Farias, 2016-02-17 This book is a follow up to the author s previous one which revealed the underlying but veiled symbolism in the Wizard of Oz His suggestion regarding the connection between Emerald City and the Catholic Church was not well received Even more objectionable to many was his assertion that the powerless phony wizard that Whiz of a wiz is a direct analogy to the God of the Old Testament These chapters will serve as a guided tour of the spiritual nooks and crannies of Holy Scripture These nooks have been carefully ignored and side stepped by theologians for a very long time Those willing to start from a spiritual blank slate and step forward with an open mind will be shocked to their core by what they discover in the many never discussed nooks While many have claimed to reveal the secrets of the Mother Church you will find here that her biggest secrets have been hidden in plain sight all along Reassessing our most fundamental assumptions about our deepest and longest cherished core beliefs requires real courage and even a willingness to endure ridicule When Dorothy pulled back the green curtain she was changed forever for the better It is the author s sincere belief that everyone who walks the Yellow Brick Road i e the Spiritual Path must eventually summon the courage to look behind the mysterious veil that separates us from our real world wizard Most of what follows is not pleasant or easy reading but all of it comes right out of the pages of Holy Scripture itself      *A New Heritage of Horror* David Pirie, 2024-09-19 Winner of the Dark Fest Film Festival Award for Best Genre Author 2024 David Pirie s acclaimed history of British gothic film and television has long been regarded as a foundational study of the roots of British horror identifying it as the only staple cinematic myth which Britain can properly claim as its own This edition has been revised and updated to include discussion of films and TV dramas that have been newly discovered restored or released since publication of the previous edition in 2007 as well as addressing newly emergent screenwriters directors and
