Seraphim, Editor, Munsey's Magazine, 1920 **The Tabloid Culture Reader** Biressi, Anita, Nunn, Heather, 2007-12-01 The Tabloid Culture Reader provides an accessible and useful introduction to the field **Childhood and Youth** Gary Clapton, 2015-06-30 Childhood and youth have often been the targets of moral panic rhetoric This Byte explores a series of pressing concerns about young people child abuse child pornography child sexual exploitation child trafficking and the concept of childhood With an appraisal of the work of the influential thinker Geoffrey Pearson who wrote on deviance and young people it draws attention to the moralising within these discourses and asks how we might do things differently Homilies on the Gospel According to Saint John: And His First Epistle Saint Augustine of Hippo, Aeterna Press, THESE Discourses on St John are assigned by the Benedictine Editors to A D 416 or the following year In favour of an earlier date it might indeed be alleged that the keen controversy against the Donatists which so frequently occurs in these Sermons shews the schism to have been still flagrant when they were preached as in fact in the Homilies on the Epistle of St John delivered in the same year St Austin expressly mentions that the schismatics had still their altar at Hippo quid faciunt in hac civitate duo altaria Whence it might seem that their date must be prior to A D 411 the year of the Conference of Carthage That this however would be too early a date is shewn as the Editors remark by numerous passages in which not only is the doctrine of Predestination put forth as a well understood and most certain truth e g Tr xlv xlviii lxxviii lxxxiii cv cxi but there is pointed reference only not by name e g liii lxvii lxxxi lxxxvi to the Pelagian heresy which came into Africa in that same year 411 A distinct note of time however is given in Tract cxx 4 in the mention of the revelatio corporis beatissimi Stephani which in the account written by the Presbyter Lucian is assigned to the close of A D 415 Aeterna Press *A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West: (See v.26)*, 1849 **Homilies on the Gospel According to St. John** Saint Augustine (Bishop of Hippo.), 1849 The New Female Antihero Sarah Hagelin, Gillian Silverman, 2022-01-25 The New Female Antihero examines the hard edged spies ruthless queens and entitled slackers of twenty first century television The last ten years have seen a shift in television storytelling toward increasingly complex storylines and characters In this study Sarah Hagelin and Gillian Silverman zoom in on a key figure in this transformation the archetype of the female antihero Far from the sunny sincere plucky persona once demanded of female characters the new female antihero is often selfish and deeply unlikeable In this

entertaining and insightful study Hagelin and Silverman explore the meanings of this profound change in the role of women characters In the dramas of the new millennium they show the female antihero is ambitious conniving even murderous in comedies she is self centered self sabotaging and anti aspirational Across genres these female protagonists eschew the part of good girl or role model In their rejection of social responsibility female antiheroes thus represent a more profound threat to the status quo than do their male counterparts From the devious schemers of Game of Thrones The Americans Scandal and Homeland to the joyful failures of Girls Broad City Insecure and SMILF female antiheroes register a deep ambivalence about the promises of liberal feminism They push back against the myth of the modern day super woman she who has it all and in so doing they give us new ways of imagining women s lives in contemporary America *Media/Democracy* Alec Charles,2013-07-16 It is a view commonly acknowledged that the mass media have a crucial role to play in the development and maintenance of democracy It is a matter of greater controversy as to whether the media s influence upon democracy is as constructive as it might be This collection explores the various impacts upon democratic structures and processes of different media forms in different parts of the world It examines the very different influences of the press in democratic Nigeria and post Leveson Britain it looks at how social media are used by politicians voters and revolutionaries in the UK Poland and the Arab Region it investigates the political impact of media ownership in Britain Italy and Argentina and it asks whether we can ever hope to develop from being passive consumers of the mass media to active participants in modes of democratic citizenship underpinned by those media False Dawn Lee Penn,2004 The interfaith movement which began with the 1893 World s Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today s interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI s proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans K ng and from the Dalai Lama to the leaders of government approved Protestant churches in the People s Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In *The Reign of Quantity and the Signs of the Times* French metaphysician Ren Gu non

spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non s time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left False Dawn painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In False Dawn Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org
