Scandal At The Savoy:

Scandal at the Savoy Ron Base, Prudence Emery, 2023-03-25 The rich and famous are converging on the iconic Savoy Hotel in swinging 60s London including a famous Broadway producer with anger issues a demanding Indian raja and a gorgeous film star with certain kinky predilections All is as it should be until the murder of a showgirl threatens to scandalize the hotel The list of suspects includes Priscilla Tempest the trouble prone Canadian head of the Savoy press office Clearing her name would be easy enough if only she hadn't spent the night of the murder with a certain beguiling Canadian prime minister Blackmailed by a Scotland Yard detective wooed by a notorious gangster and hounded by the press Priscilla must use wit and resourcefulness to survive the treacherous upper echelons of London society and find a killer This is the thrilling sequel to *Death at the Savoy* described by Publishers Weekly as light frothy perfect escapist fare *Scandal at the Savoy* Siegfried Geyer, Viktor Keleman, 19?? **The Most Dangerous German Agent in America** M. B. B. Biskupski, 2015-02-28

On the morning of April 27 1935 Louis N Hammerling fell to his death from the nineteenth floor of an apartment in New York City where he lived alone Hammerling was one of the most influential Polish immigrants in turn of the century America and the leading voice and advocate of the Eastern Europeans who had come to the country seeking a better life He was also a pathological liar a crook a swindler a ruthless entrepreneur and a patriot of which nation he could never decide In the United States Hammerling rose from the poverty of his youth to the heights of wealth and power He was a timberman and mule driver in the Pennsylvania coal mines an indentured worker in the Hawaiian sugar fields one of the major behind the scenes powers in the United Mine Workers an employee of the Hearst newspaper chain an influential figure in the Republican Party the owner of an advertising agency that made him a millionaire a correspondent of Theodore Roosevelt and William Howard Taft and a senator of the Polish Republic A Jew whose conversion to Catholicism did not protect him from anti-Semitism Hammerling was monitored by state and federal agencies and was in the words of his pursuers the most dangerous German agent in America M B B Biskupski consulted more than forty archives in four countries using trial testimony intelligence reports and blackmail correspondence to reconstruct Hammerling's story The life of this mysterious man offers a window through which to see larger themes labor and immigration politics in late nineteenth and early twentieth century America espionage during World War I the birth of modern Polish politics and the tragic struggle of a poor immigrant striving for success in America Scholars and general readers alike will be interested in this fascinating book **London's Curse** Mark Beynon, 2011-10-31 Throughout the 1920s and 1930s London was gripped by the supposed curse of Tutankhamun whose tomb in the Luxor sands was uncovered in February 1923 by the British archaeologist Howard Carter The site was plundered and over the next few years more than twenty of those involved in the exhumation or in handling the contents of the tomb perished in strange and often terrifying circumstances prompting the myth of the Curse of Tutankhamun Nowhere particularly London's West End appeared to be safe for those who had provoked the ire of the Egyptian death gods A blend of

meticulous research and educated conjecture historian and screenwriter Mark Beynon turns armchair detective as he uncovers a wealth of hitherto unpublished material that lays bare the truth behind these fatalities Could London s Curse be attributed to the work of a macabre mastermind It soon becomes apparent that these deaths were not only linked by the ominous presence of Tutankhamun himself but also by a murderer hell bent on retribution and dubbed by the press as The Wickedest Man in the World **The Savoy Opera and the Savoyards** Percy Fitzgerald,1894 *The Lost Heirs* James W Stebbings,2025-04-28 A compelling story revealing the details behind the lives and premature deaths of the two young heirs of the D Oyly Carte family for the first time **The Secret Life of Oscar Wilde** Neil McKenna,2009-03-05 Oscar Wilde said of himself I put all my genius into my life I put only my talent into my work Now for the first time Neil McKenna focuses on the tormented genius of Wilde s personal life reproducing remarkable love letters and detailing Wilde s until now unknown relationships with other men McKenna has spent years researching Wilde s life drawing on extensive new material including never before published poems as well as recently discovered trial statements made by male prostitutes and blackmailers about Wilde McKenna provides explosive evidence of the political machinations behind Wilde s trials for sodomy as well as his central role in the burgeoning gay world of Victorian London Dazzlingly written and meticulously researched *The Secret Life of Oscar Wilde* fully charts Wilde s astonishing odyssey through London s sexual underworld and paints a frank and vivid psychological portrait of a troubled genius *What I Saw of the War* John H. Atwood,1919 Modern women on trial Lucy Bland,2016-04-30 *Modern women on trial* looks at several sensational trials involving drugs murder adultery miscegenation and sexual perversion in the period 1918-24 The trials all with young female defendants were presented in the media as morality tales warning of the dangers of sensation seeking and sexual transgression The book scrutinises the trials and their coverage in the press to identify concerns about modern femininity The flapper later became closely associated with the roaring 1920s but in the period immediately after the Great War she represented not only newness and hedonism but also a frightening uncertain future This figure of the modern woman was a personification of the upheavals of the time representing anxieties about modernity and instabilities of gender class race and national identity This accessible extensively researched book will be of interest to all those interested in social cultural or gender history **Scandal at the Savoy** Andrew Rose,1991 On a stiflingly hot July night in 1923 a 22 year old millionaire Egyptian playboy was shot dead by his beautiful French wife at the Savoy Hotel in London The notoriety surrounding the couple set against the backdrop of this luxurious hotel provoked a welter of publicity and speculation which filled the papers for months **The Illustrated London News** ,1887 *Escoffier* Kenneth James,2006-08-01 The most famous chef of them all bar none including Jamie Oliver It is hard to over empathise his importance to fine cuisine We derive the word scoff from his name of course **Encyclopedia of Religious Knowledge** John Newton Brown,George Palmer Tyler,1846 Fessenden & Co.'s Encyclopedia of Religious Knowledge John Newton Brown,1835 A Third Letter to the Right Hon. Chichester Fortescue, M.P. on the State of Ireland
