How Christmas Became Christmas Nathaniel Parry,2022-10-31 In some respects the contrasts of Christmas are what make it the most delightful time of the year It is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts On the other hand Christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday s core character By tracing Christmas s origins as a pagan celebration of the winter solstice and its development in Europe s Christianization this history explains that the true reason for the season has as much to do with the earth s movement around the sun as with the birth of Christ Chapters chronicle how Christmas s magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional Christian beliefs *Travel & Leisure* ,1991
