Scandal Social Policy And Social Welfare:

Scandal, Social Policy, and Social Welfare Ian Butler, 2005 *Social Policy, Social Welfare and Scandal* I. Butler, M. Drakeford, 2002-12-09 This book explores the complex relationship between public policy and scandal By critically examining some of the landmark scandals of the post war period using a variety of contemporary records and by close examination of the public inquiries which followed this book describes the process whereby scandals are constructed and pursued and demonstrates how scandals coincide with key shifts in public policy in ways that are more complex and reciprocal than might first appear Social Policy, Social Welfare and Scandal Ian Butler, 2005 Scandal, social policy and social welfare Butler, Ian, Drakeford, Mark, 2005-07-20 Scandals do not just happen They are made They are constructed out of such everyday tragedies as the small carelessnesses and institutional brutality of the long stay hospital the abuse of children or the violent deaths of innocent bystanders This book by examining the landmark scandals of the post war period including more recent ones such as the Victoria Climbié Inquiry reveals how scandals are generated to what purposes they are used and whose interests they are made to serve In particular it examines the role of the public inquiry an increasingly familiar policy device in the process whereby the story of a particular scandal is told and its meaning fixed Using transcripts press coverage materials from the Public Record Office and other contemporary sources each of the scandals described in the book is located in its own historical and policy context in order to explore the complex cause and effect relationship between public policy and scandal **Social Work** Vivienne E. Cree, Trish McCulloch, 2023-04-04 Building on the successful 1st edition this reader brings together some of the most significant ideas that have informed social work practice over the last fifty years At the same time as presenting these foundational extracts the book includes commentaries that allow the reader to understand the selected extracts on their own terms as well as to be aware of their relations to each other and to the wider social work context There is no settled view or easy consensus about what social work is and should be and the ideas reflected in this volume are themselves diverse and complex The world of social work has changed greatly over the last ten years and this new edition reflects that change with new material on the decolonisation of social work knowledges the greater emphasis on inter disciplinary and co production and the new concern for identities With an accessible introduction to contextualise the selections the book is divided into three main sections each presenting key texts drawn from a wide range of perspectives psychological sociological philosophical educational and political as well as perspectives that are grounded in the experiences of practitioners and those who use services which have contributed to the development of the profession of social work knowledge and values for social work and practice in social work By providing students and practitioners with an easy way into reading first hand some of the most interesting foundational texts of the subject it will be required reading for all undergraduate and postgraduate programmes and professionals undertaking post qualifying training **Social Work and Power** Roger Smith, 2018-06-26 Power is an unavoidable issue in social work This important text explores these complex

issues both at a conceptual and applied level in order to give students a clear understanding of the theoretical frameworks relevant to practice and to help them begin to think through the challenges they are likely to face and how they will deal with these

Child Protection in England, 1960-2000 Jennifer Crane, 2018-09-25 This book is open access under a CC BY 4.0 license This open access book explores how children parents and survivors reshaped the politics of child protection in late twentieth century England Activism by these groups often manifested in small voluntary organisations drew upon and constructed an expertise grounded in experience and emotion that supported challenged and subverted medical social work legal and political authority New forms of experiential and emotional expertise were manifested in politics through consultation voting and lobbying but also in the reshaping of everyday life and in new partnerships formed between voluntary spokespeople and media While becoming subjects of and agents in child protection politics over the late twentieth century children parents and survivors also faced barriers to enacting change and the book traces how long standing structural hierarchies particularly around gender and age mediated and inhibited the realisation of experiential and emotional expertise

Complaints, Controversies and Grievances in Medicine Jonathan Reinartz, Rebecca Wynter, 2014-12-17 Recent studies into the experiences and failures of health care services along with the rapid development of patient advocacy consumerism and pressure groups have led historians and social scientists to engage with the issue of the medical complaint As expressions of dissatisfaction disquiet and failings in service provision past complaining is a vital antidote to progressive histories of health care This book explores what has happened historically when medicine generated complaints This multidisciplinary collection comprises contributions from leading international scholars and uses new research to develop a sophisticated understanding of the development of medicine and the role of complaints and complaining in this story It addresses how each aspect of the medical complaint between sciences professions practitioners and sectors within politics ethics and regulatory bodies from interested parties and patients has manifested in modern medicine and how it has been defined dealt with and resolved A critical and interdisciplinary humanities and social science perspective grounded in historical case studies of medicine and bioethics this volume provides the first major and comprehensive historical comparative and policy based examination of the area It will be of interest to historians sociologists legal specialists and ethicists interested in medicine as well as those involved in healthcare policy practice and management

Intellectual Disability and Ireland, 1947-1996 David Kilgannon, 2023-10-15 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library Intellectual Disability and Ireland 1947-1996 explores the varied experiences of the intellectually disabled during the latter half of the mid twentieth century in Ireland Addressing the evolution of disability policies and provision it shows how a range of different actors became engaged in shaping the disability services landscape during this period Drawing on a variety of sources from government memoranda to RT television programmes David Kilgannon traces the development of disability services on paper and in reality This narrative is marked by instances of both striking

transformation and significant continuity as the emergence of new policy thinking occurred in tandem with the consolidation of established approaches The book describes not only how services changed but why offering a unique perspective on the evolution of Irish social policy in the post war years *Re-Visioning Public Health Approaches for Protecting Children* Bob Lonne, Deb Scott, Daryl Higgins, Todd I. Herrenkohl, 2019-04-26 This volume provides readers around the globe with a focused and comprehensive examination of how to prevent and respond to child maltreatment using evidence informed public health approaches and programs that meet the needs of vulnerable children and struggling families and communities It outlines the system failures of contemporary forensically driven child protection practice Detailed guidance is provided about how to re think earlier intervention strategies and establish stronger and more effective programs and services that prevent maltreatment at the population level Service user and stakeholder perspectives particularly from marginalized groups including Indigenous peoples highlight how public health approaches can better support families and keep children safe Case studies from different countries grapple with the fraught nature of large system change and the various strategies needed to effect multi level reforms Presenting the reader with an array of innovative services used in different institutional and community context this volume confronts the complex challenges found in implementing successful prevention programs that are aligned with diverse cultural and political environments and community expectations **Handbook on Crime** Fiona Brookman, Mike Maguire, Harriet Pierpoint, Trevor Bennett, 2010-02 This comprehensive edited volume contains analysis and explanation of the nature extent patterns and causes of over 40 different forms of crime in each case drawing attention to key contemporary debates and social and criminal justice responses **Law, Narrative and Masterplot** Chris Bevan, David Gurnham, 2025-06-13 The book brings together a range of socio legal and law and humanities scholars to elaborate and explore the idea of the legal masterplot There is a class of narrative sometimes referred to as masterplot or metanarrative that stands above the plethora of other stories plots and myths that may be found in law This book focuses on the masterplot concept as providing a productive yet largely under explored way of seeing understanding and responding to legal controversies and socio legal problems Masterplots may be understood as those prevalent and enduring ideas and narratives that form the basis of expectations assumptions stereotypes and prejudices In legal contexts masterplots give shape and significance to particular experiences or issues In aligning with them legal arguments judgments and reforms gain acceptability and can be presented as authoritative proportionate and legitimate Reflecting from different legal perspectives and subdisciplines on the masterplots at play in our current legal frameworks this collection illuminates the often hidden ways in which law functions This book will appeal to students and scholars of socio legal studies sociology social policy and humanities approaches to law *Improving Psychiatric Care for Older People* Claire Hilton, 2017-09-15 This book is open access under a CC BY 4 0 license This book tells the story of Barbara Robb and her pressure group Aid for the Elderly in Government Institutions AEGIS In 1965 Barbara visited 73 year old Amy Gibbs in a dilapidated and overcrowded National

Health Service psychiatric hospital back ward She was so appalled by the low standards that she set out to make improvements Barbara's book *Sans Everything* A case to answer was publicly discredited by a complacent and self righteous Ministry of Health However inspired by her work staff in other hospitals whistle blew about events they witnessed which corroborated her allegations Barbara influenced government policy to improve psychiatric care and health service complaints procedures and to establish a hospitals inspectorate and ombudsman The book will appeal to campaigners health and social care staff and others working with older people and those with an interest in policy development in England the 1960s women's history and the history of psychiatry and nursing

Pauper policies Samantha A. Shave, 2017-04-14 *Pauper policies* examines how policies under the old and New Poor Laws were conceived adopted implemented developed or abandoned This fresh perspective reveals significant aspects of poor law history which have been overlooked by scholars Important new research is presented on the adoption and implementation of enabling acts at the end of the old poor laws the exchange of knowledge about how best to provide poor relief in the final decades of the old poor law and formative decades of the New and the impact of national scandals on policy making in the new Victorian system Pointing towards a new direction in the study of poor law administration it examines how people both those in positions of power and the poor could shape pauper policies It is essential reading for anyone with an interest in welfare and poverty in eighteenth and nineteenth century England

Social Work and Sociology: Historical and Contemporary Perspectives Irene Levin, Marit Haldar, Aurélie Picot, 2018-02-05 Discussing the relationship between social work and sociology this book explores how the two have become more and more divided moving from one single discipline to two separate but related fields Both sociology and social work focus on social problems social structure social integration and how individuals respond to and live within cultural and structural constraints Today both disciplines face the possibility of losing some of their most important characteristics to individualising trends the disappearance of the importance of the social and pressure towards solely evidence based knowledge In addition to casting light on areas that have been in the shadows of the mainstream narrative the contributions to this book will raise new questions contributing to continuing discussions between and within each discipline This book was originally published as a special issue of *Nordic Social Work Research*

A Handbook for Interprofessional Practice in the Human Services Brian Littlechild, Roger Smith, 2013-10-08 *A Handbook for Inter professional Practice in the Human Services* Learning to Work Together is an essential text for all students of inter professional education and for practitioners looking to understand and develop better inter agency working With an emphasis on working collaboratively with fellow professionals service users and the community and developing an holistic approach to working this is an essential resource for anyone studying on courses in social work nursing education health medicine social policy physiotherapy occupational therapy physiotherapy and dentistry and for all those with an interest in the human services
