of the desert in stark and vivid colours like a poster in their clarity In this collection of Sayings from the desert tradition arranged under subject headings the monks and nuns of fourth century Egypt show us that the spirituality of the desert is for everyone Their teaching speaks to any who follow the way of Christ it is concerned more with action and behaviour than with mystical

experience with compassion forbearance self knowledge and facing inner conflict      **The Wisdom of the Desert** Thomas Merton, 2012-09-30 The Wisdom of the Desert was one of Thomas Merton's favorites among his own books surely because he had hoped to spend his last years as a hermit The personal tones of the translations the blend of reverence and humor so characteristic of him show how deeply Merton identified with the legendary authors of these sayings and parables the fourth century Christian Fathers who sought solitude and contemplation in the deserts of the Near East The hermits of Scete who turned their backs on a corrupt society remarkably like our own had much in common with the Zen masters of China and Japan and Father Merton made his selection from them with an eye to the kind of impact produced by the Zen mondo
