Bunny Bunny Wake up It's time Wha what's matter sleepily mumbled little Bunny Brown making his words all run together like molasses candy that has been out in the hot sun What's the matter Sue Bunny asked now that he had his eyes open He looked over the side of his small bed to see his sister standing beside it She had left her own little room and had run into her brother's What's the matter Sue Bunny asked again

Selected Works of Laura Lee Hope Laura Lee Hope, Oh Bunny Here comes Bunker Blue Where is he I don't see him Bunny Brown and his Sister Sue were playing on the shady side porch of their house one morning when the little girl looking up from a cracker box which had been made into a bed where she was putting her doll to sleep saw a tall boy walking up the path There's Bunker went on Sue to her brother Bunny at the same time pointing Maybe he's come to take us for a ride in one of daddy's fishing boats Have you Bunker asked Bunny standing up and brushing some shavings from his little jacket for he had been using a dull kitchen knife trying to whittle out a wooden boat from a piece of curtain stick Oh Bunker have you Have I what asked the tall boy who worked on the dock where Mr Brown the father of Bunny and Sue carried on a boat and fish business Have I what Bunker asked again and he stood still and gazed at the two small children who were anxiously looking at him Have you come to take us for a ride asked Bunny In one of daddy's boats added Sue who generally waited for her brother to speak first since he was a year older than she Not this time messmates answered Bunker Blue with a laugh calling the children the name one sailor sometimes gives to another Not this time messmates I've come up to get the ark Oh the ark cried Bunny Did you hear that Sue Bunker has come up to get the ark Oh Oh and Sue fairly squealed in delight Then we'll have a nice ride in that Wait Bunker till I put my doll away and I'll come with you Wait for me And I'll come too added Bunny I can bring my boat with me Tisn't all done yet he added but I can whittle on it when we ride along and then I can sail it when we get to the dock Now avast there and belay messmates cried Bunker Blue with a laugh using some more of the kind of talk he heard among the sailors that came to Mr Brown's dock with boats of fish Wait a minute I didn't say I had come to give you a ride in the ark I just came to get it But you will let us ride won't you Bunker asked Bunny smiling at the tall boy Cause we'll sit just as still as anything added Sue And I won't touch the steering wheel not once promised Bunny I guess you'd better not not after you once got almost run away with in the big ark said Bunker I should say not Oh please let us come with you begged Sue We want awful much to ride in the ark Bunker While the two children were talking to the tall boy another little girl had crawled under the fence from the street and was now standing near Bunny and his sister She was Sadie West one of

Sue's chums and when she heard Bunny's sister begging for a ride in the ark Sadie said Oh Sue is he going to take your Noah's ark away I wouldn't let him if I were you It isn't Noah's ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah's ark but it's bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It's got to be fixed and I'm to drive it to the shop over at East Milford That's why I came up Where's your mother I want to tell her I'm taking away the ark so she won't think some tramps or some gypsies have run off with it I'll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown The School News and Practical Educator, 1921

Beyond the Storm Johnny Neil Smith, Susan Cruce Smith, 2019-09-07 The year was 1864 The freezing winds off Lake Michigan swept across the snow laden grounds and through the cracks of a building that held Southern prisoners in Camp Douglas Illinois Huddled with the other prisoners John mulled over the reasons he had enlisted even after his father had forbidden it He knew the only real reason was to protect his best friend Frankie who had enlisted first but never even bothered to show up at the station when the recruits left for war Shivering he wondered if he would ever see his family again or especially the girl he had loved since childhood John realized that nothing but an act of God could deliver him from this hell on earth Includes Readers Guide *Journal of the Outdoor Life*, 1907
