

MUSICAL MODES

and How To Play Them

The modes (also known as the greek modes) are a series of seven diatonic scales based on the major scale. Each mode is the same series of semitones and tones (half steps and whole steps) but shifted one note higher than the last. For example: if you were to play all the notes from C major starting on C you would be playing C Ionian mode, but if you were to play all the notes from C major starting on the D note, you would be playing D Dorian mode.
