SCARE TACTICS

THE POLITICS OF INTERNATIONAL RIVALRY

Scare Tactics The Politics Of International Rivalry

Christopher Clary

Scare Tactics The Politics Of International Rivalry:

Scare Tactics Michael P. Colaresi, 2005-12-29 Why do international situations spiral out of control and into war Why do conflicts finally wind down after years if not decades of tension Various faults in conventional thinking ranging from relying on indeterminate predictions to ignoring the interaction between domestic and international events have impeded adequate explanations for the continuation escalation and dampening of rivalry conflict In *Scare Tactics The Politics of International Rivalry* Michael P Colaresi explains how domestic institutions and interactions among nations converge to create incentives for either war or peace Specifically domestic pressure to continue a rivalry and resist capitulating to the enemy can be exacerbated in situations where elites benefit from fear mongering a process Colaresi refers to as rivalry outbidding When rivalry outbidding becomes fused with pressure to change the status quo even a risky escalation may be preferable to cooperation or rivalry maintenance The eventual outcomes of such dynamic two level pressures if unchecked are increased conflict destruction and death Colaresi contends however that if leaders can resist pressures to escalate threats and step up rivalries a deteriorating status quo can instead spur cooperation and peace *The Politics of the First World War* Scott

Wolford, 2019-02-21 This analytical history of World War I offers a rigorous yet accessible training in game theory and a survey of modern political science research **The Ever-Changing Sino-Japanese Rivalry** Philip Streich, 2019-06-07 What explains the ebb and flow of the Sino Japanese rivalry Why do the two states sometimes choose to escalate or de escalate the rivalry Does domestic politics play a role Examining the historic and contemporary relationship between China and Japan through the lens of the interstate rivalry literature Streich analyzes two periods of Sino Japanese rivalry and the reasons for their ever changing nature He looks both at how rivalry theory can help us to understand the relationship between the two countries and how this relationship can in turn inform rivalry theory His results find that domestic politics and expected costs play a large role in determining when each state decides when to escalate de escalate or maintain the status quo This book is an essential guide to understanding the historical development and contemporary status of the Sino Japanese rivalry

Volatile States in International Politics Eleonora Mattiacci, 2022-12-19 An in depth account of why countries treacherous foreign policies often have harmless origins how this predicament shapes international politics and what to do about it The increasing unpredictability of state behavior in recent world politics is a surprising development The uncertainty that results intensifies conflict and stymies trust In *Volatile States in International Politics* Eleonora Mattiacci offers the first account of this issue that investigates which states have been volatile and why Leveraging statistical techniques and archival data in a probing analysis of rivals and allies since the end of World War II she rejects attempts at dismissing volatility as reflecting mercurial leaders or intractable issues Instead Mattiacci explains that a state acts in a volatile manner when its clashing domestic interests leverage power to achieve their goals on the international arena In demonstrating states potential for volatile behaviors she asks us to reconsider how much we really know about change and instability in

international politics When properly understood she shows volatile behavior can become less confusing for observers and potentially less dangerous This book offers novel evidence based tools to cope with volatility in the global arena **The Difficult Politics of Peace** Christopher Clary,2022 A sweeping and theoretically original analysis of the India Pakistan rivalry from 1947 to the present Since their mutual independence in 1947 India and Pakistan have been engaged in a fierce rivalry Even today both rivals continue to devote enormous resources to their military competition even as they face other pressing challenges at home and abroad Why and when do rival states pursue conflict or cooperation In *The Difficult Politics of Peace* Christopher Clary provides a systematic examination of war making and peace building in the India Pakistan rivalry from 1947 to the present Drawing upon new evidence from recently declassified documents and policymaker interviews the book traces India and Pakistan's complex history to explain patterns in their enduring rivalry and argues that domestic politics have often overshadowed strategic interests It shows that Pakistan's dangerous civil military relationship and India's fractious coalition politics have frequently stymied leaders that attempted to build a more durable peace between the South Asian rivals In so doing Clary offers a revised understanding of the causes of war and peace that brings difficult and sometimes dangerous domestic politics to the forefront *The World of Protracted Conflicts* Michael Brecher,2016-05-26 *The World of Protracted Conflicts* seeks to frame the models to answer three crucial questions about interstate protracted conflict what are the most likely conditions for the onset of a protracted conflict its escalation persistence and its termination It presents the findings on protracted conflict occurrence continuation and resolution through testing these models and their derived hypotheses against the evidence from 33 interstate protracted conflicts in the last century These findings will in turn shed further light on the conflict crisis war linkage This book examines and explains patterns that exist in the eruption evolution and winding down of these conflicts through a systematic comparison of recent and contemporary PCs

Theorizing Indian Foreign Policy Mischa Hansel,Raphaëlle Khan,Mélissa Levallant,2017-04-21 Examined from a non Western lens the standard International Relations IR and Foreign Policy Analysis FPA approaches are ill adapted because of some Eurocentric and conceptual biases These biases partly stem from first the dearth of analyses focusing on non Western cases second the primacy of Western born concepts and method in the two disciplines That is what this book seeks to redress *Theorizing Indian Foreign Policy* draws together the study of contemporary Indian foreign policy and the methods and theories used by FPA and IR while simultaneously contributing to a growing reflection on how to theorise a non Western case Its chapters offer a refreshing perspective by combining different sets of theories empirical analyses historical perspectives and insights from area studies Empirically chapters deal with different issues as well as varied bilateral relations and institutional settings Conceptually however they ask similar questions about what is unique about Indian foreign policy and how to study it The chapters also compel us to reconsider the meaning and boundary conditions of concepts e.g coalition government strategic culture and sovereignty in a non Western context This book will appeal to both specialists and students

of Indian foreign policy and International Relations Theory

Demonization in International Politics Linn

Normand, 2016-06-08 This book investigates demonization in international politics particularly in the Middle East It argues that while demonization's origins are religious its continued presence is fundamentally political Drawing upon examples from historical and modern conflicts this work addresses two key questions Why do leaders demonize enemies when waging war And what are the lasting impacts on peacemaking In providing answers to these inquiries the author applies historical insight to twenty first century conflict Specific attention is given to Israel and Palestine as the author argues that war time demonization in policy media and art is a psychological and relational barrier during peace talks

The Puzzle of Peace

Gary Goertz, Paul Francis Diehl, Alexandru Balas, 2016 The Puzzle of Peace moves beyond defining peace as the absence of war and develops a broader conceptualization and explanation for the increasing peacefulness of the international system The authors track the rise of peace as a new phenomenon in international history starting after 1945 International peace has increased because international society has developed a set of norms dealing with territorial conflict by far the greatest source of international war over previous centuries These norms prohibit the use of military force in resolving territorial disputes and acquiring territory thereby promoting border stability This includes the prohibition of the acquisition of territory by military means as well as attempts by secessionist groups to form states through military force International norms for managing international conflict have been accompanied by increased mediation and adjudication as means of managing existing territorial conflicts

Culture, Economic Growth, and Interstate Power Shift Steve

Chan, 2024-02-08 How has China's and East Asia's impressive economic growth been influenced by their Confucian heritage And how does economic growth affect interstate competition

Conflict and Cooperation Peter E. Makari, 2007-11-07

Egypt is considered the intellectual birthplace of the modern Islamic movements and is a center of Islamic thought and culture It is also home to one of the oldest Christian populations in the world While conflict between these two communities is often the focus of media attention in the region important efforts to advocate for and support positive inter communal relations are finding a degree of success In this book Peter Makari considers the role of governmental and non governmental actors in conflict resolution and the promotion of positive Christian Muslim relations in Egypt He maintains that prevailing opinions notwithstanding the last quarter century has witnessed a high level of inter religious cooperation and tolerance Relying heavily on Arabic sources Makari examines the rhetoric and actions of official governmental and religious institutions Combining empirical research with an informed theoretical perspective this work offers a perspective seldom available to the English reader on questions of tolerance citizenship and civil society in this part of the Arab world

[Back Channel](#)

Negotiation Anthony Wanis-St. John, 2011-02-02 Wanis St John takes on the question of whether the complex and often perilous secret negotiations between mediating parties prove to be an instrumental path to reconciliation or rather one that disrupts the process Using the Palestinian Israeli peace process as a frame work the author focuses on the uses and misuses

of back channel negotiations Wanis St John discusses how top level PLO and Israeli government officials often resorted to secret negotiation channels even when they had designated acknowledged negotiation teams already at work Intense scrutiny of the media pressure from constituents and the public's reaction all become severe constraints to the process causing leaders to seek out back channel negotiations The impact of these secret talks on the peace process over time has largely been unexplored Through interviews with major negotiators and policymakers on both sides and a detailed history of the conflict the author analyzes the functions and consequences of back channel negotiations Wanis St John reveals the painful irony that these methods for peacemaking have had the unintended effect of inflaming the conflict and sustaining its intractability

Thinking Peaceful Change Frank Möller, 2007-02-09 Frank Möller explores why the states and societies of the Baltic Sea region have not yet evolved into a security community despite the area undergoing since the mid 1980s considerable change with little turmoil This book focuses on the tensions resulting from policies in the Baltic states aiming at an increase in both security and sovereignty Möller shows how these states' attempts at increasing their security were intricately bound up with their efforts at autonomous nation state building Möller argues that a primary obstacle to security community building was the construction of nation states based upon an exceedingly traditional template emphasizing the connection between the state sovereignty and military security The Baltic states aspired to NATO membership amid unique challenges such as the perceived threat of renascent Russian imperialism and the perseverance of a collective memory emphasizing anti Soviet resistance Möller also examines such key issues as the demise of the Soviet Union the nonviolent withdrawal of Russian troops from the Baltic states and U S foreign policy in northern Europe Here is a profound multifaceted look at issues of security in the contemporary world a crucial tool for researchers and students of peace and conflict studies

The Broken Olive Branch: Nationalism, Ethnic Conflict, and the Quest for Peace in Cyprus Harry Anastasiou, 2009-01-19 In the second volume Anastasiou focuses on emergent post nationalist trends their implications for peace and recent attempts to reach mutually acceptable agreements between Greek and Turkish Cypriots He documents the transformation of Greece Cyprus and Turkey within the context of Europeanization and globalization While leaders of both communities have failed to resolve the conflict Anastasiou argues that the accession of Cyprus into the European Union has created a structure and process that promises a multiethnic democratic Cyprus With great depth and balance The Broken Olive Branch presents a fresh analysis of the Cyprus conflict and new insights on the influence of nationalism

Taming Ethnic Hatred Patrice C. McMahon, 2007-04-05 With its unique emphasis on ethnic cooperation rather than discord this work provides insights into how the international community can help to restrain ethnic conflict in the Twenty First century By examining the construction of ethnic peace in post Soviet Eastern Europe Patrice McMahon accurately describes how the international community worked to quell growing tensions in the East Key was a network of public and private organizations whose goal it was to work in overlapping ways to manage inter ethnic relations which in turn kept ethnically charged clashes

far below levels forecast Inspired by the Conference on Security and Cooperation in Europe CSCE this network included Western governments intergovernmental organizations as well as non governmental organizations Although each actor had its own reason for involvement in this network she highlights the shared principles and overlapping strategies actors used and how their interaction translated into a modern form of decentralized governance This book addresses these issues by considering ethnic relations in Romania and Latvia In so doing it brings to the fore important stories too long ignored by the West and academic research Writing in a direct readable fashion the author connects her subject to a larger review of changes in global governance

The American Nuclear Disarmament Dilemma, 1945-1963 David Tal, 2008-09-25 the atomic bombs dropped on Hiroshima and Nagasaki in 1945 quickly ushered in a popular and political movement toward nuclear disarmament Across the globe heads of state high ranking ministers and bureaucrats led intense efforts to achieve effective disarmament agreements Ultimately these efforts failed In *The American Nuclear Disarmament Dilemma* David Tal offers a detailed analysis of U S policy from 1945 to the summer of 1963 exploring the reasons for failure and revealing the complex motivations that eventually led to the Limited Test Ban Treaty While previous books have focused on the policies of specific administrations Tal's is the first to consider negotiations as an evolving phenomenon that preoccupied three presidents from Truman to Kennedy Drawing on extensive archival research the author examines the profound dilemma faced by leaders on all sides forced by political pressure to engage in negotiations whose success they saw as injurious to national interests Far from believing that the nuclear arms race would inevitably lead to war the United States regarded nuclear weapons as the greatest guarantee that war would not happen

The Reputational Imperative Mahesh Shankar, 2018-09-25 India's first prime minister Jawaharlal Nehru left behind a legacy of both great achievements and surprising defeats Most notably he failed to resolve the Kashmir dispute with Pakistan and the territorial conflict with China In the fifty years since Nehru's death much ink has been spilled trying to understand the decisions behind these puzzling foreign policy missteps Mahesh Shankar cuts through the surrounding debates about nationalism idealism power and security with a compelling and novel answer reputation India's investment in its international image powerfully shaped the state's negotiation and bargaining tactics during this period *The Reputational Imperative* proves that reputation is not only a significant driver in these conflicts but also that it's about more than simply looking good on the global stage Considerations such as India's relative position of strength or weakness and the value of demonstrating resolve or generosity also influenced strategy and foreign policy Shankar answers longstanding questions about Nehru's territorial negotiations while also providing a deeper understanding of how a state's global image works *The Reputational Imperative* highlights the pivotal yet often overlooked role reputation can play in a broad global security context

Re-Centering Culture and Knowledge in Conflict Resolution Practice Mary Adams Trujillo, S. Y. Bowland, Linda James Myers, Phillip M. Richards, Beth Roy, 2022-09-01 The field of conflict resolution centers on relationships and ways of approaching methods for problem solving These relationships and

approaches vary deeply depending on the individual society and background proving that cultural perspective is fundamental to any dispute intervention Re Centering Culture and Knowledge in Conflict Resolution Practice is a collection of original essays by scholars and practitioners of conflict resolution and others working in marginalized communities The volume offers a sampling of the cultural voices essential to effective practice yet not commonly heard in the discourse of conflict resolution The authors explore the role of culture race and oppression in resolving disputes Drawing on firsthand experience and sound research the authors address such issues as culturally sensitive mediation practices the diversity of perspectives in conflict resolution literature and power dynamics The first anthology of its kind this book combines personal narratives with formal scholarship By melding these varied approaches the authors seek to inspire activism for social justice in today s multicultural society

Chinese Refugee Law and Policy, 1949-2017 Lili Song, 2020-03-26 Systematic and critical examination of Chinese refugee law and policy including information acquired from interviews and field visits

Handbook of Conflict Analysis and Resolution Dennis J.D. Sandole, Sean Byrne, Ingrid Sandole-Staroste, Jessica Senehi, 2008-07-31 This major Handbook is a collection of work from leading scholars in the Conflict Analysis and Resolution CAR field The central theme is the value of interdisciplinary approaches to the analysis and resolution of conflicts

Scare Tactics The Politics Of International Rivalry Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Scare Tactics The Politics Of International Rivalry free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Scare Tactics The Politics Of International Rivalry free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Scare Tactics The Politics Of

International Rivalry free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Scare Tactics The Politics Of International Rivalry. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Scare Tactics The Politics Of International Rivalry any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Scare Tactics The Politics Of International Rivalry Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
