Scared And The Doomed The Jewish Establishment Vs The Six Million:

The Scared and the Doomed M. J. Nurenberger, 2006-06-01 This is not only an important work on a painful and hidden chapter of Jewish history it is also surprisingly prophetic During World War 2 M J Nurenberger had a front row seat to what he called the Jewish Civil War This war was a fierce struggle between the pseudo Zionist establishment in North America and the Irgun underground in what was then Eretz Israel and their delegations in Washington and New York This Jewish Civil War according to M J Nurenberger was the primary cause for the paralysis of organised and established American Jewry when Jews world wide began to face the greatest challenge and ultimate tragedy of Jewish history Hitlers war against the Six Million and their eventual extermination Based upon exhaustive research in numerous archives first hand eye witness accounts and interviews with numerous participants this book exposes the various events the internal conflicts and bold initiatives which took place in the relations between the US State Department the Jewish Establishment and the Irgun It also includes detailed and careful analyses of the Sternbuch Saga and the Musy Mission to Himmler both of which were pivotal in sealing the fate of European Jewry **The Bombing of Auschwitz** Michael J. Neufeld, Michael Berenbaum, 2003 Could the Allies have prevented the deaths of tens of thousands of Holocaust victims Inspired by a conference held to mark the opening of the US Holocaust Memorial Museum this book brings together the key contributions to this debate **A Fire in His Soul** Amos Bunim, 1989 **Blowing the Whistle on Genocide** Rafael Medoff, 2009 At every turn DuBois was confronted by officials who tried to stop him from the powerful Assistant Secretary of State who sabotaged rescue attempts to the War Department official who blocked DuBois s proposal to bomb Auschwitz and worked to pardon Nazi war criminals after the war **Save Israel** Barry Chamish, 2007-06-19 Barry is by far the leading Israeli writer on the internet His articles appear on dozens of sites and are read by millions weekly His book Who Murdered Yitzhak Rabin has sold over 30 000 copies in five languages in Israel making it one of the best sellers of the past decade Both NBC and Fox TV have broadcast indepth reports on his research He is a popular guest on radio shows such as Jeff Rense and Art Bell In Save Israel readers will understand why the author names Israel s leaders as willing players in an international plot against their country He details the corruption of Israel s leadership and names the European and American corruptors of the Jewish nation This book deals with the plan to force the jews from Yesha by murdering their rabbis and leaders the Vatican s plan to create a second holocaust the murder and blackmail of leaders who do not cooperate the creation of a palestinian nation from thin air the covert war against both Judaism and Christianity and more **America, Its Jews, and the Rise of Nazism** Gulie Ne'eman Arad, 2000-12-22 Probing these questions Gulie Ne eman Arad finds that more than the events themselves what was instrumental in dictating and shaping the American Jews response to Nazism was the dilemma posed by their desire for acceptance by American society on the one hand and their commitment to community solidarity on the other When American Jews were faced with the desperate plight of European Jews after Hitler s accession to power they were hesitant to press the

case for immigration for fear of raising doubts about their patriotism

The Scared and the Doomed Meyer Joshua Nurenberger, 1985

Neutralizing Memory Iwona Irwin-Zarecka, 1990-01-01 This exploration of the texture of contemporary Polish Jewish relations has its origins in the author s haunting experience of growing up Polish and Jewish in Warsaw in the 1960s It began with questions about silence the silence of Jewish parents and the silence of once Jewish towns the silence in Auschwitz and the silence about anti-Semitism But when the author went to Europe in 1983 to work on the project that resulted in this book Poland was in the midst of preparation for a grand commemoration of the Warsaw Ghetto uprising From all parts of the political spectrum came calls to remember and to honor Polish Jews to reexamine and to reassess the past In effect Poland was inviting the Jew into its household of memories What did such an invitation mean And what accounted for the timing This vividly written account of the people the politics the goals and the obstacles behind words of remembrance in Poland is an example of cultural sociology at its best The author draws on a combination of textual readings interviews and historical analyses The book s main strength is its continuous dialogue between analyst and insider between knowledge and experience Into a field where cognitive and emotional imprints make all the difference the author brings unique appreciation of the power they hold she has shared them Into a field where partisanship so often passes for objectivity she brings openly stated commitment And into a field where particularism of concerns so often deadlocks understanding she brings much needed broadening of vision Students of modern Jewish history will find this volume an informative analysis of the past and present roles assigned to the Jew in Poland Students of contemporary Poland will find new perspectives on its struggles for a democratic society And for those concerned with how one reconciles one s self and one s history Neutralizing Memory offers an empirically based reflection on the construction and deconstruction of remembrance

Cecilia Razovsky and the American Jewish Women's Rescue Operations in the Second World War Bat-Ami Zucker, 2008 This book highlights Jewish women s activities in the 1930s and 1940s as they were reflected in one outstanding woman Cecilia Razovsky Her wide range of activities spanning more than fifty years and her outstanding devotion to assisting refugees and refugee children reveal her as a woman who dedicated her personal life and her professional skills to the Jewish people Without doubt she stands as a representative for the thousands of anonymous American Jewish women who made a difference The book is based on primary sources The Jewish American campaign for the European refugees before and during the Second World War is commonly perceived as having been spearheaded by male leaders Stephen Wise is the most familiar and outstanding figure among them other frequently mentioned personalities

include Cyrus Adler Herbert Lehman Judge Joseph Proskauer Judge Julius Mack and Morris Troper Together these leaders have been credited for their efforts to persuade the Roosevelt administration to open US doors to Jewish refugees But although women too were deeply involved in Jewish community welfare projects they were seldom recognized for their activities and certainly were not accorded the attention they deserve in contemporary historiography In the tragic years before during and after the Second World War it was the vital role played by ordinary groups of Jewish women far from the spotlight and their mighty efforts to establish and maintain a firm organizational foundation that enabled the refugee workers to execute their goals
